

THE DUCK AVENGER

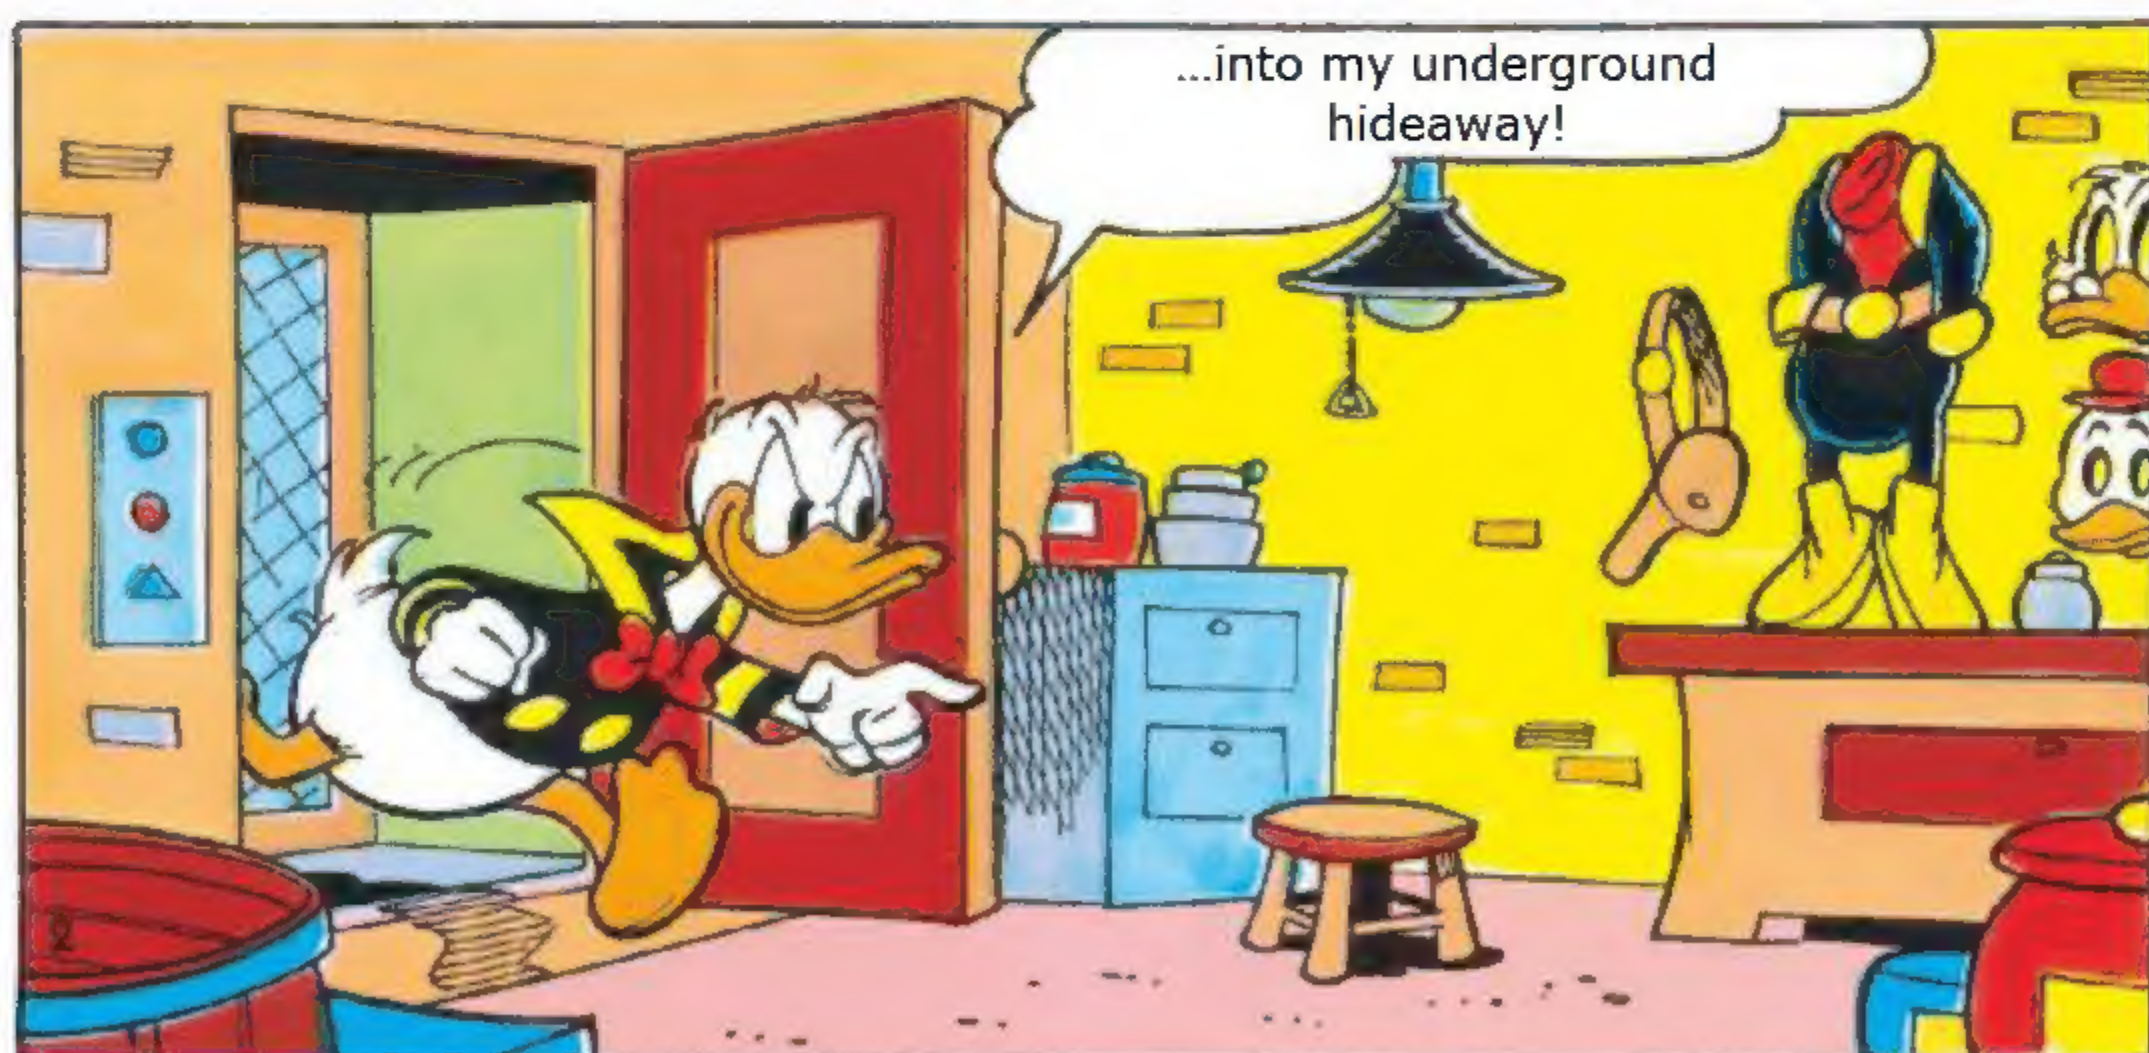

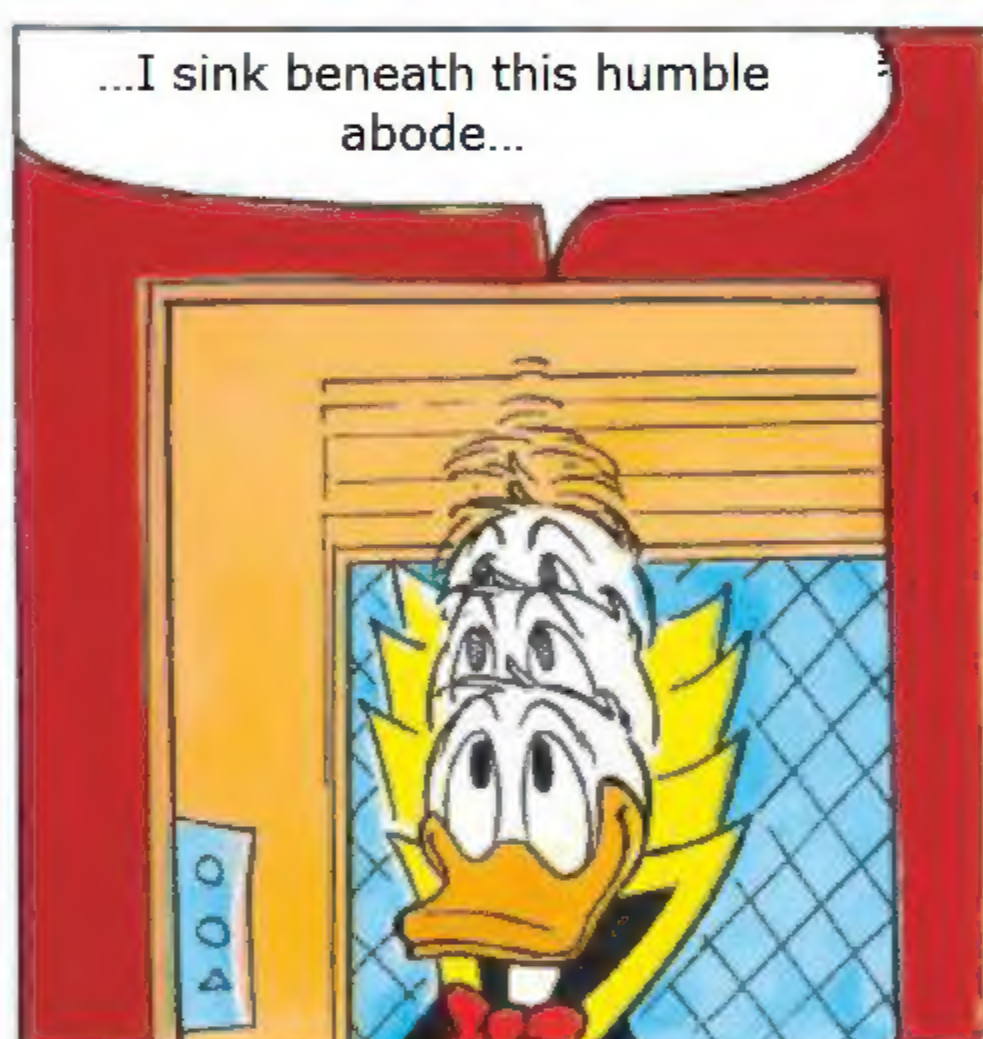

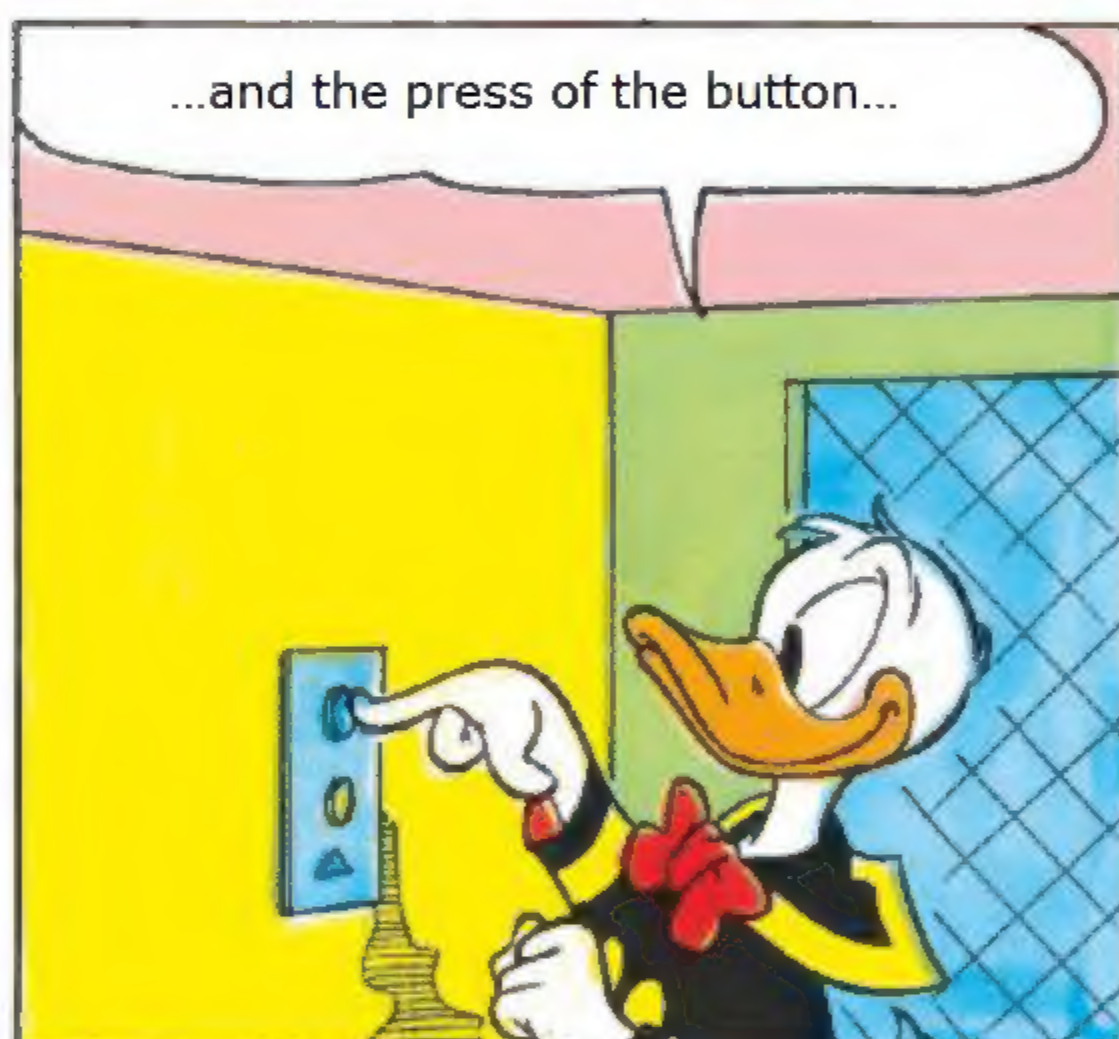

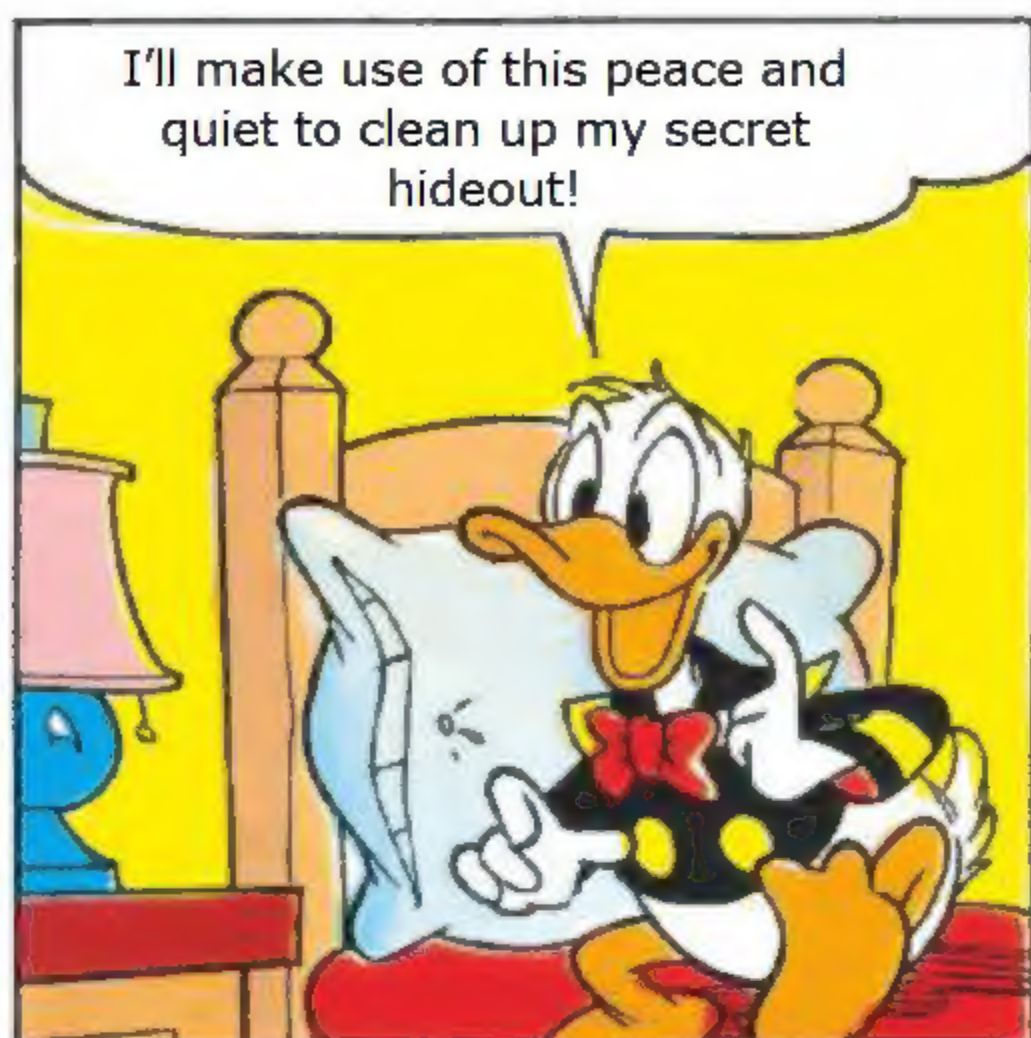

A TANGLE OF TWINS

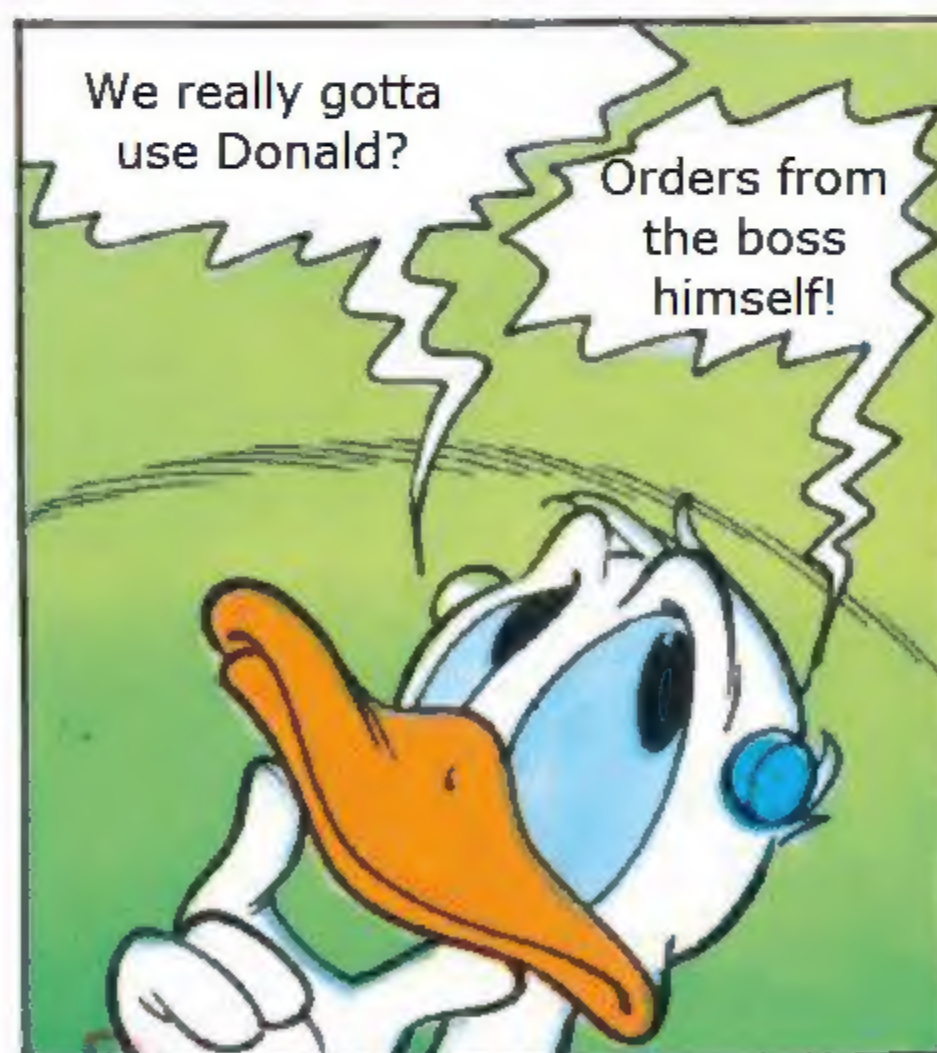

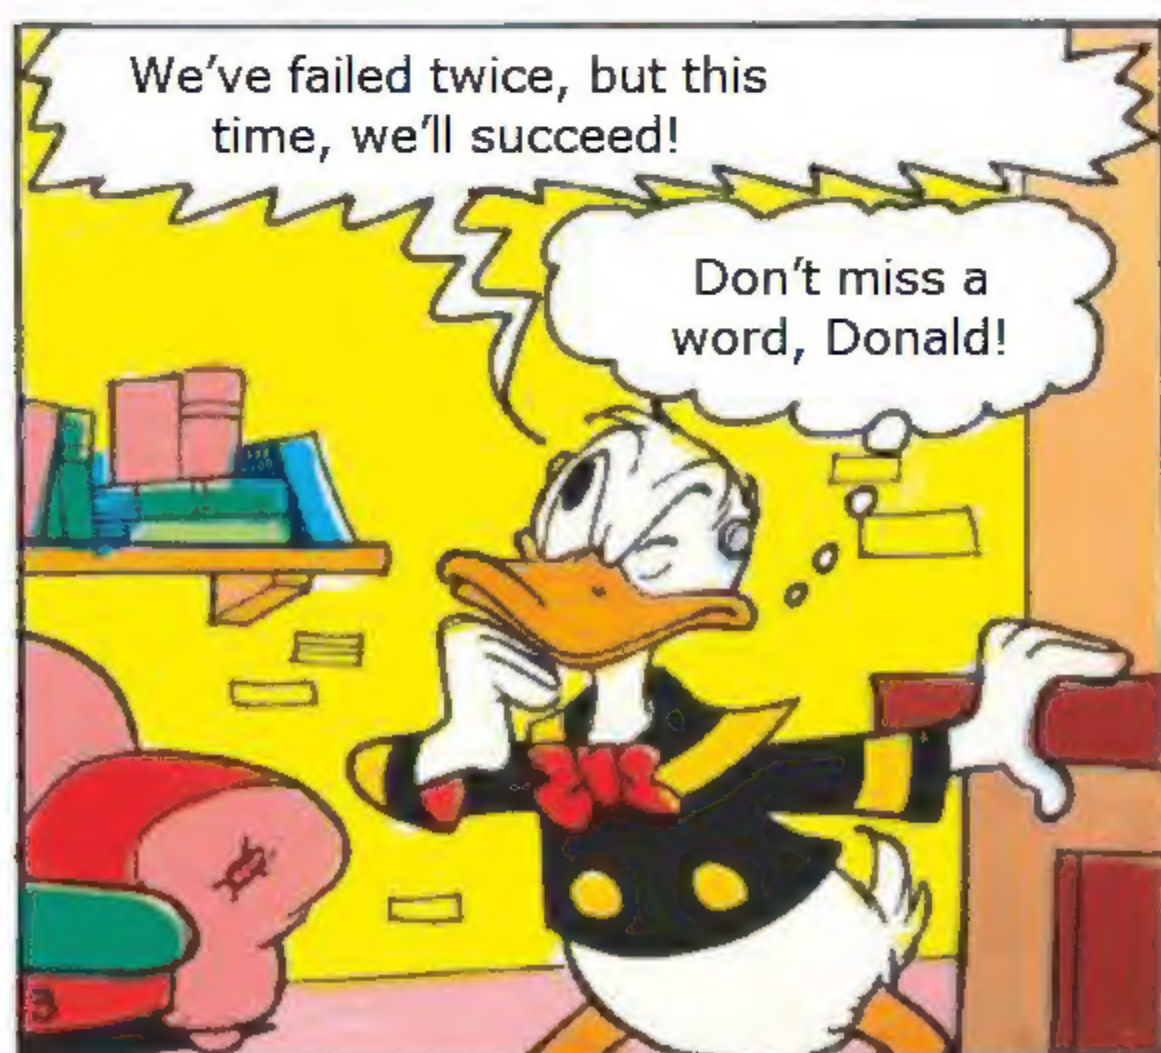

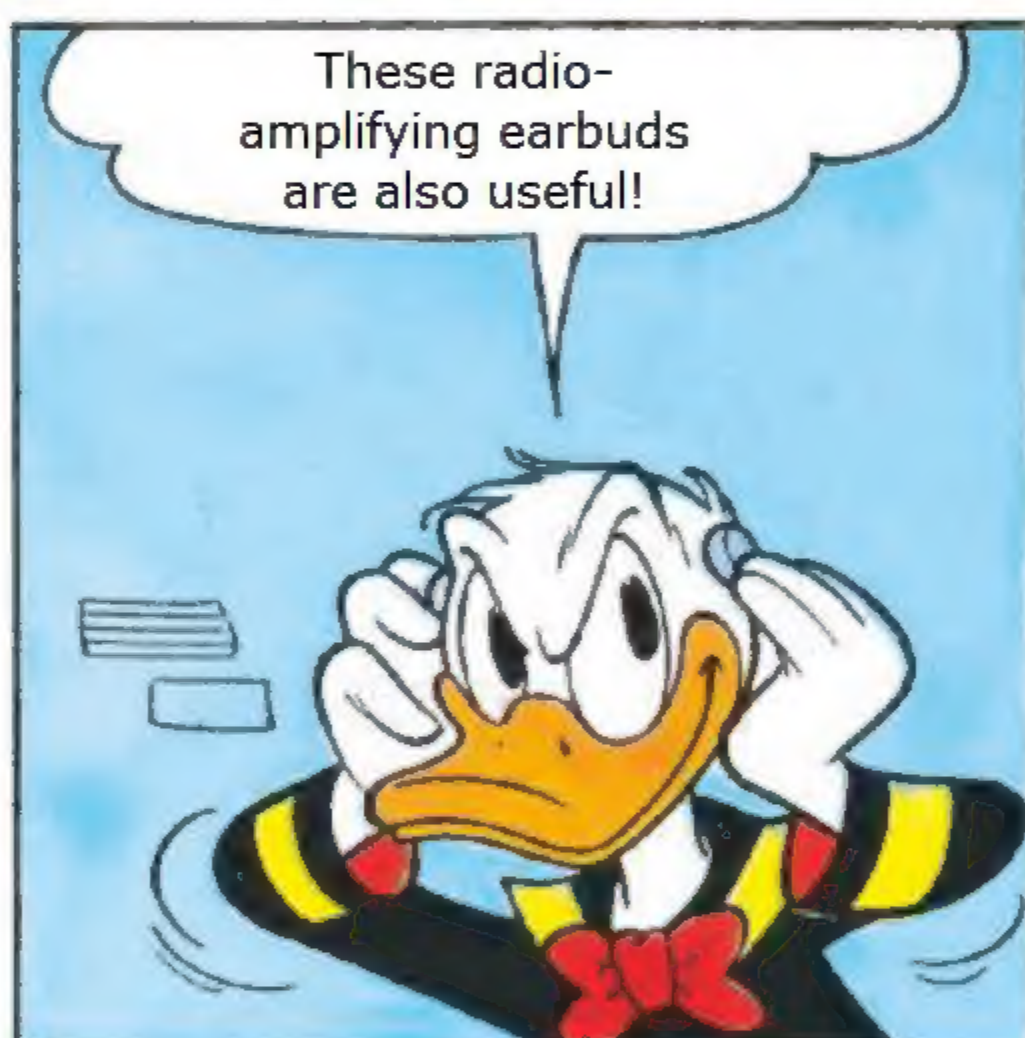

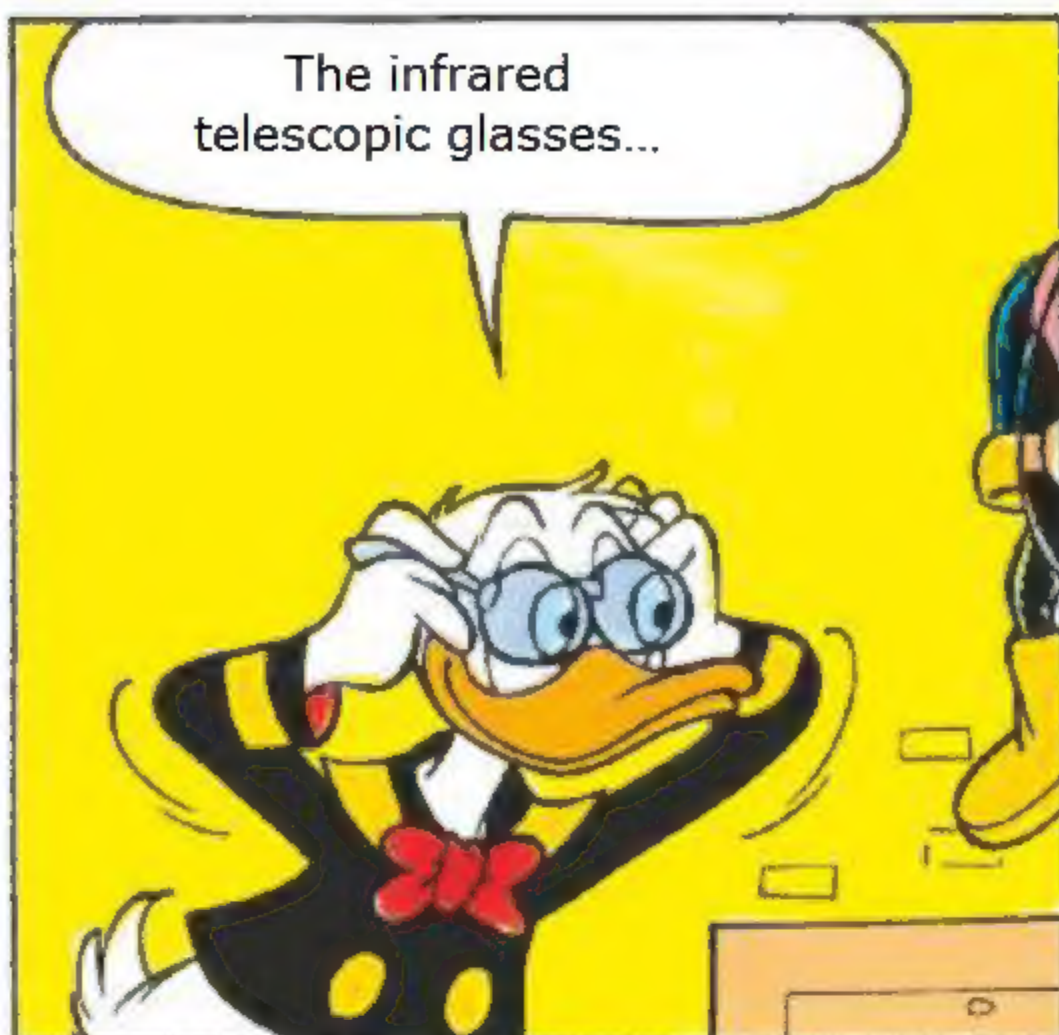

STORY: GUIDO MARTINA

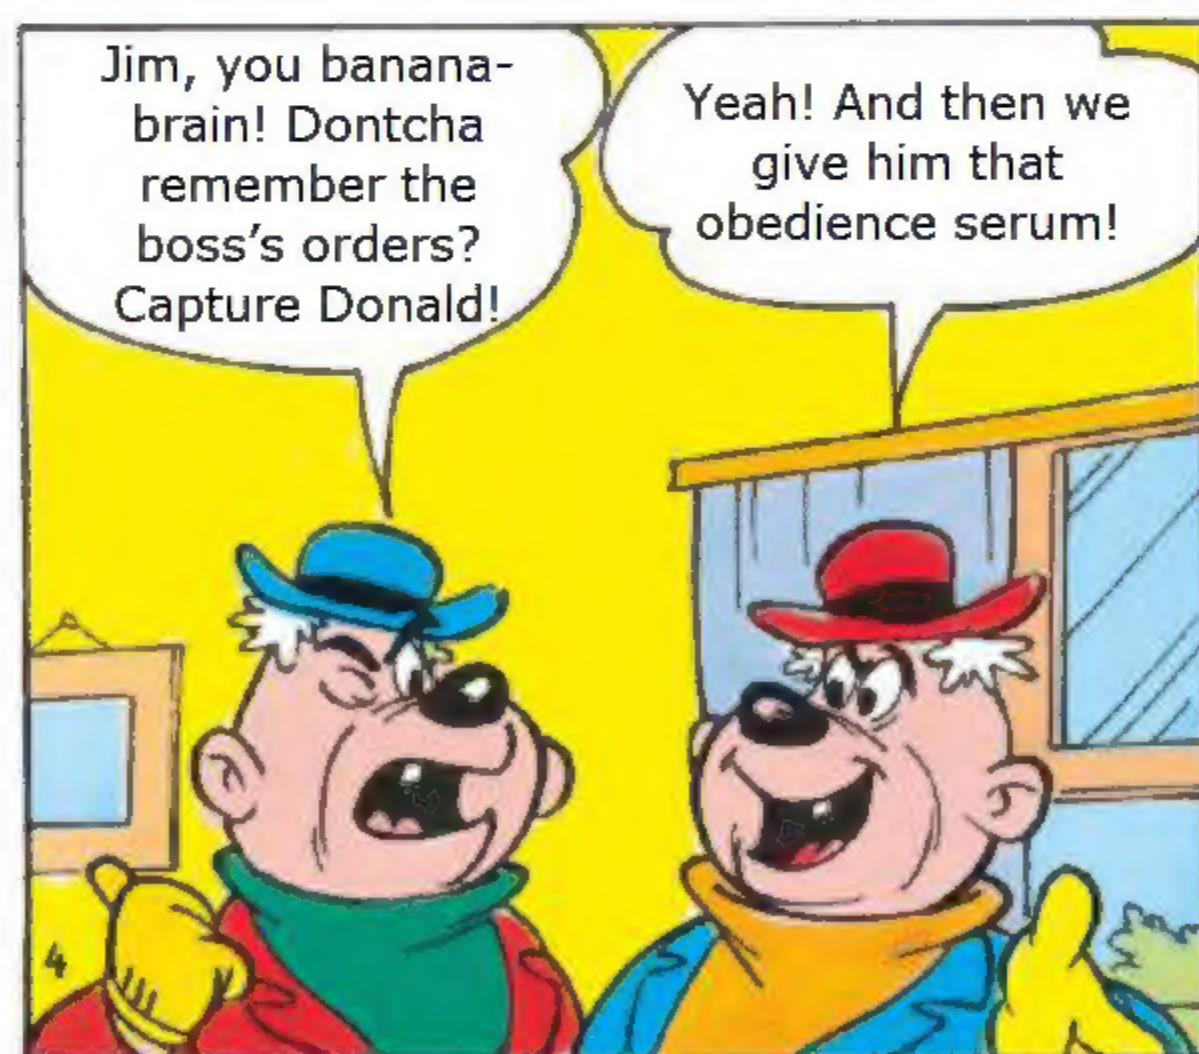

ART: MASSIMO DE VITA

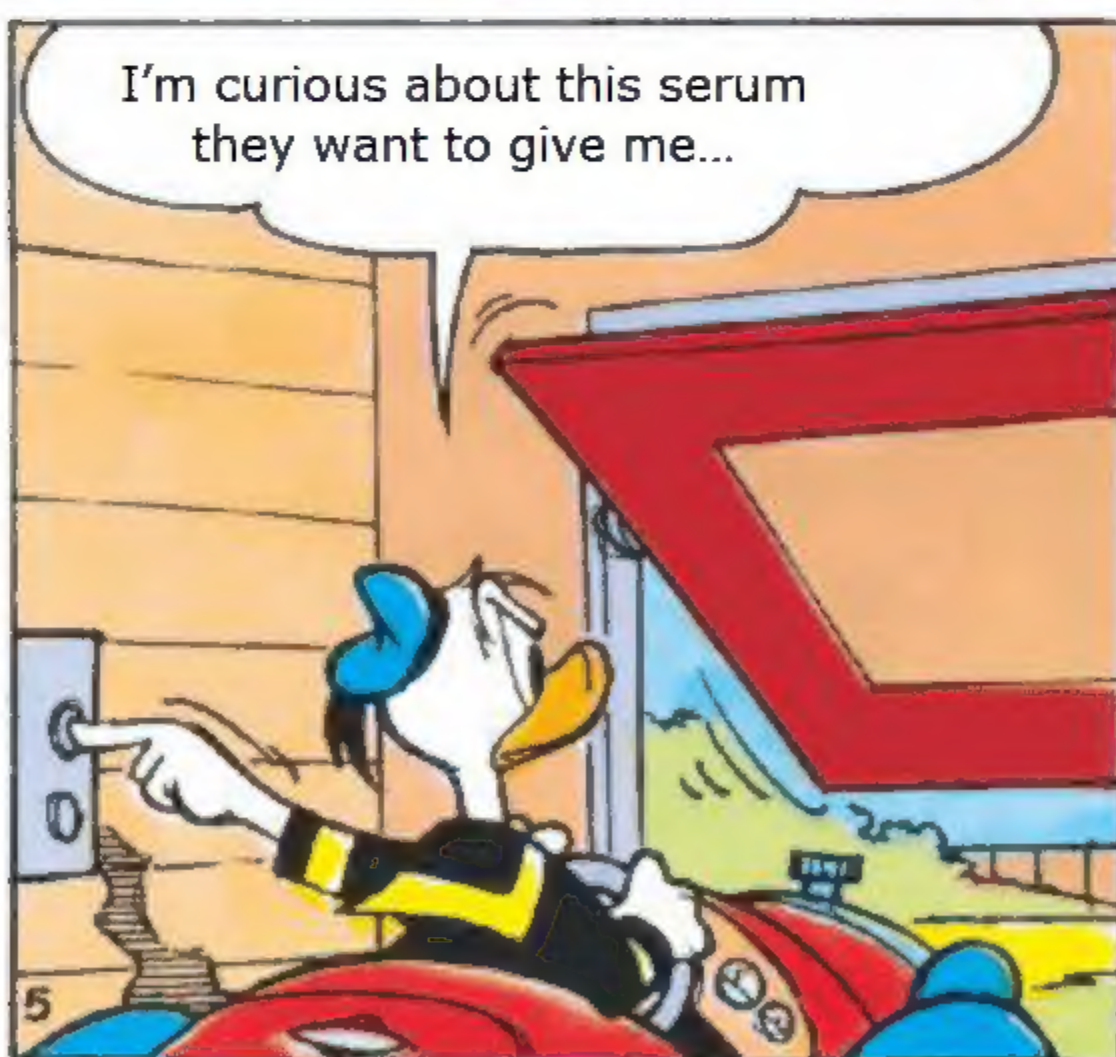

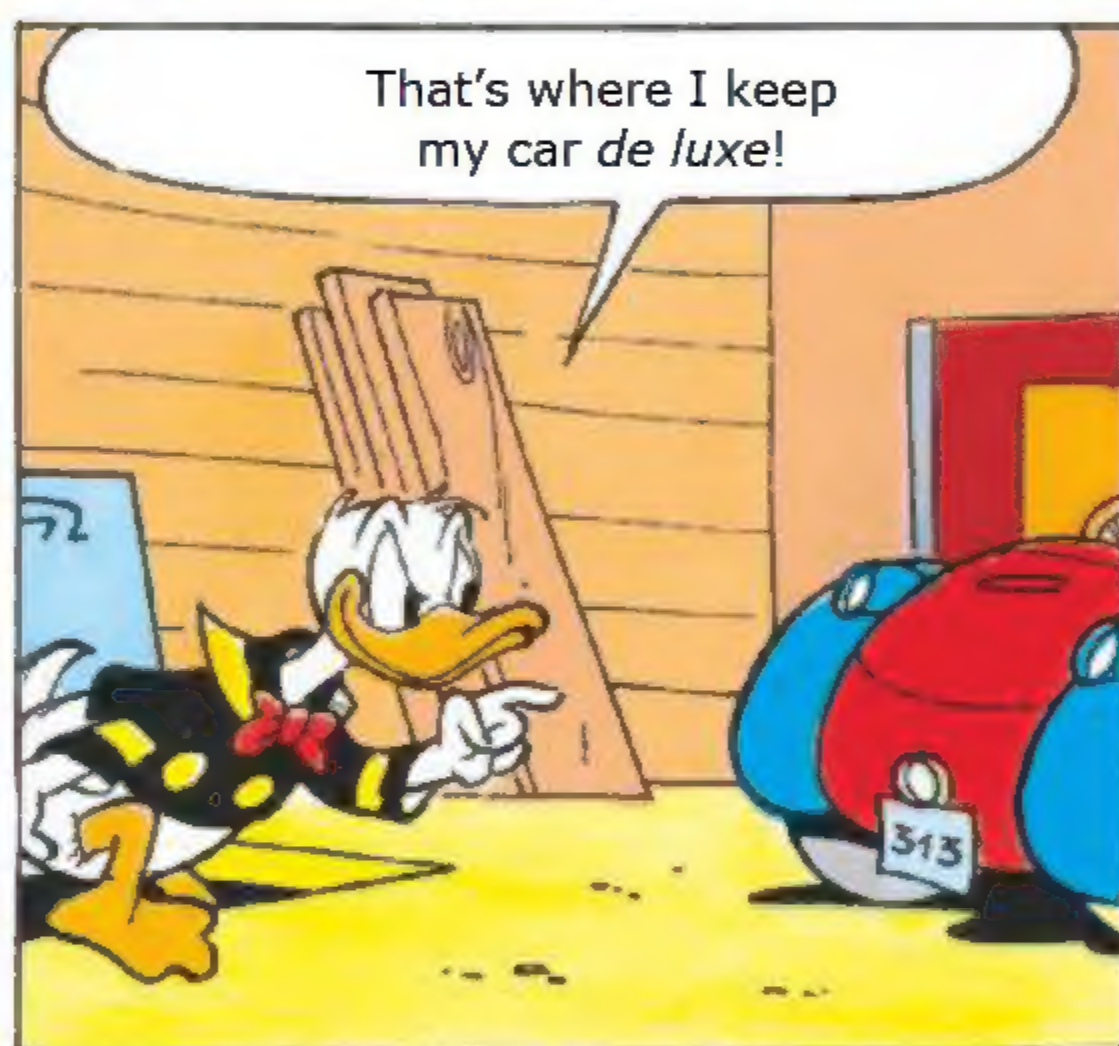

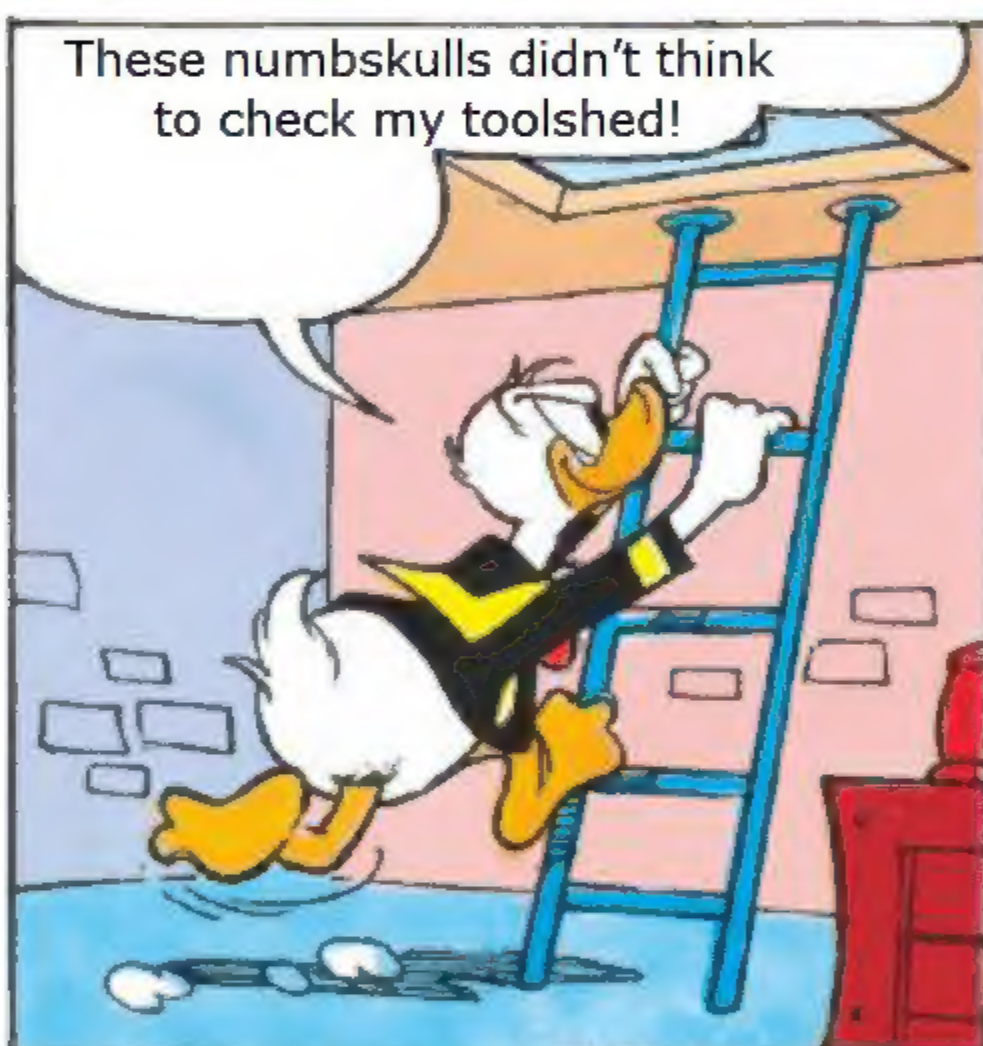

Could a duck be more at ease? The nephews off on a Junior Woodchucks camping trip! The unescapable uncle not seen in days, like a clam in a concrete shell!

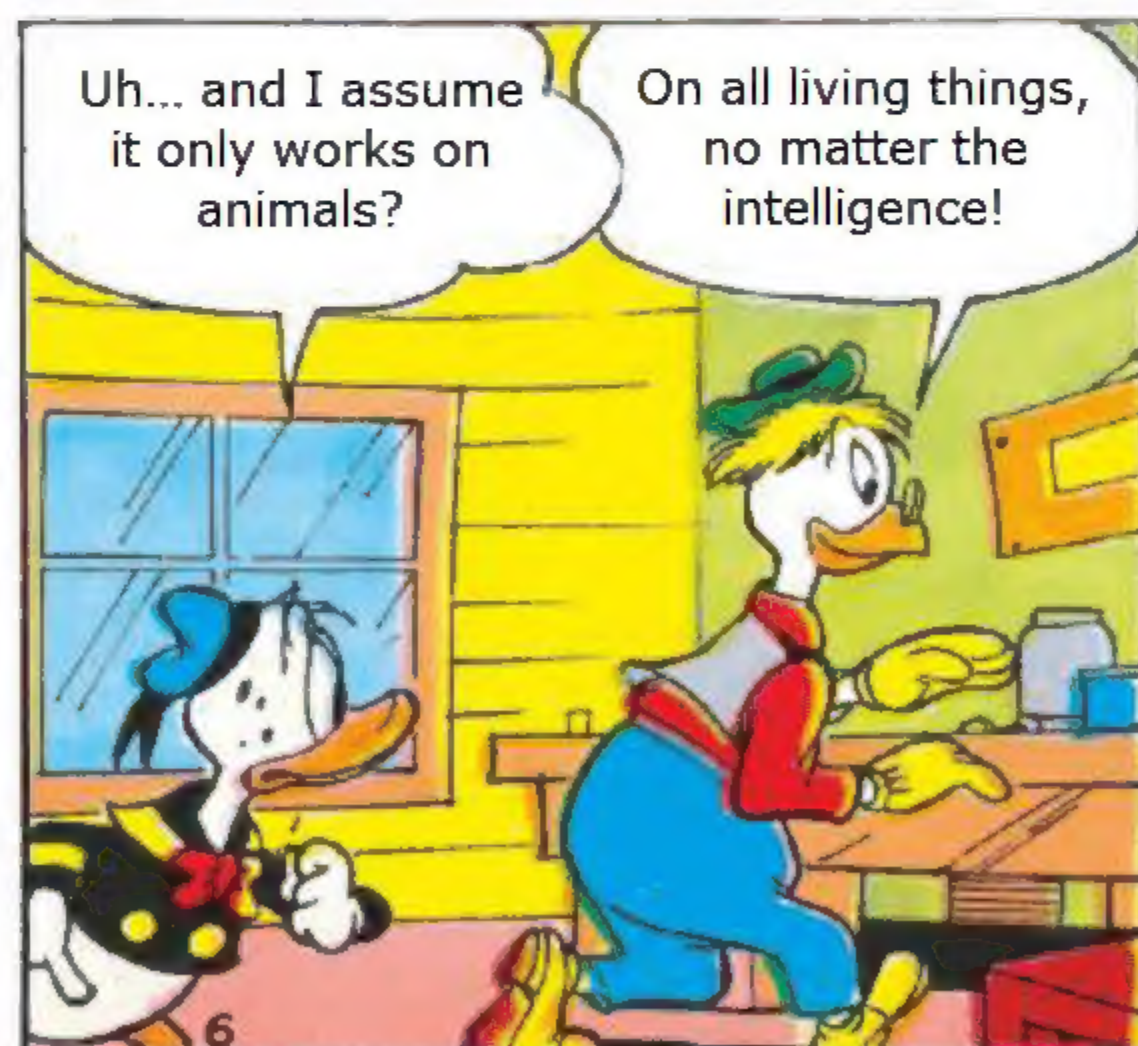

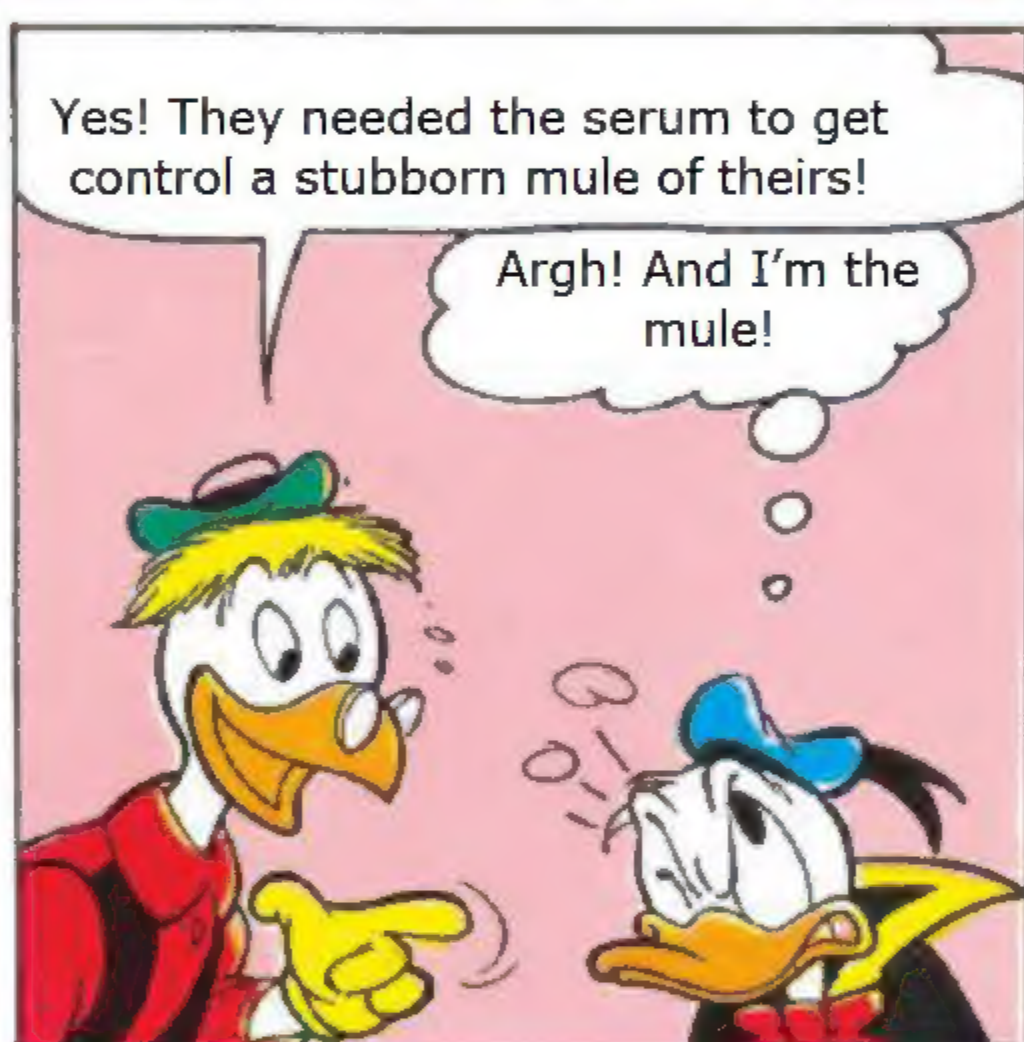

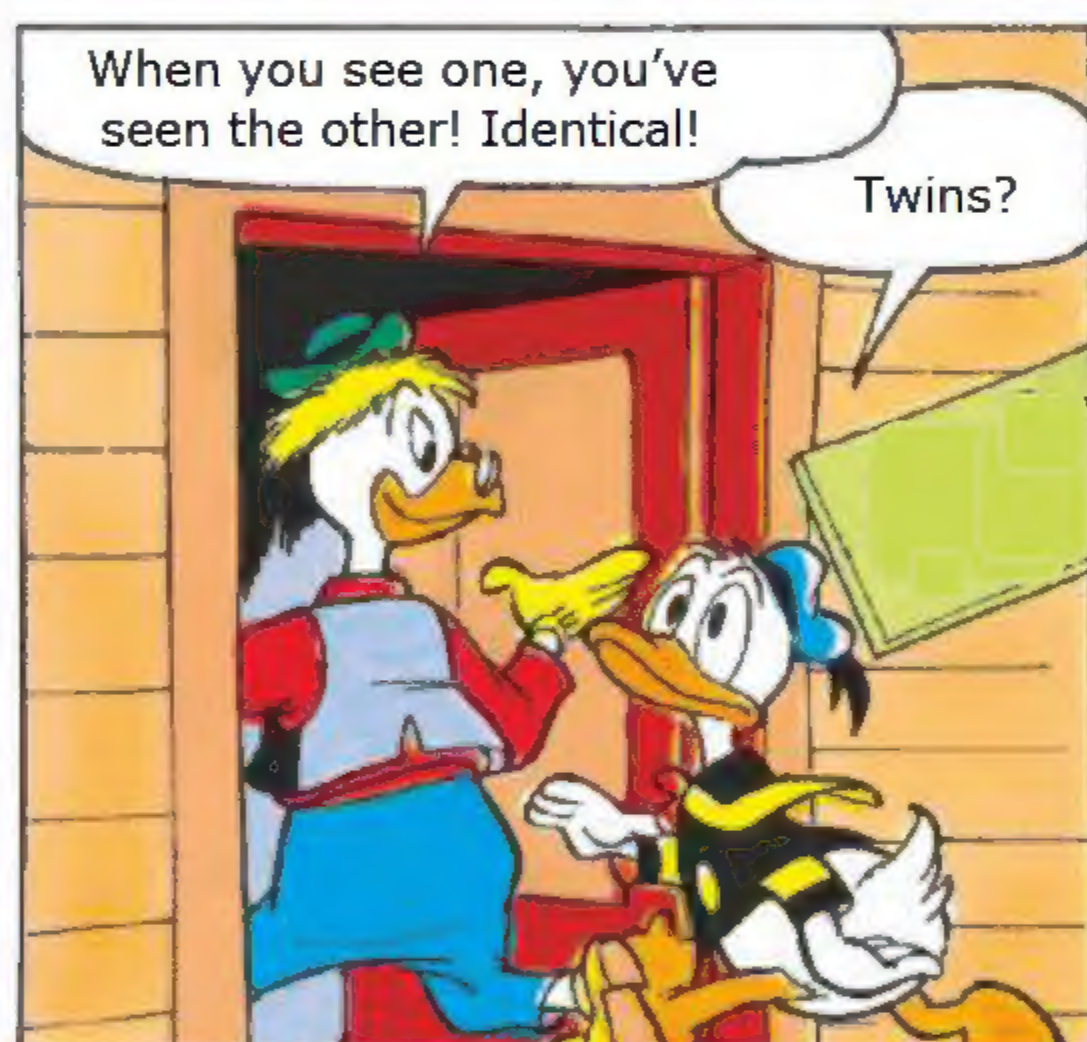

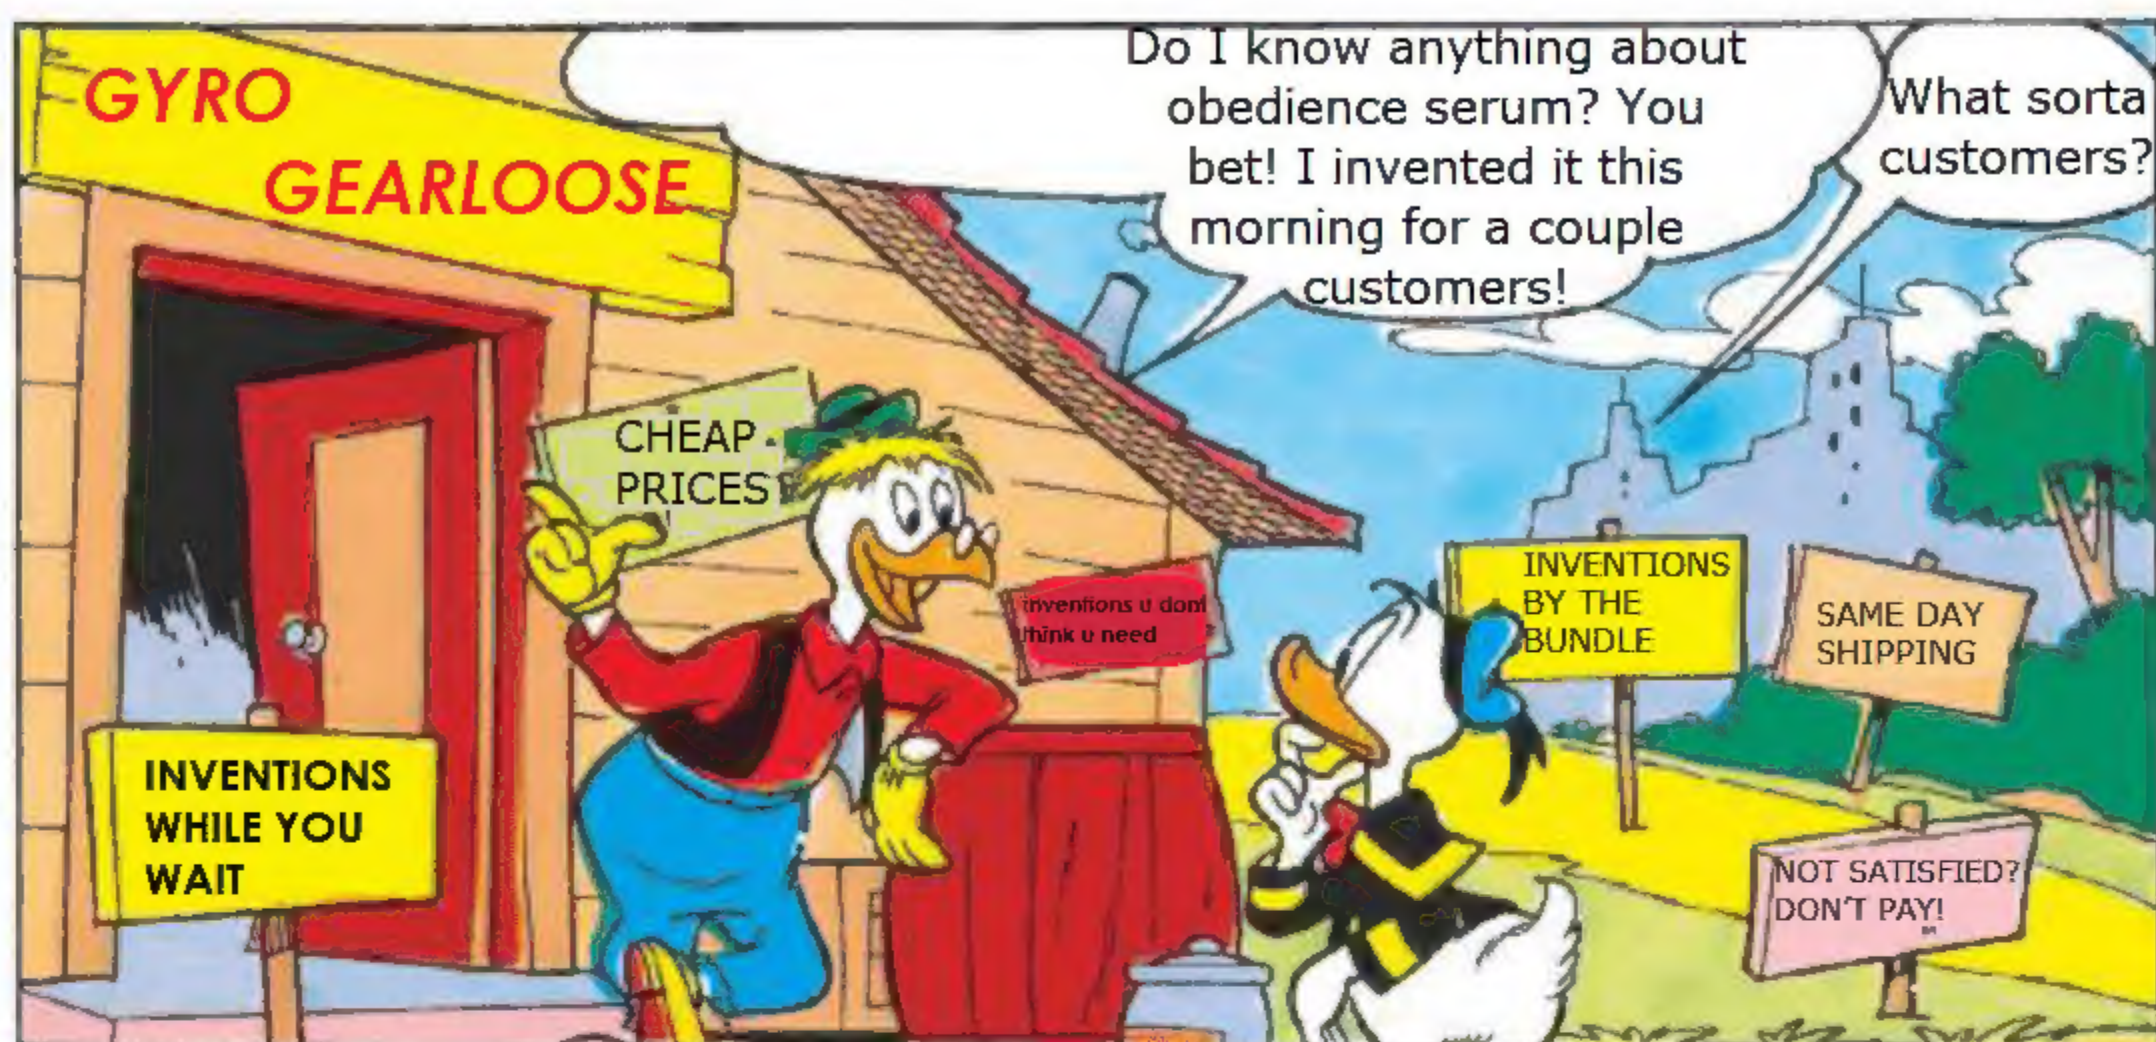

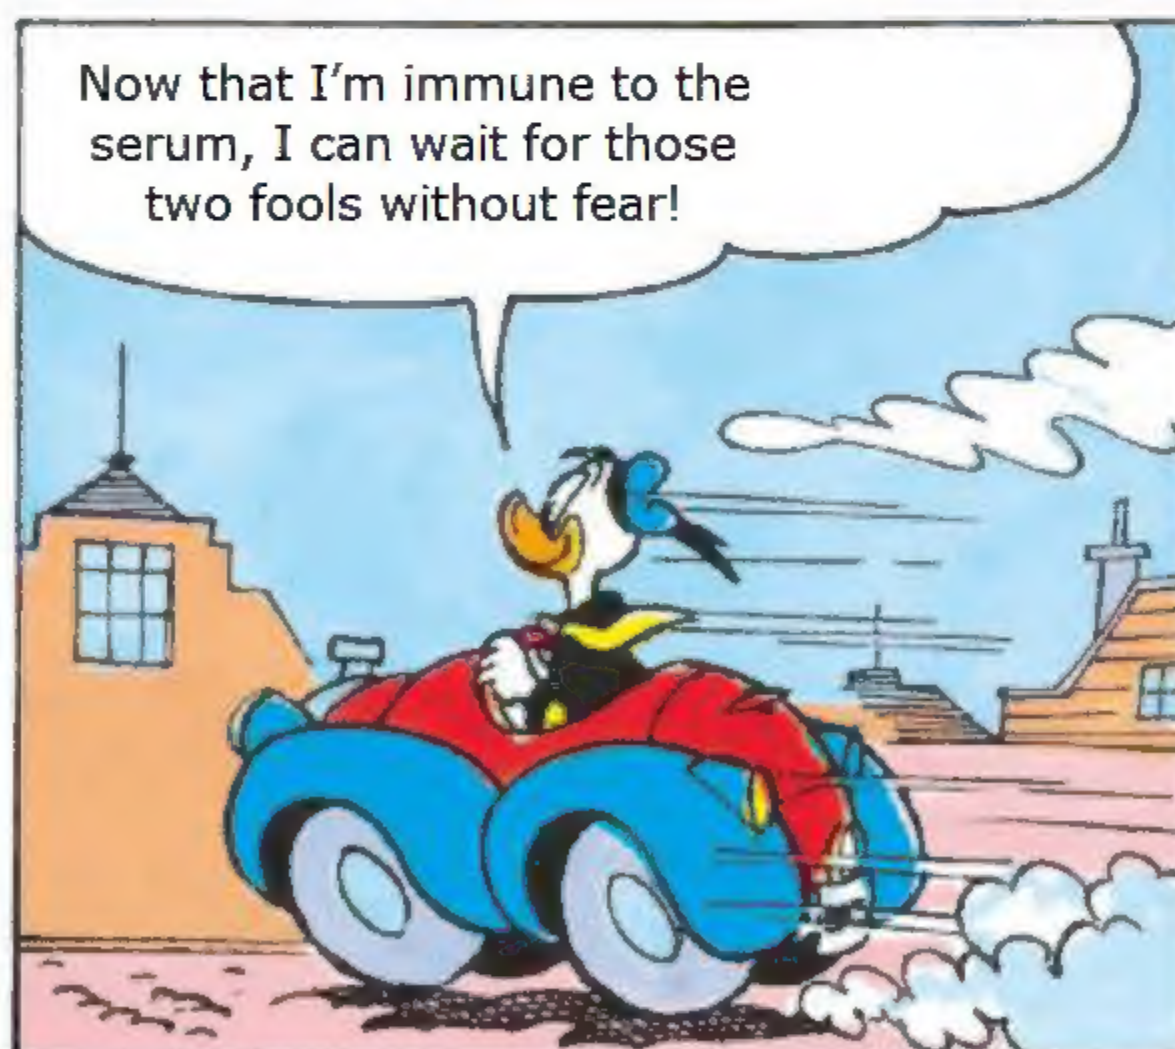

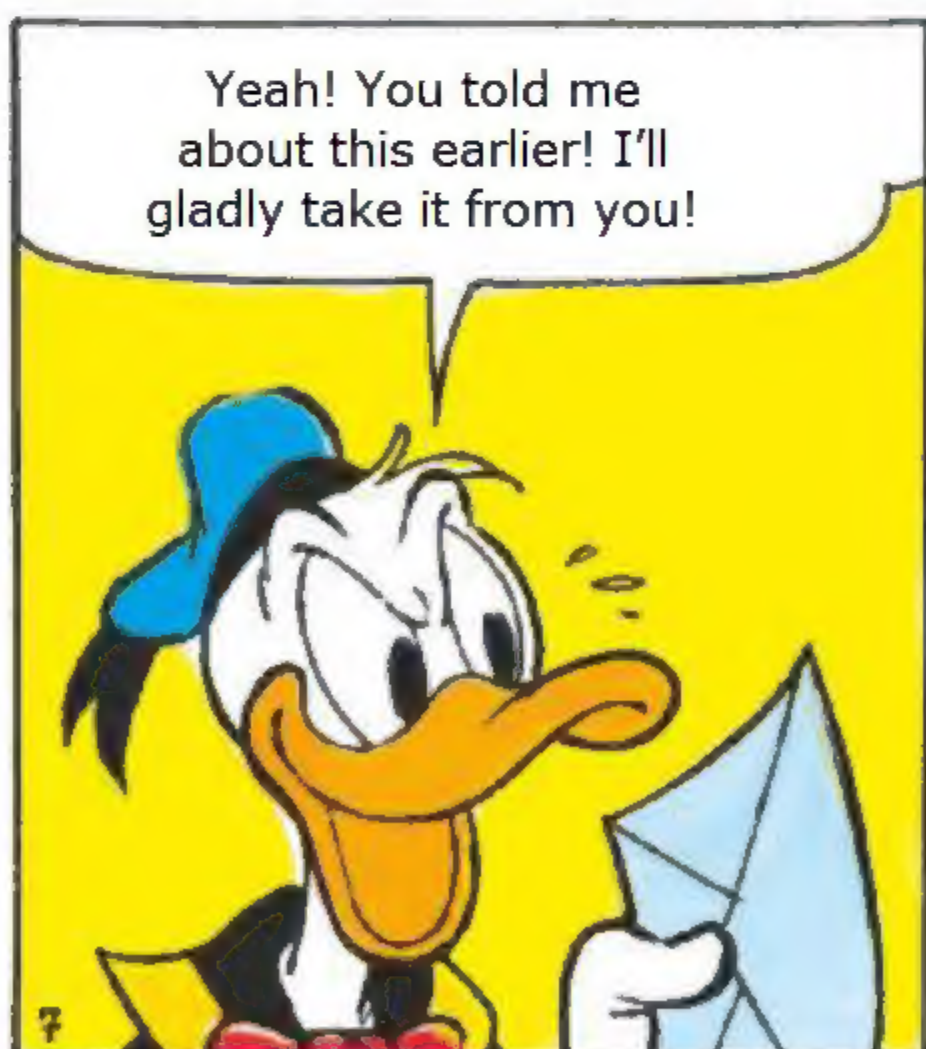

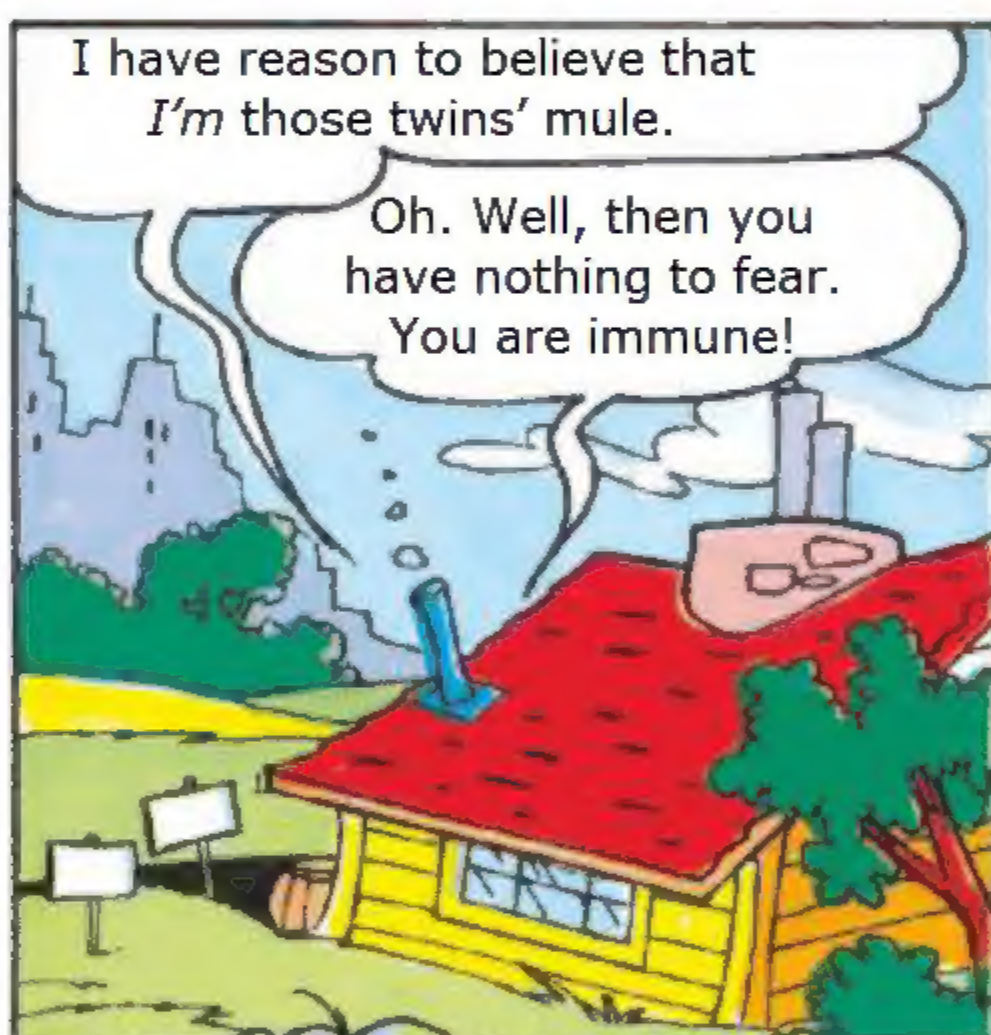

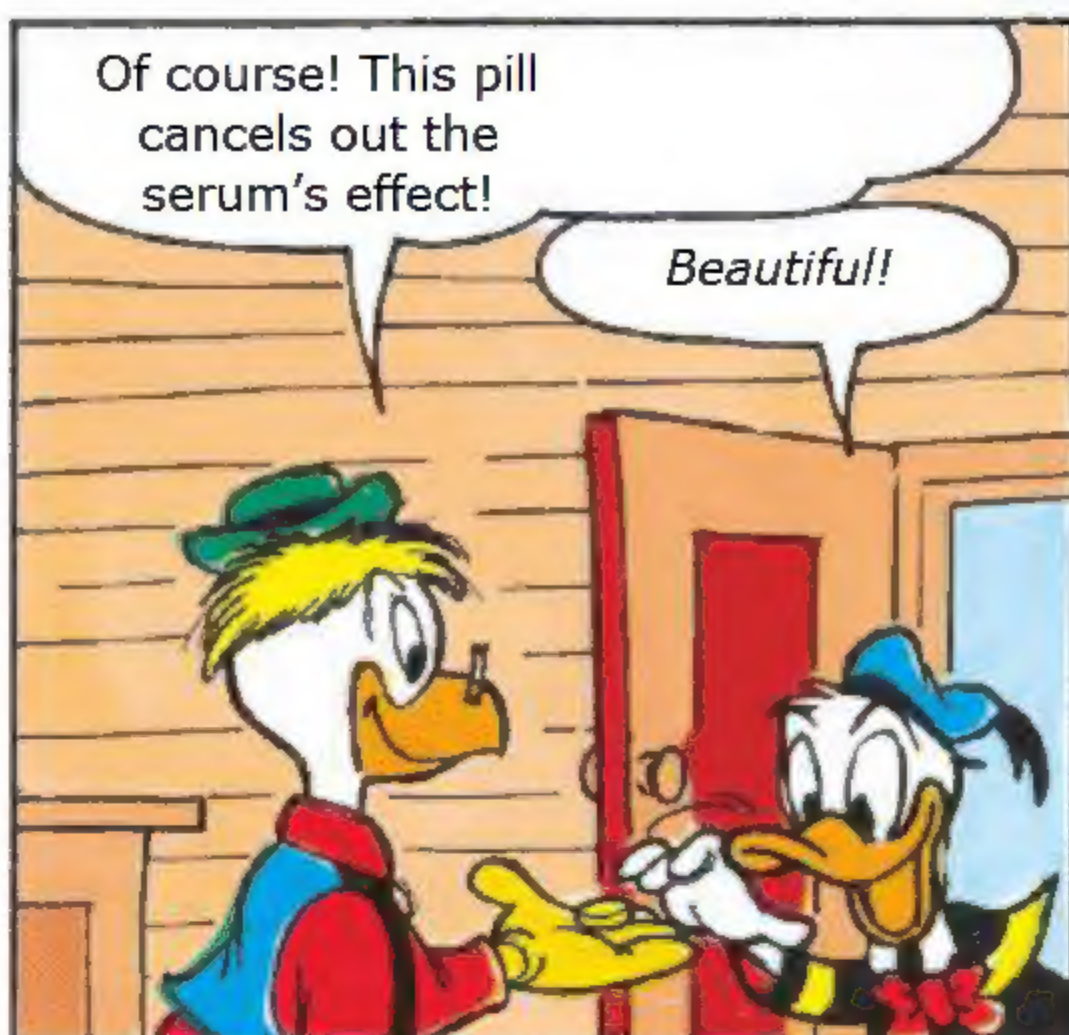

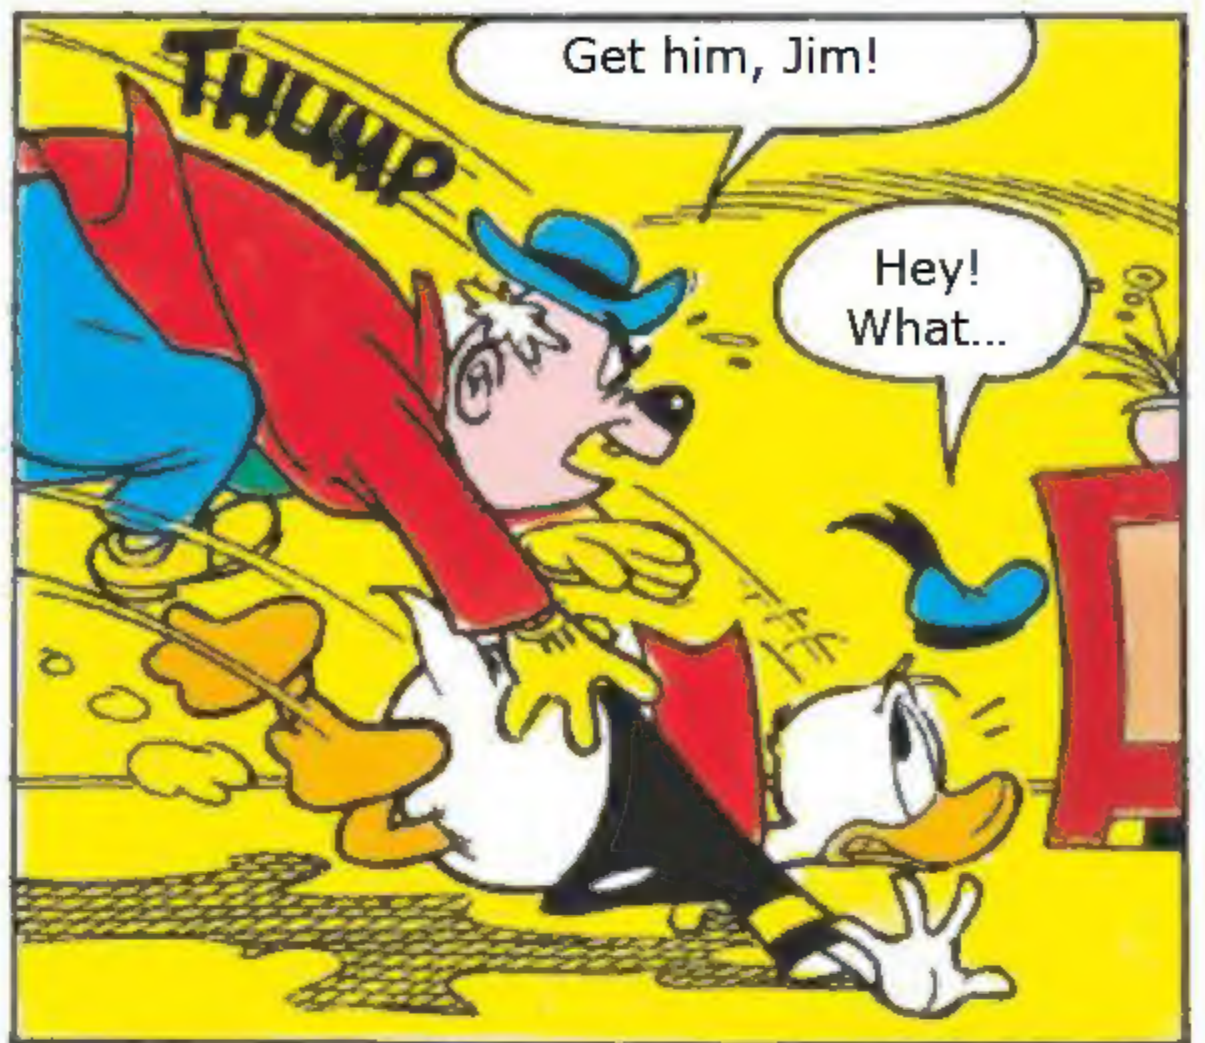

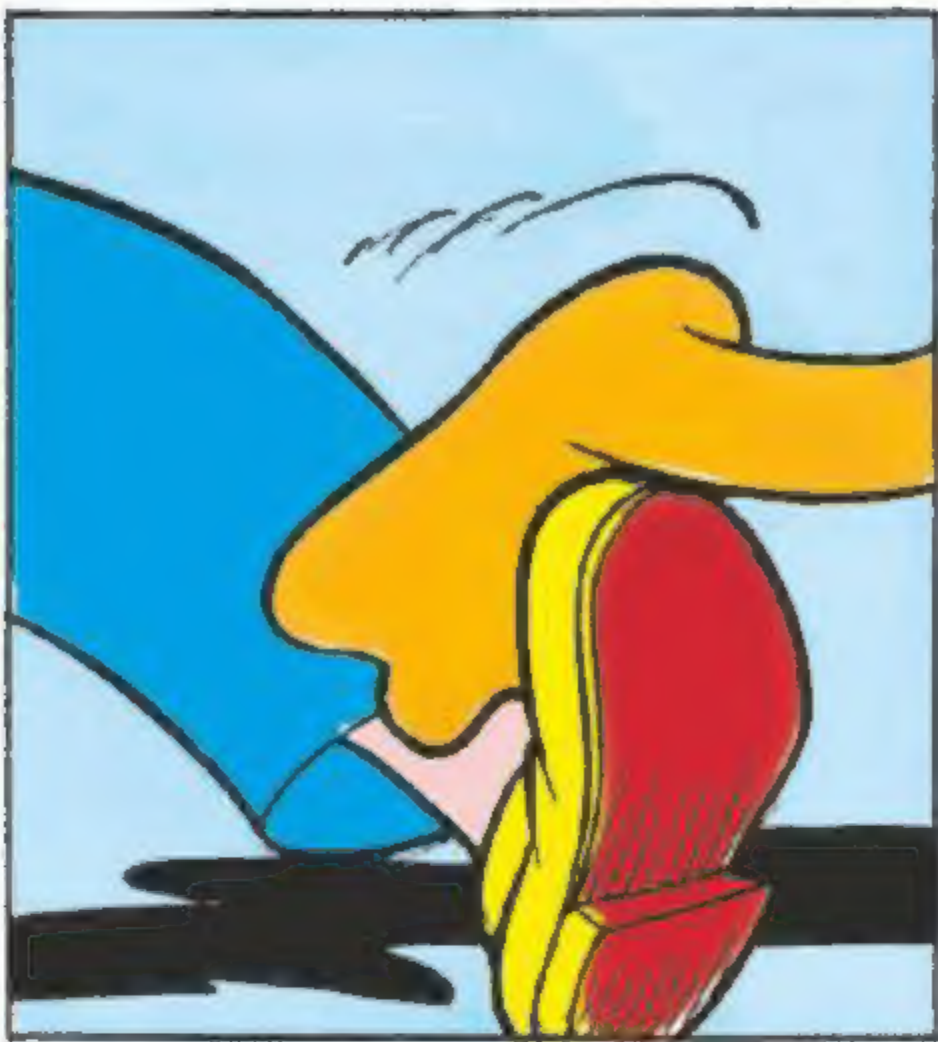

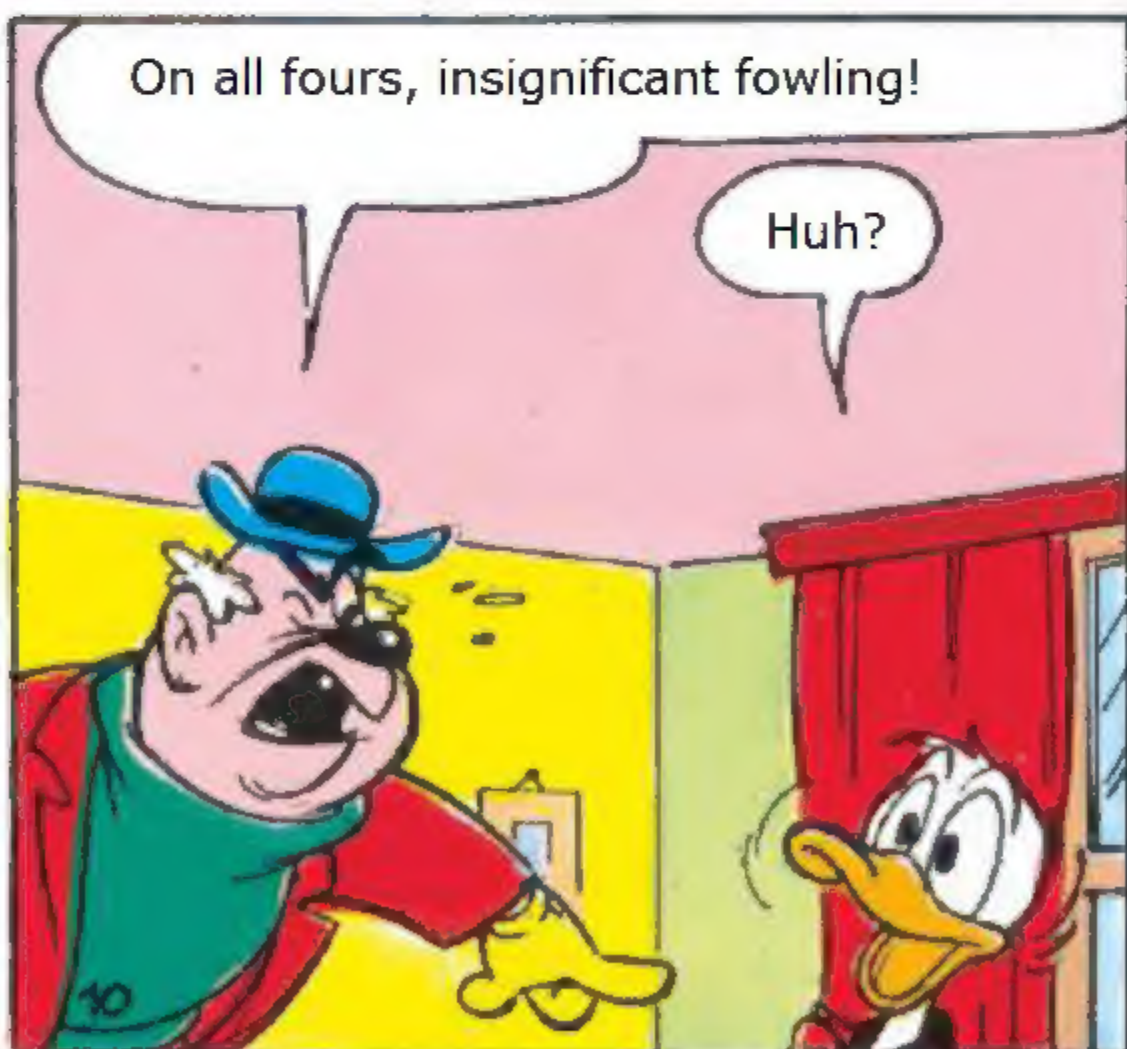

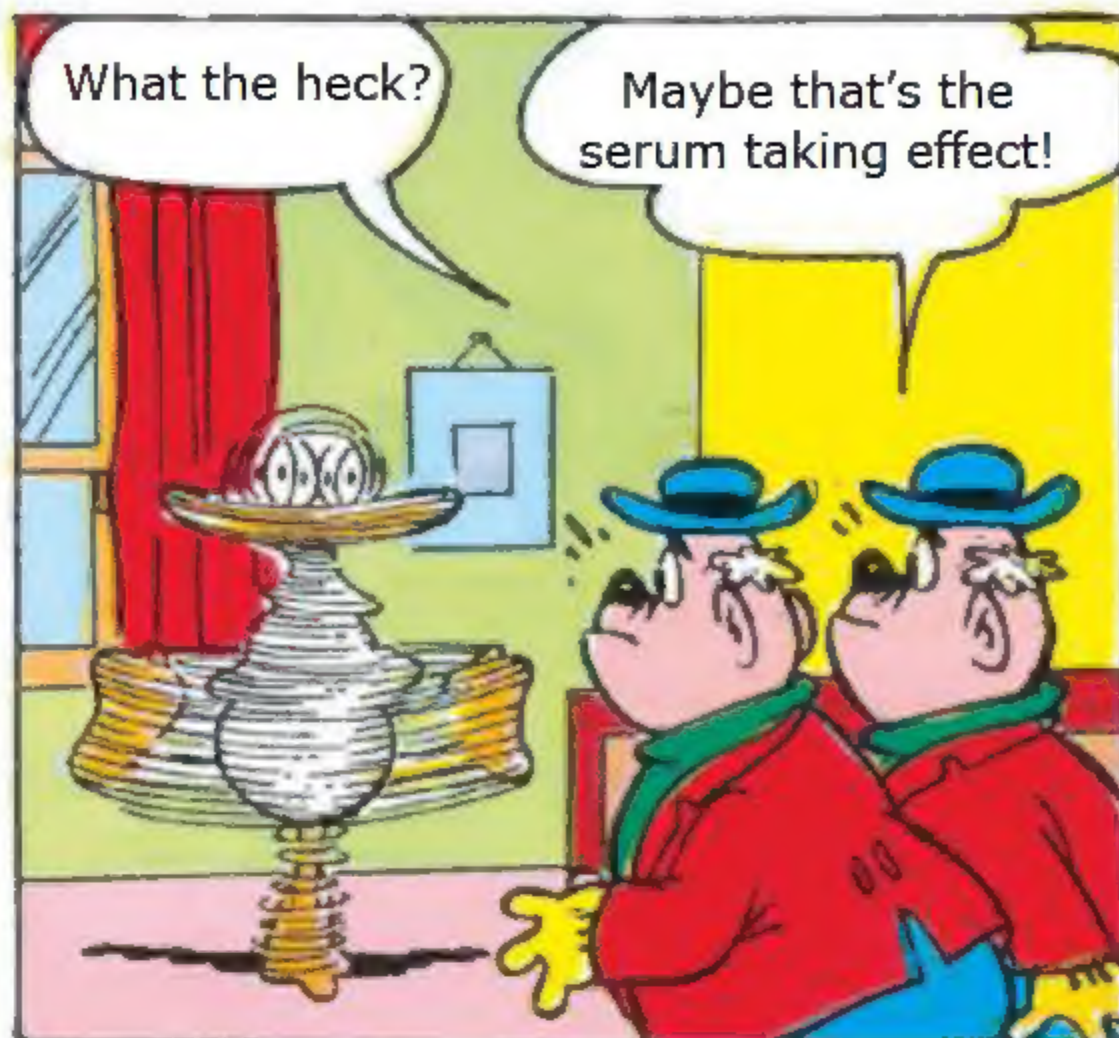

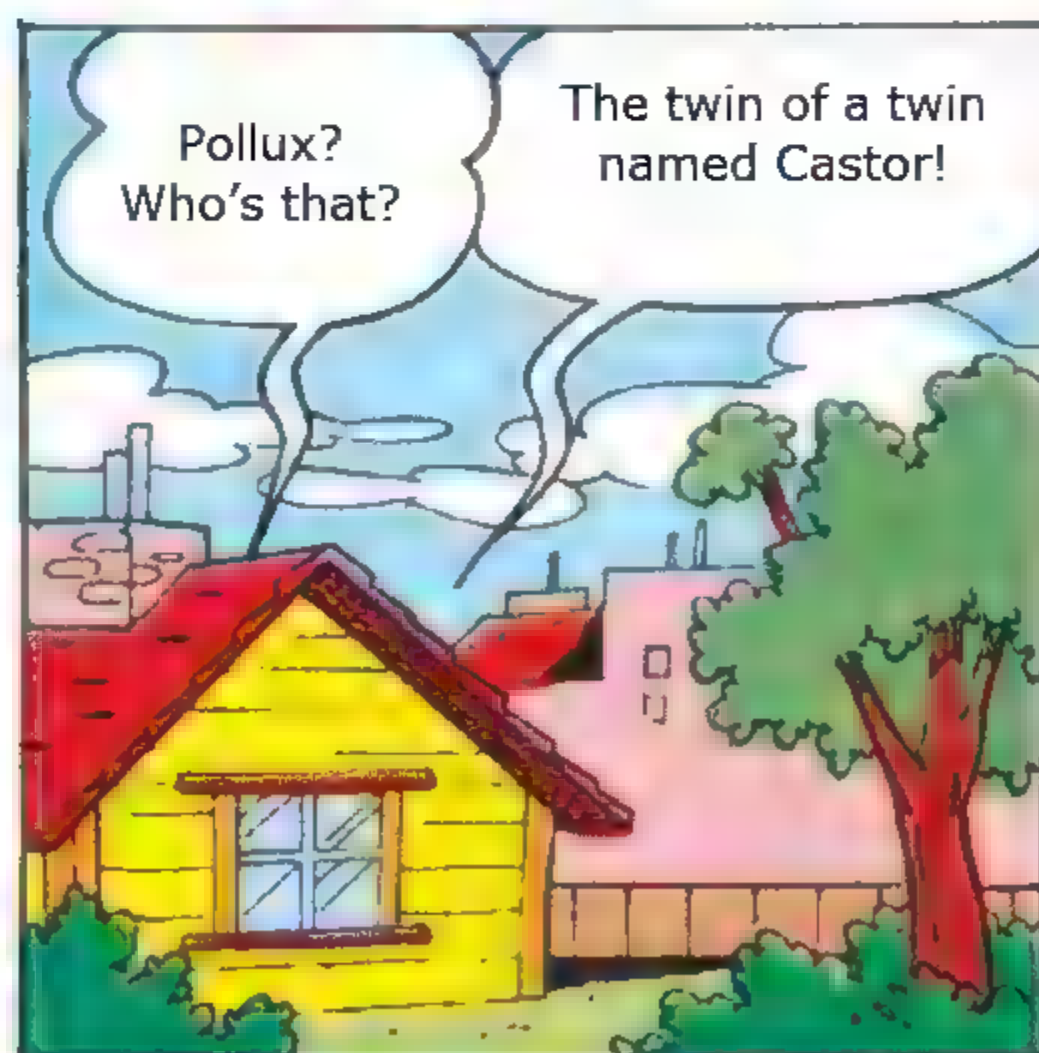

But those two
fools have
already
returned!

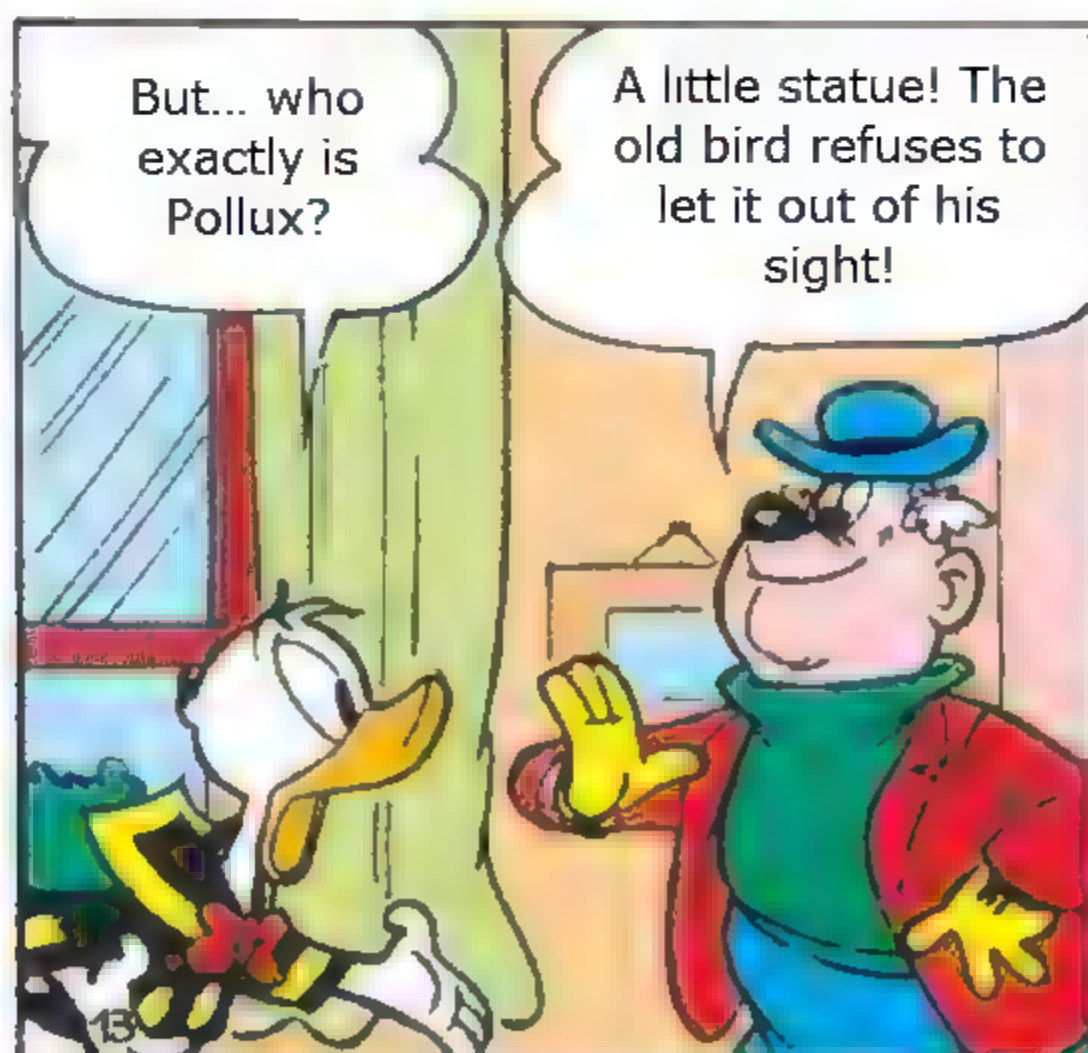

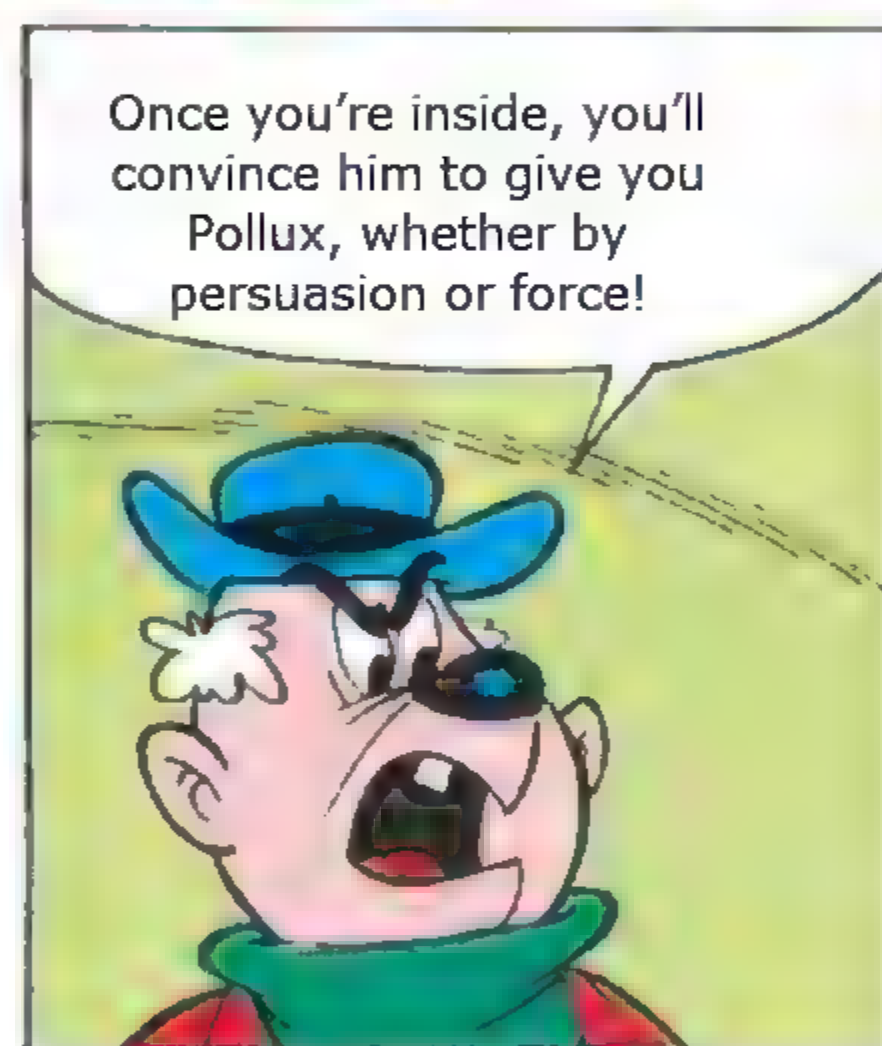

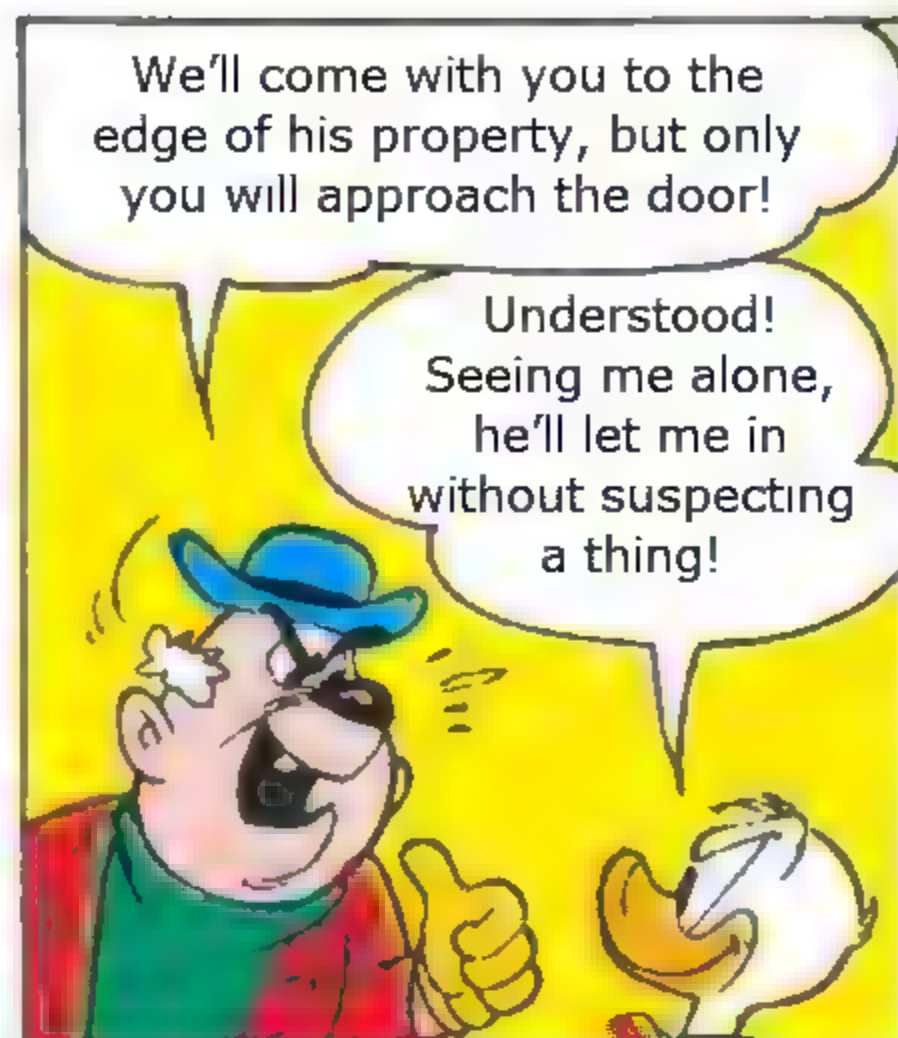

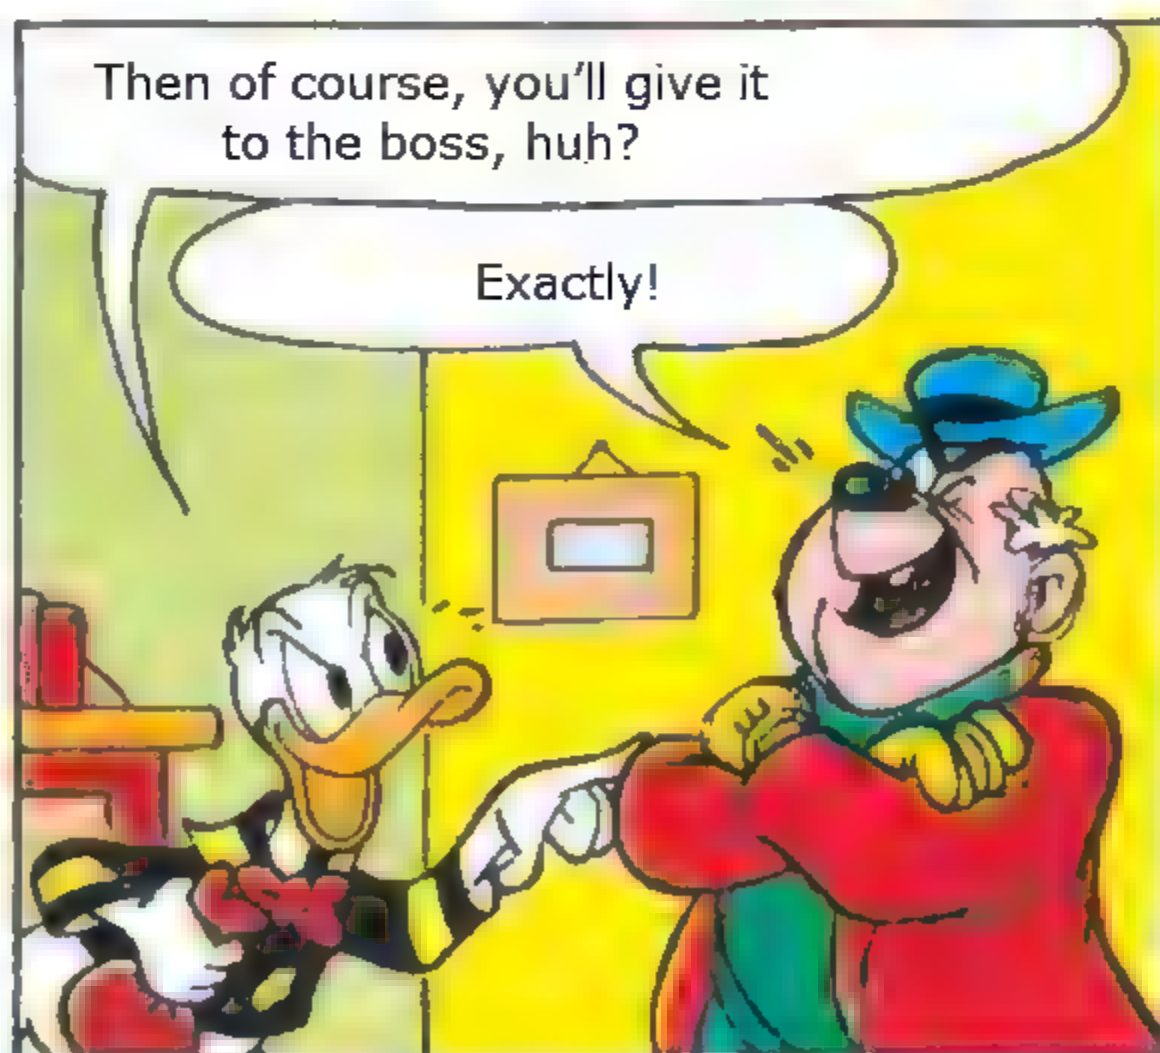

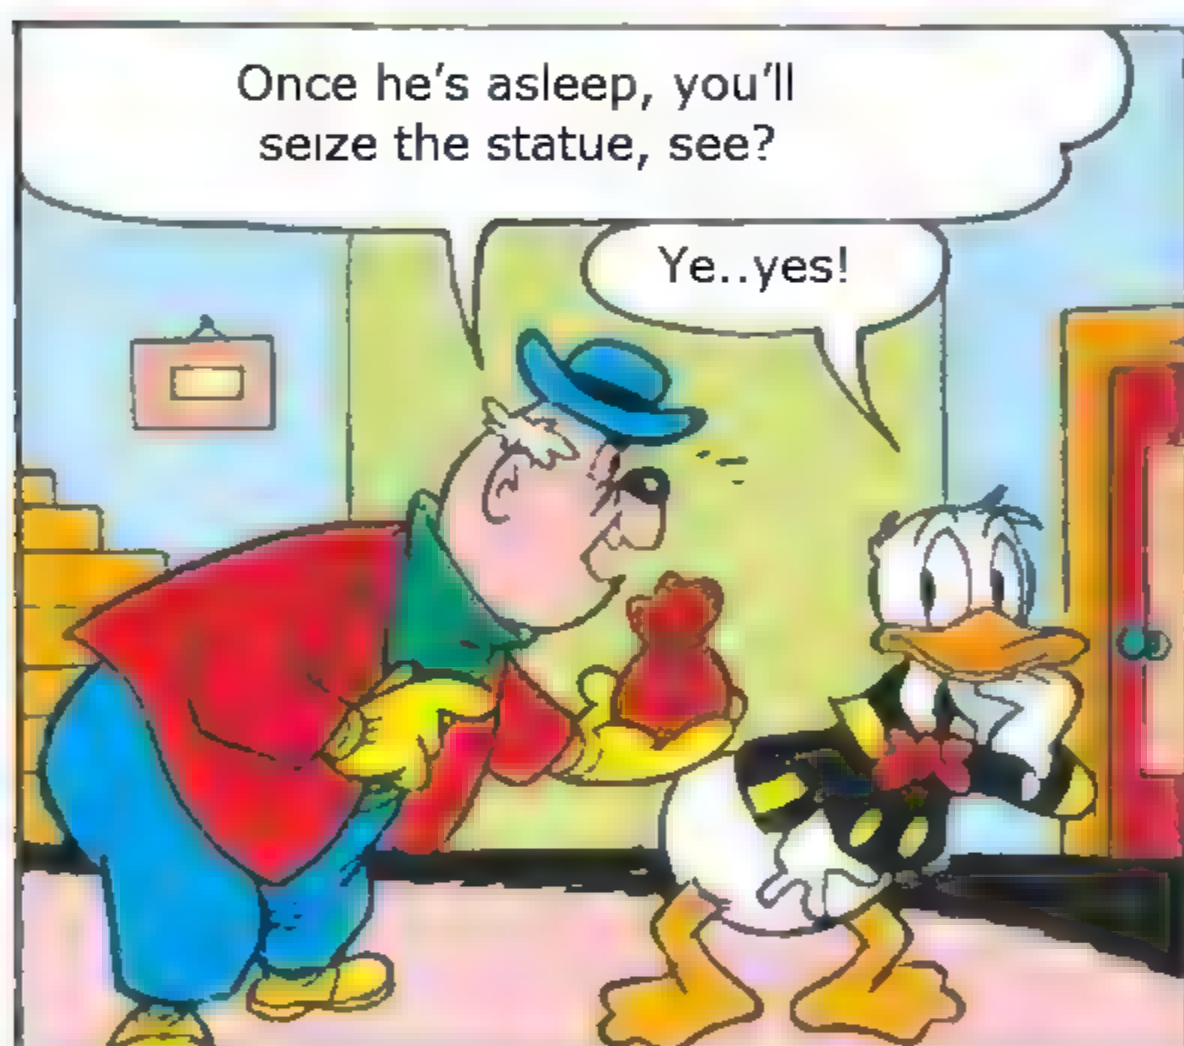

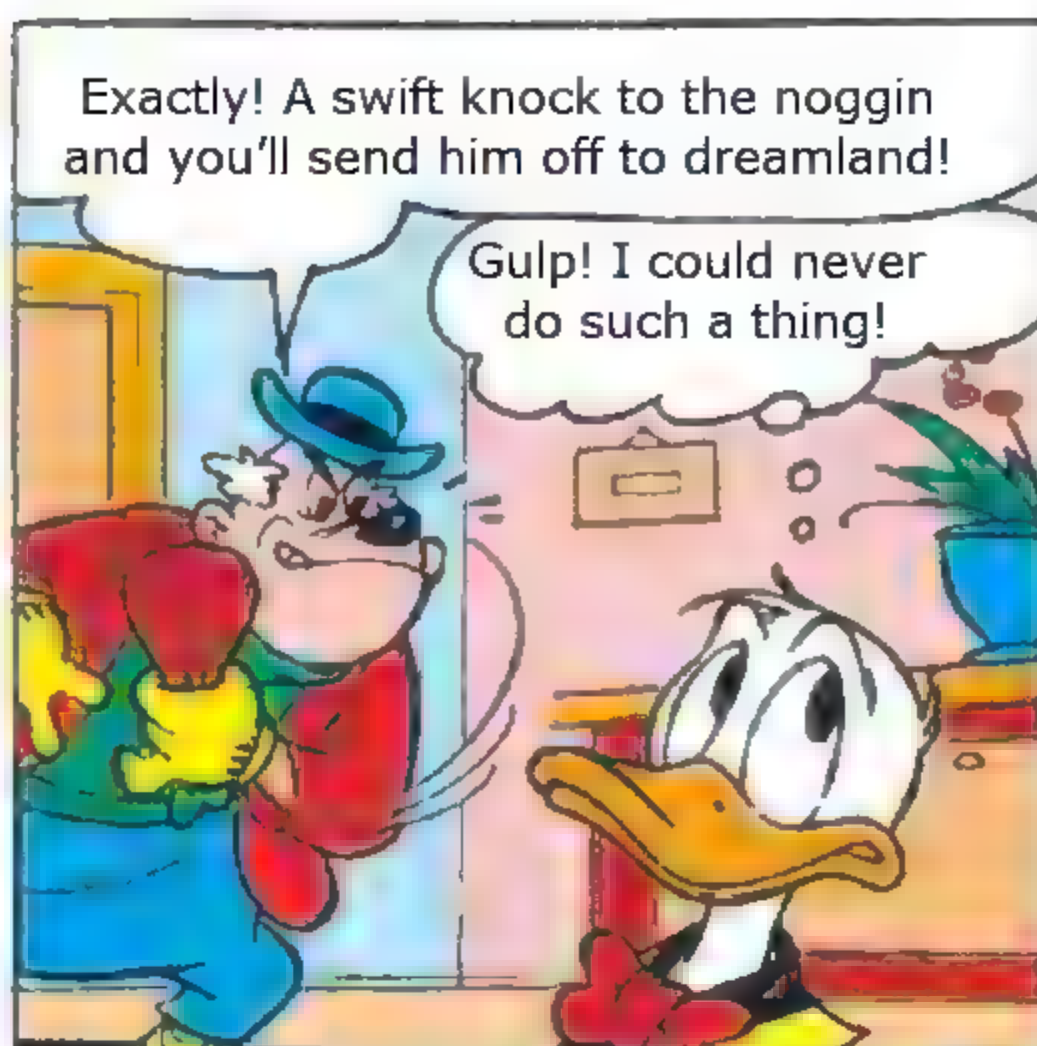

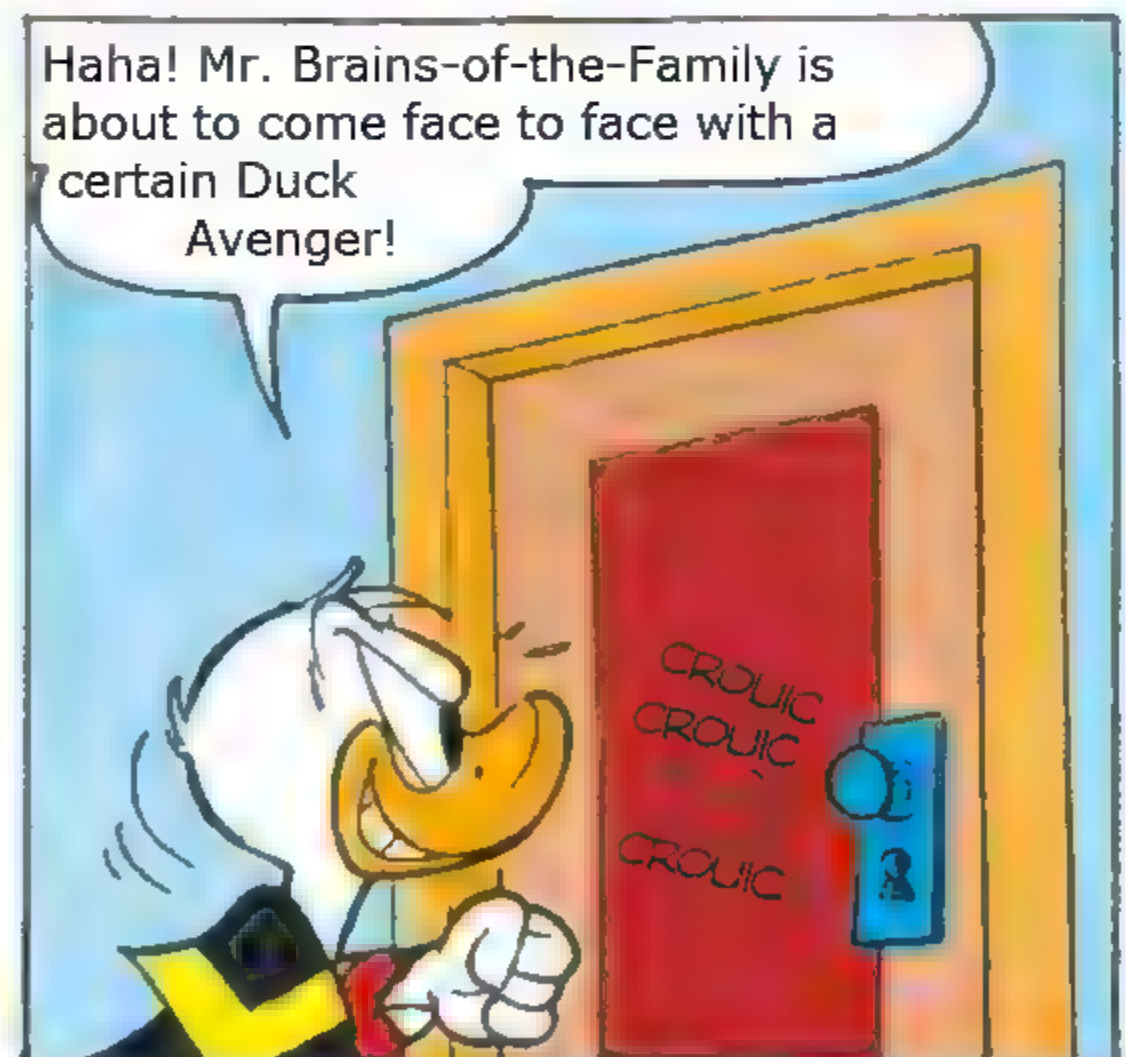

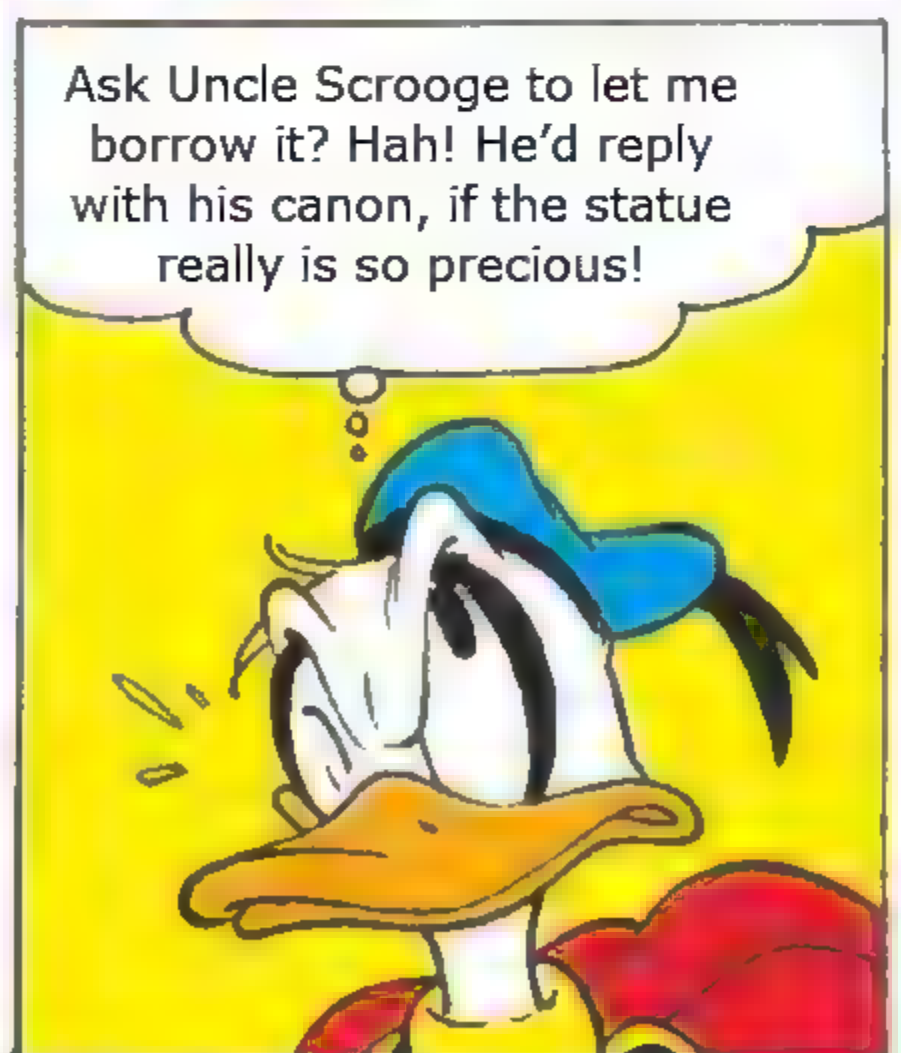

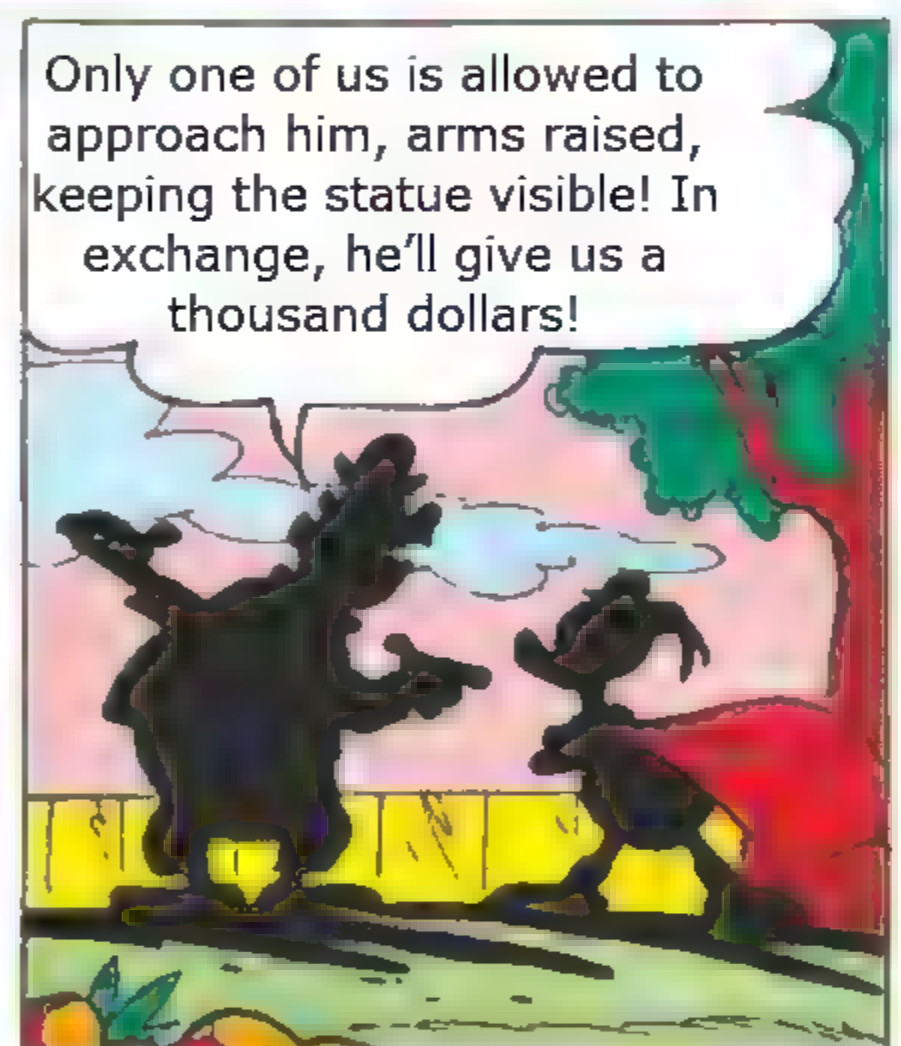

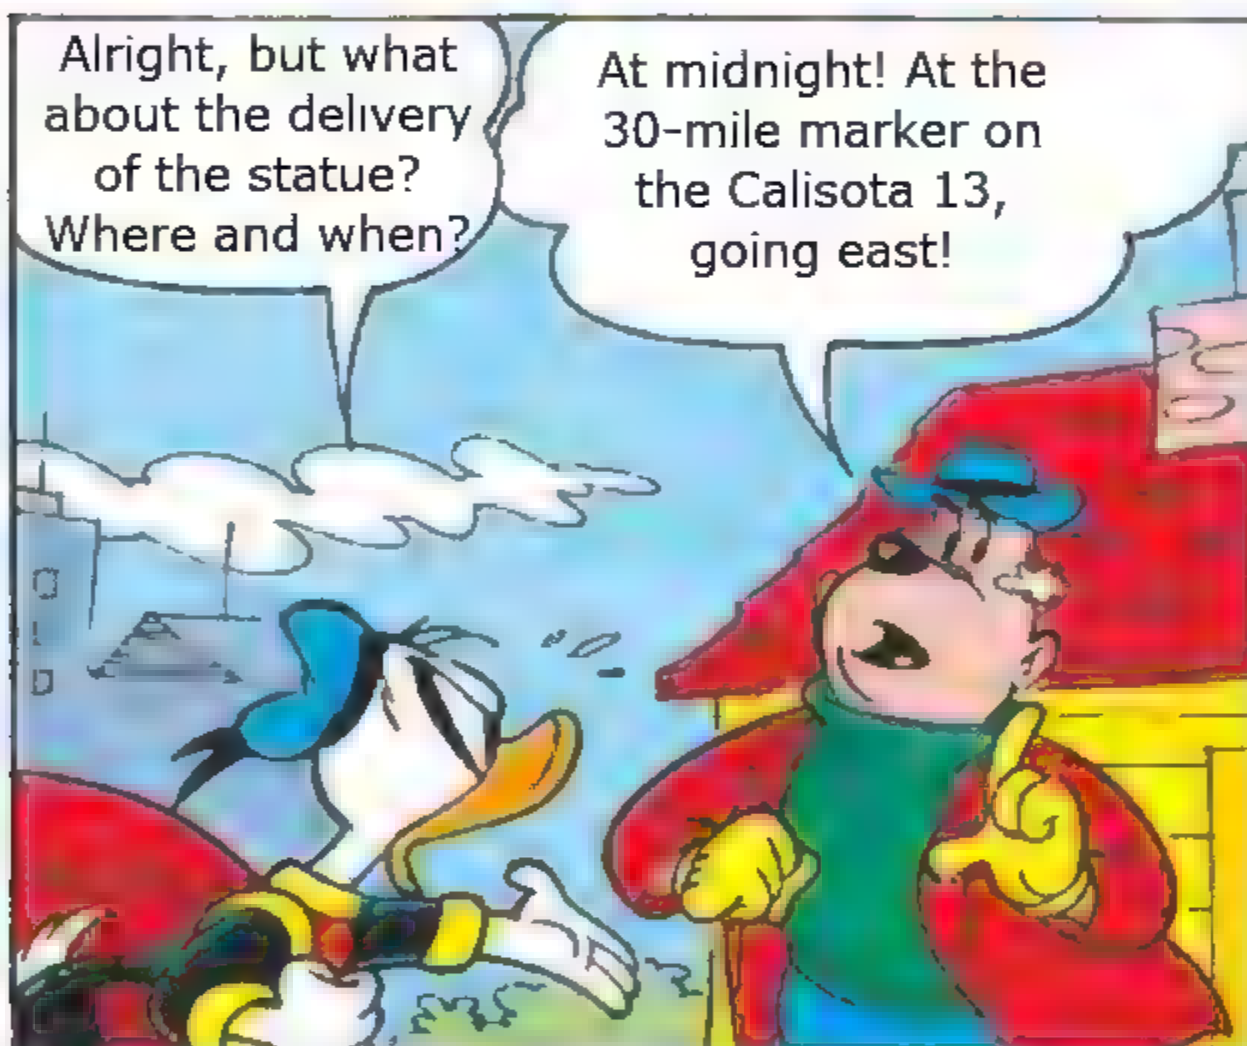

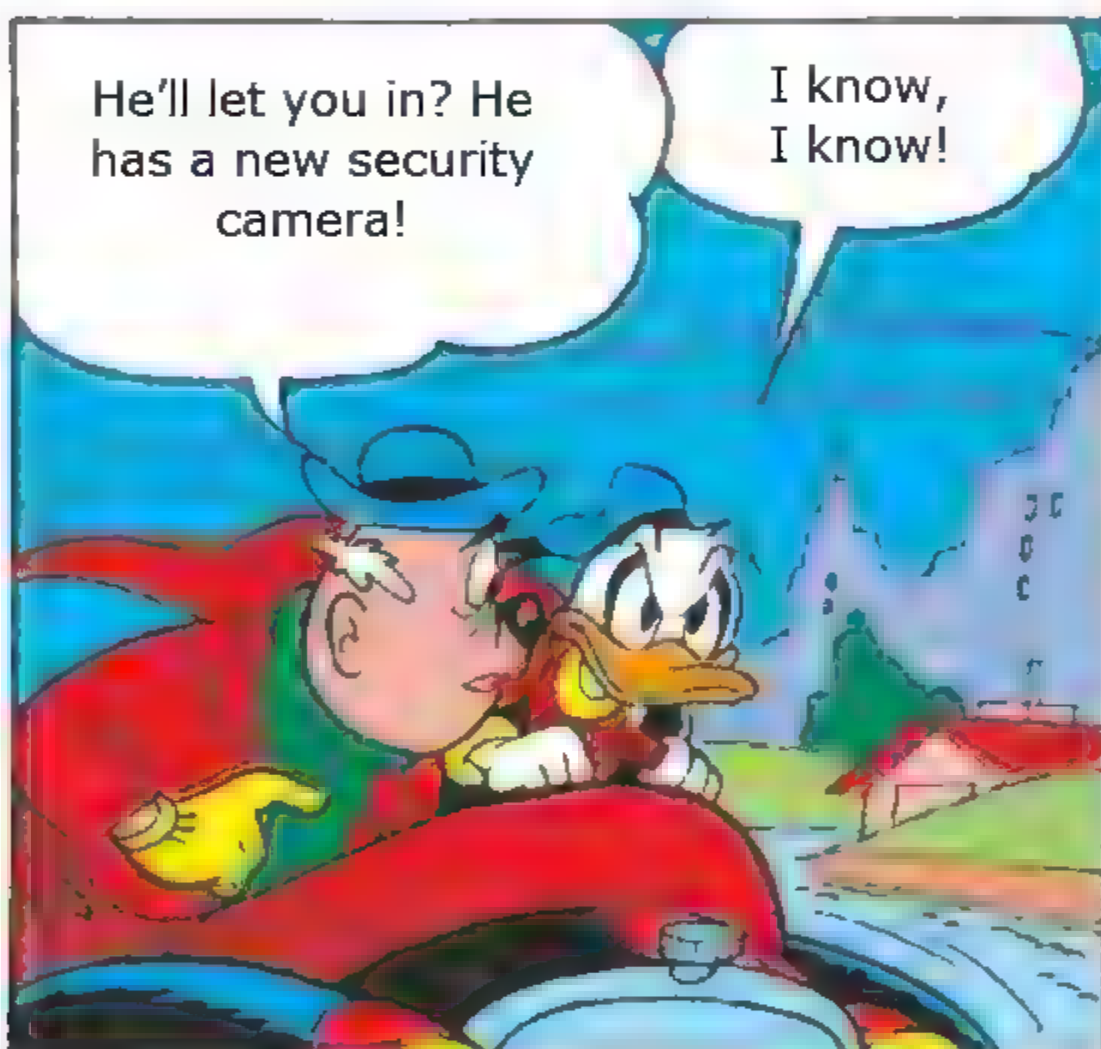

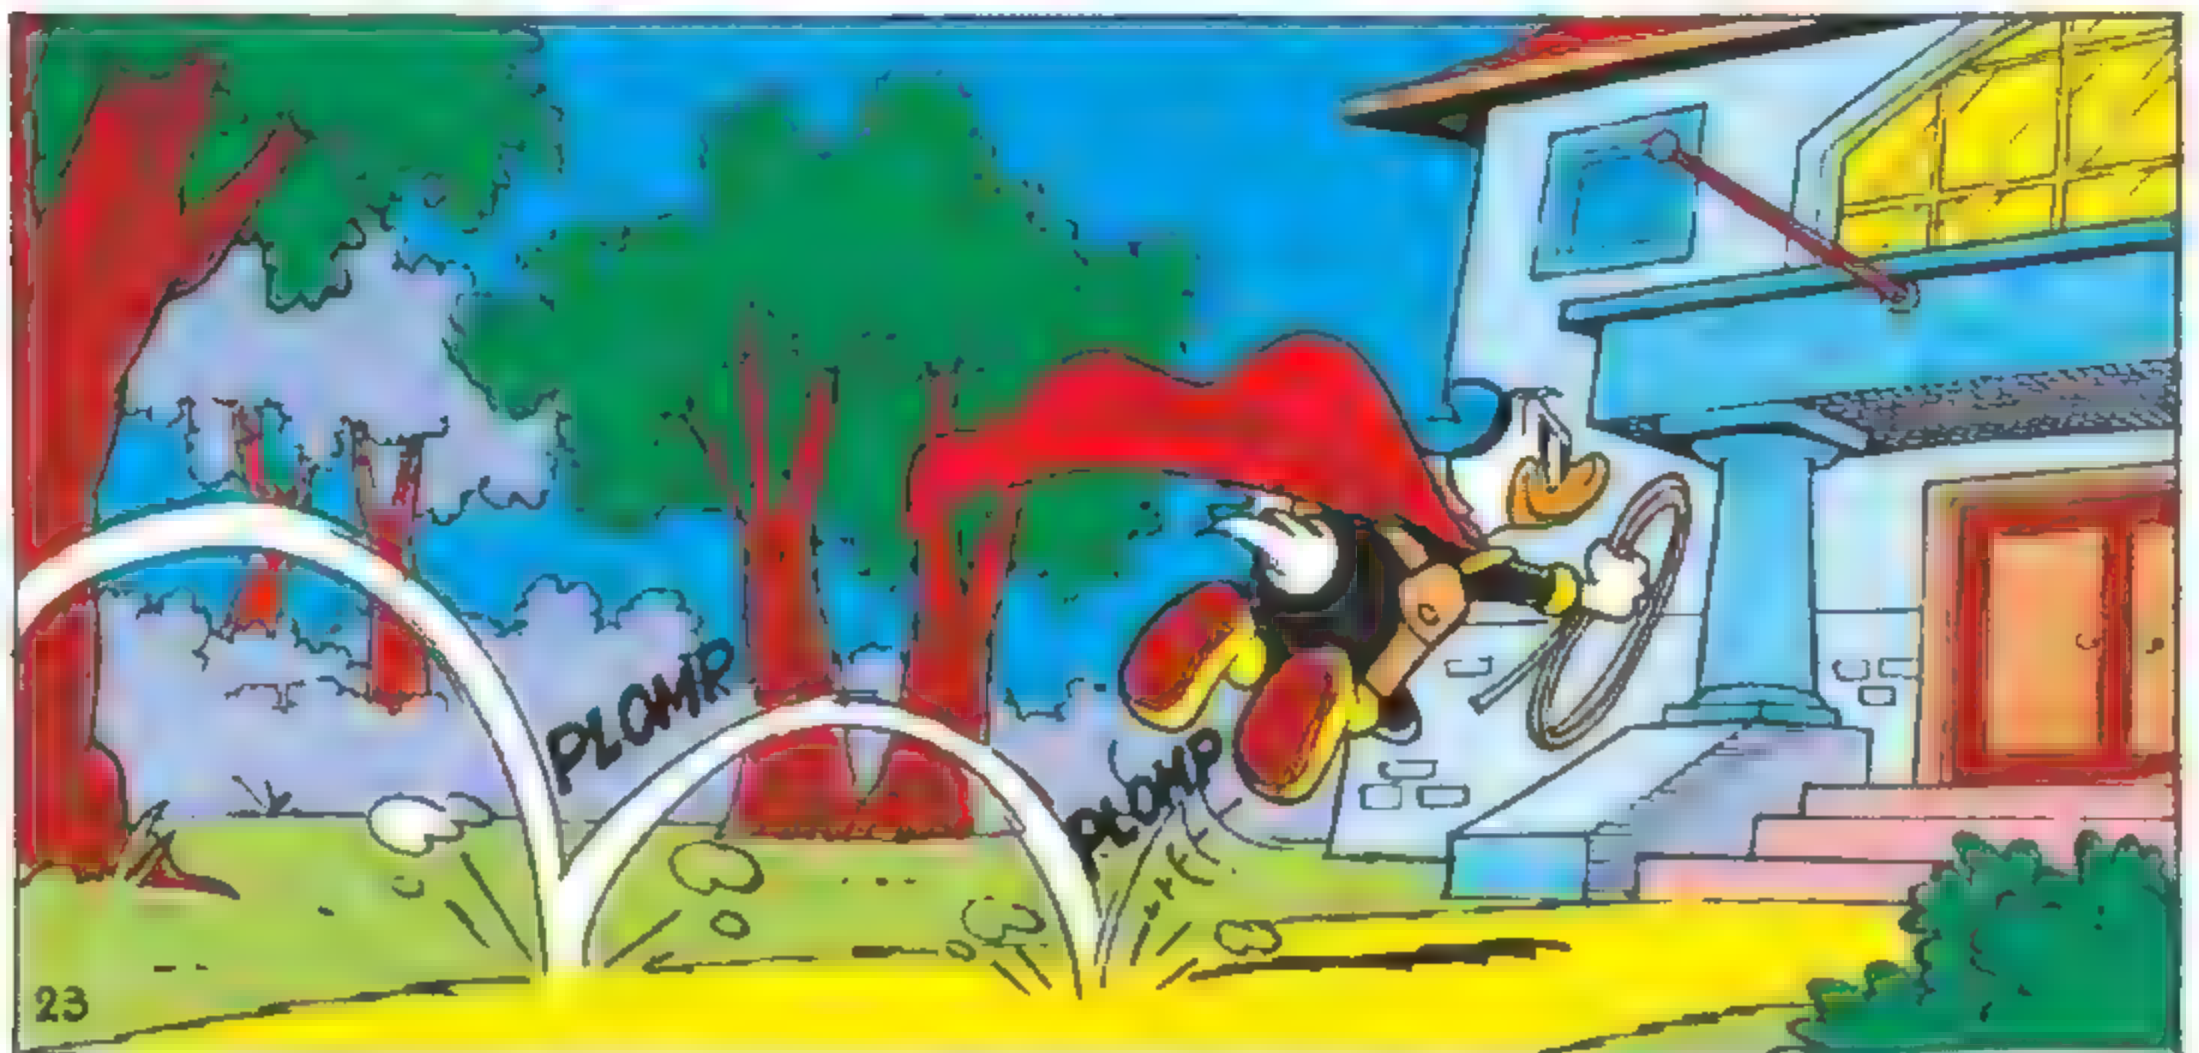

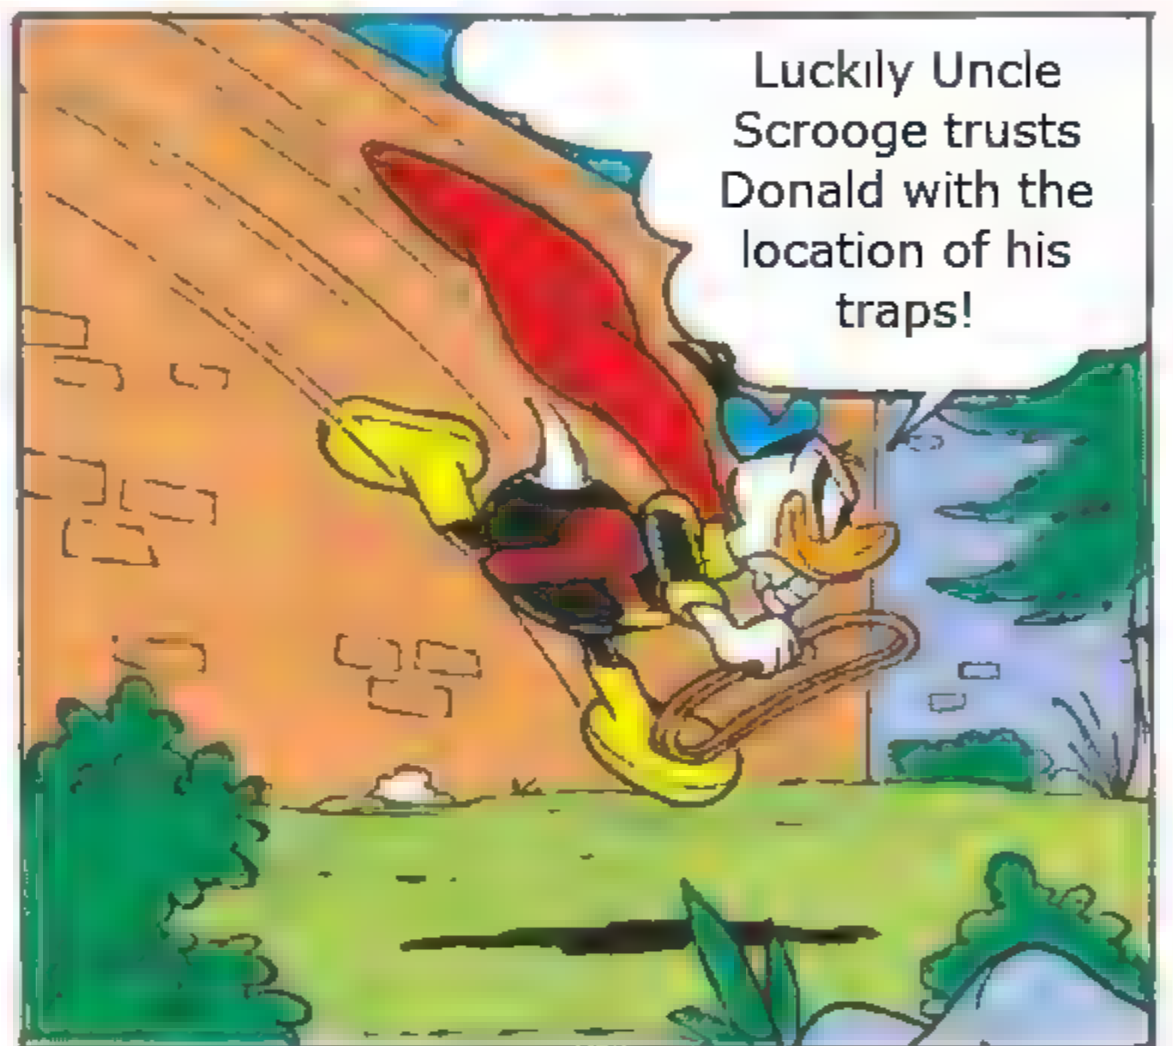

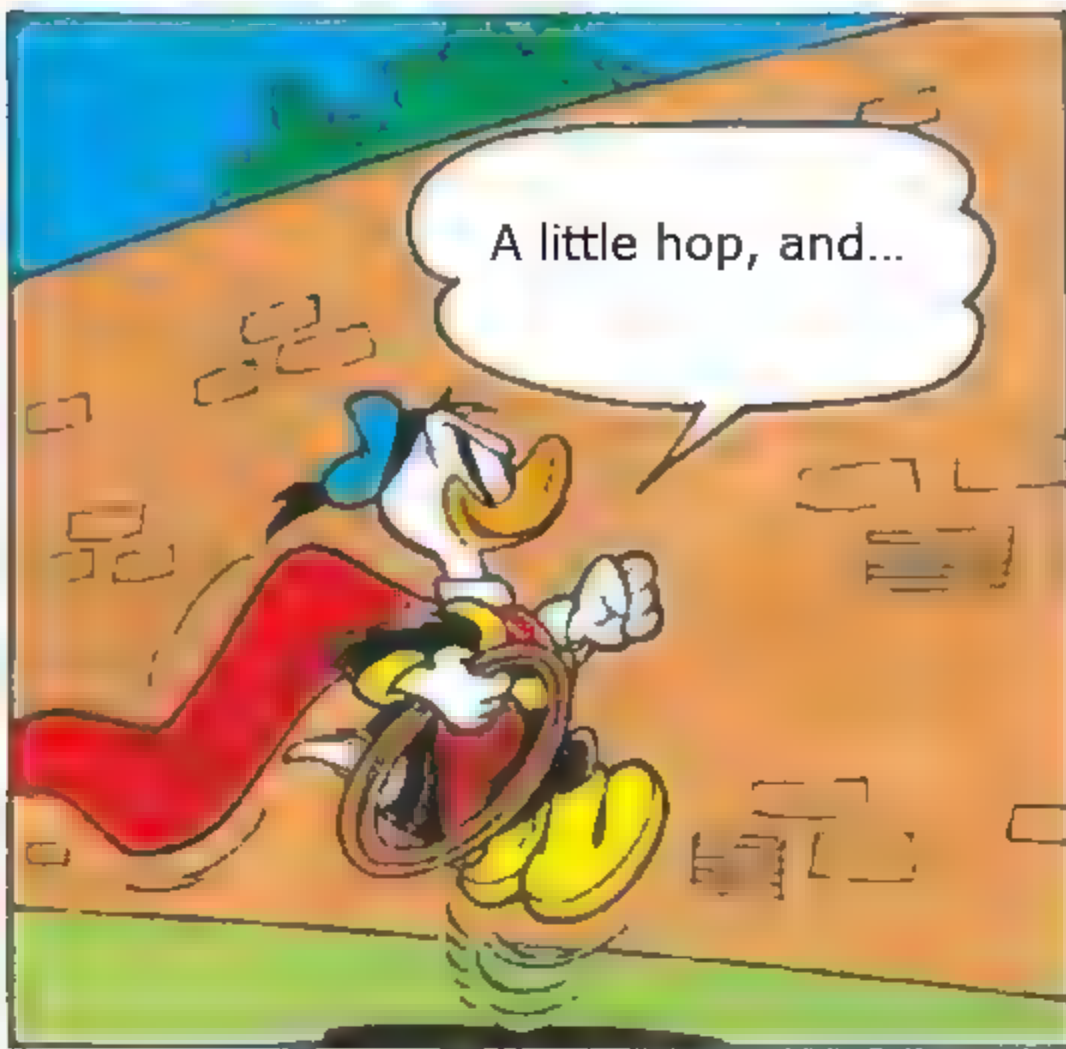

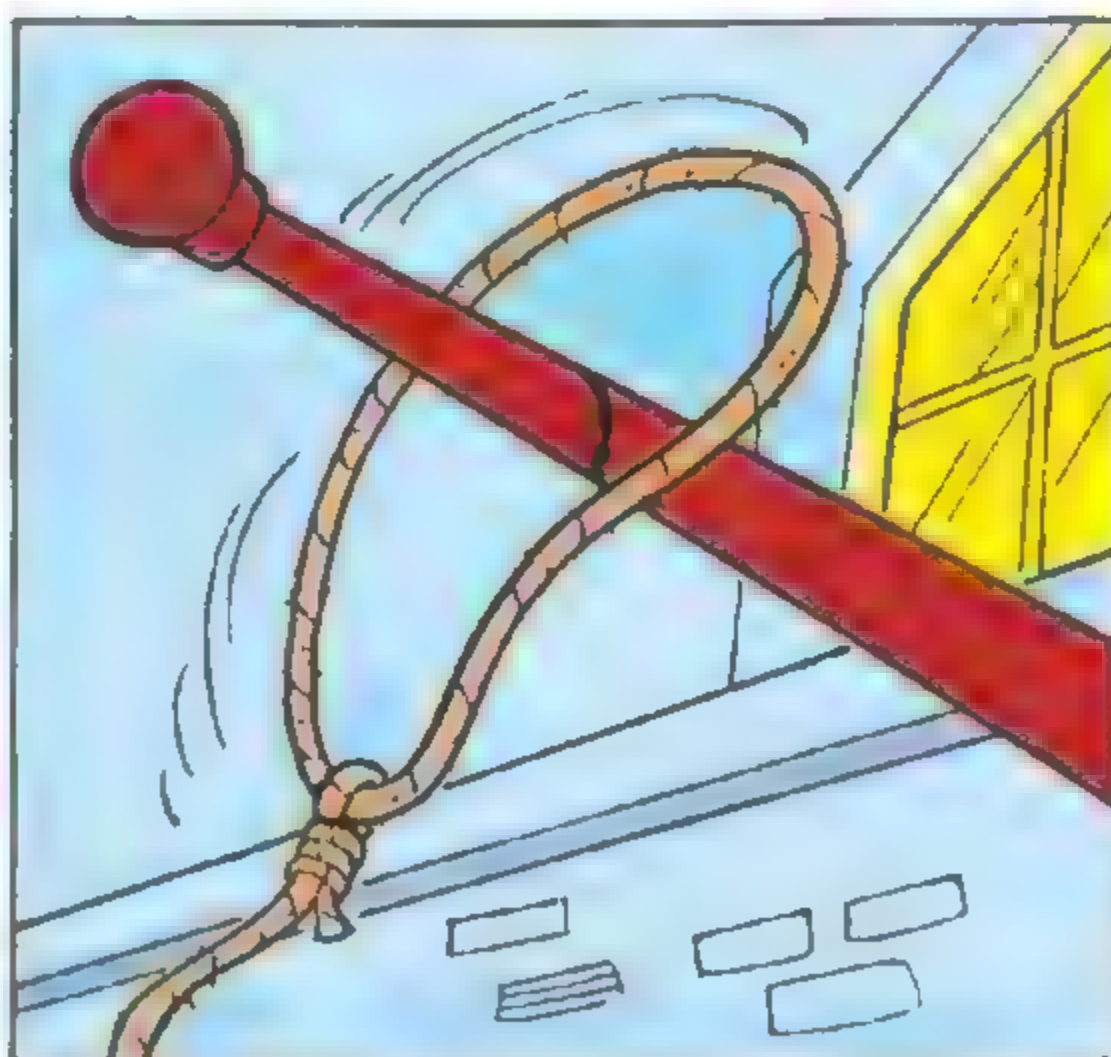

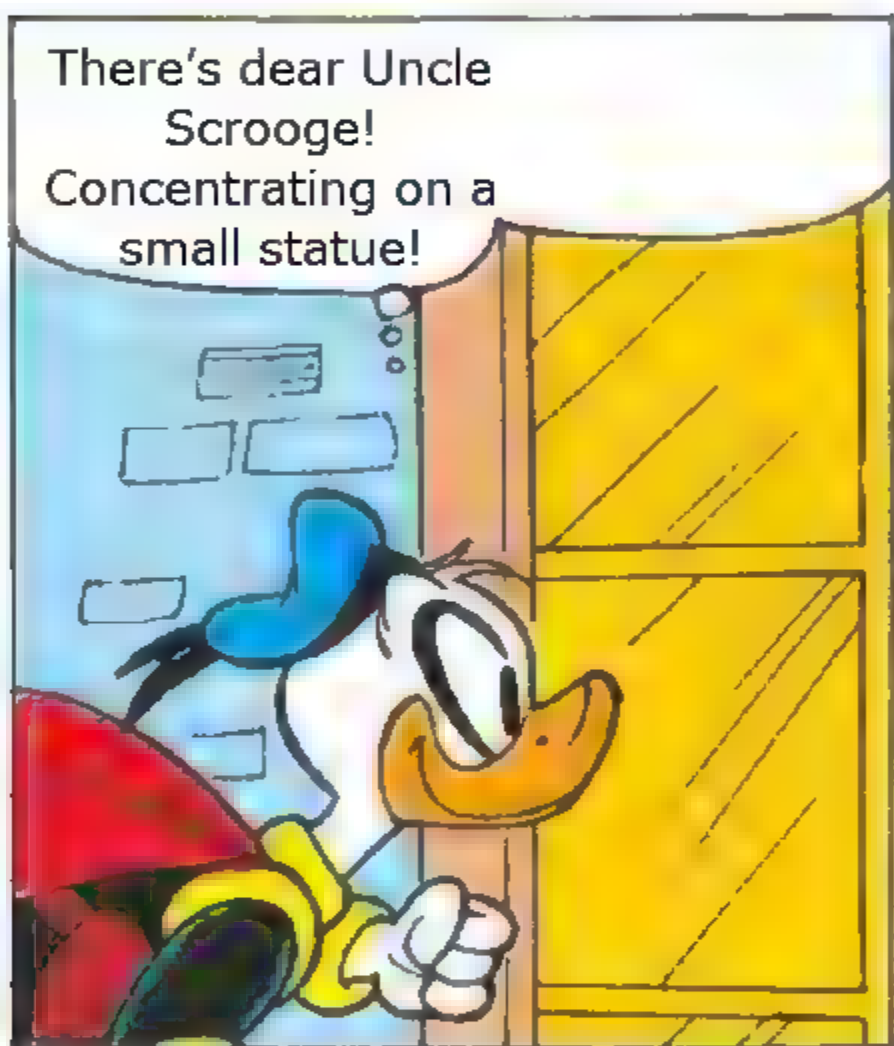

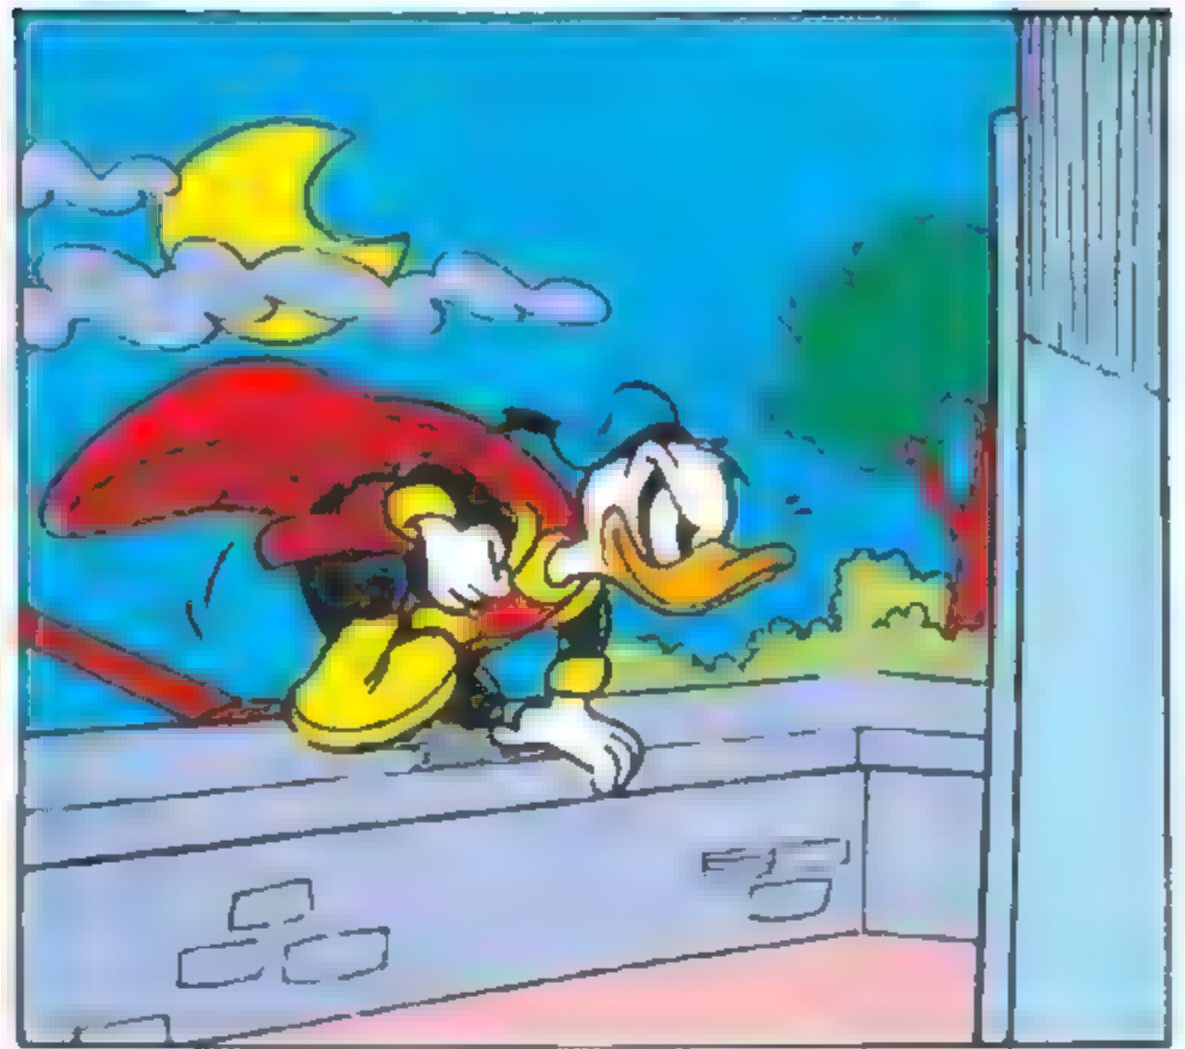

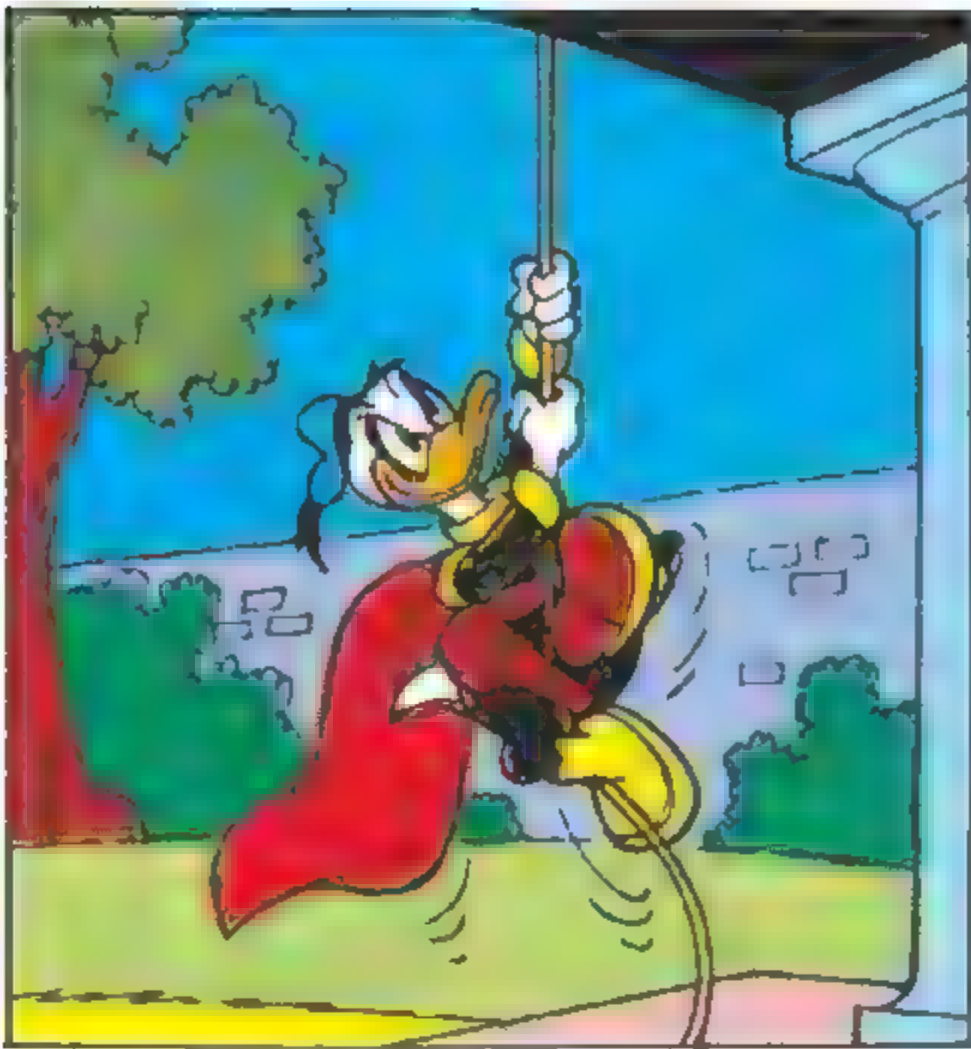

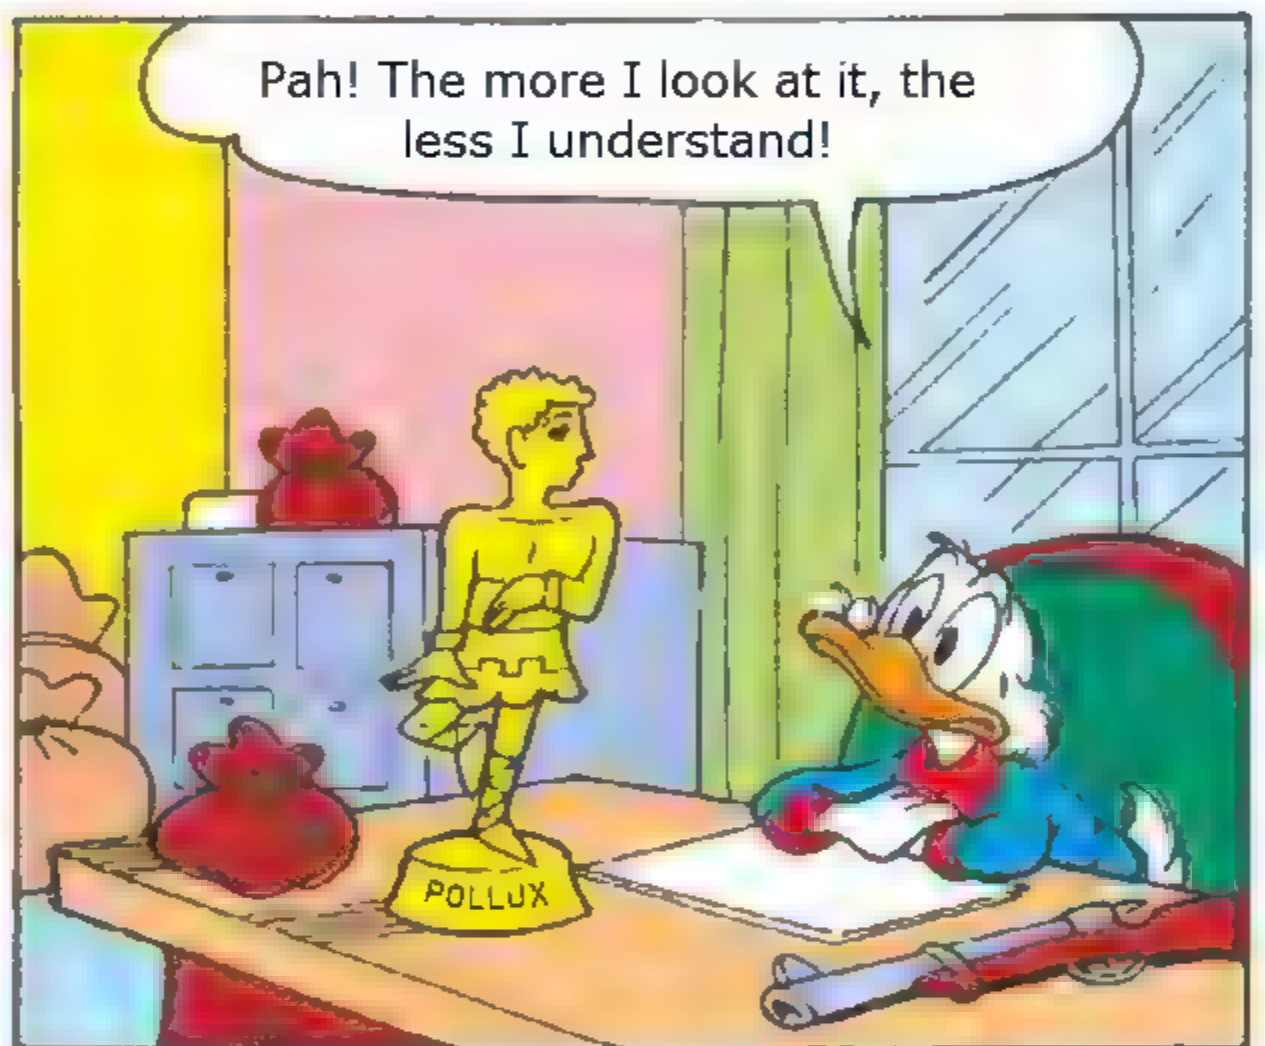

There's dear Uncle
Scrooge!
Concentrating on a
small statue!

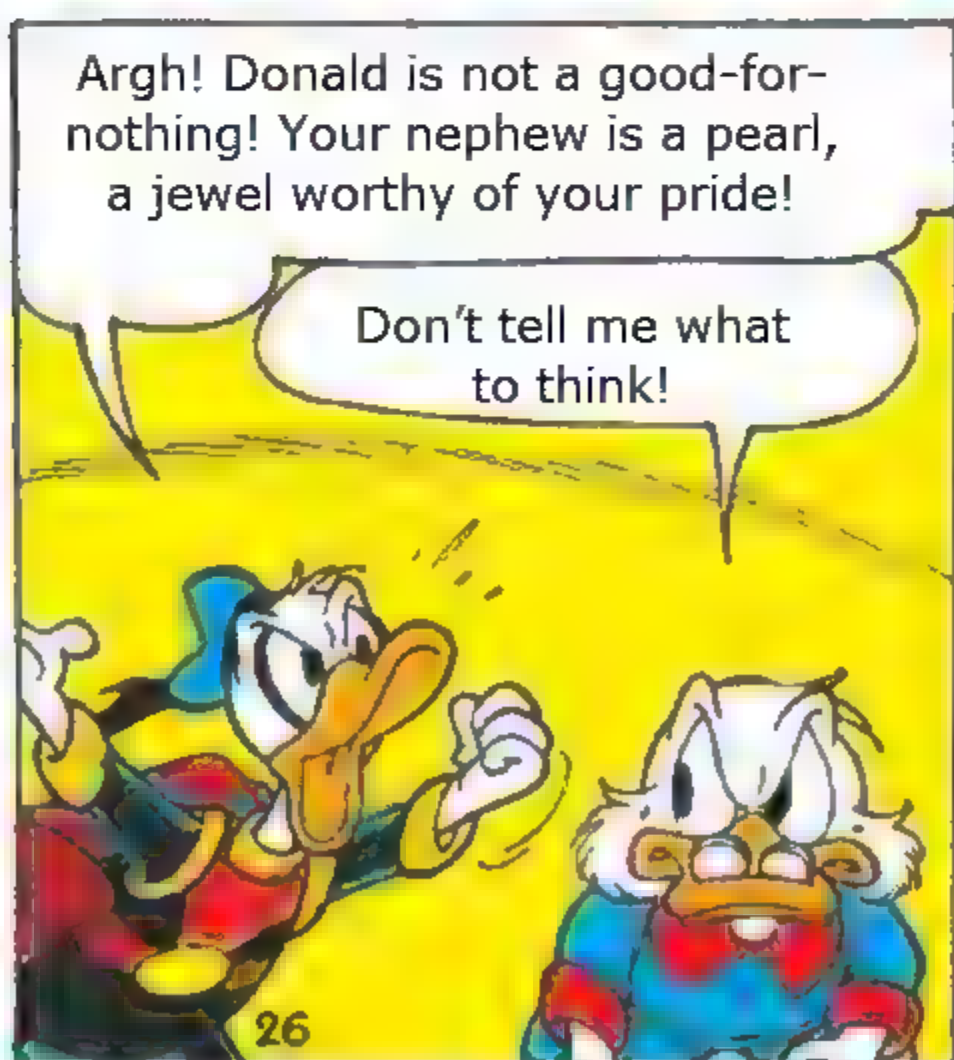

Pah! The more I look at it, the
less I understand!

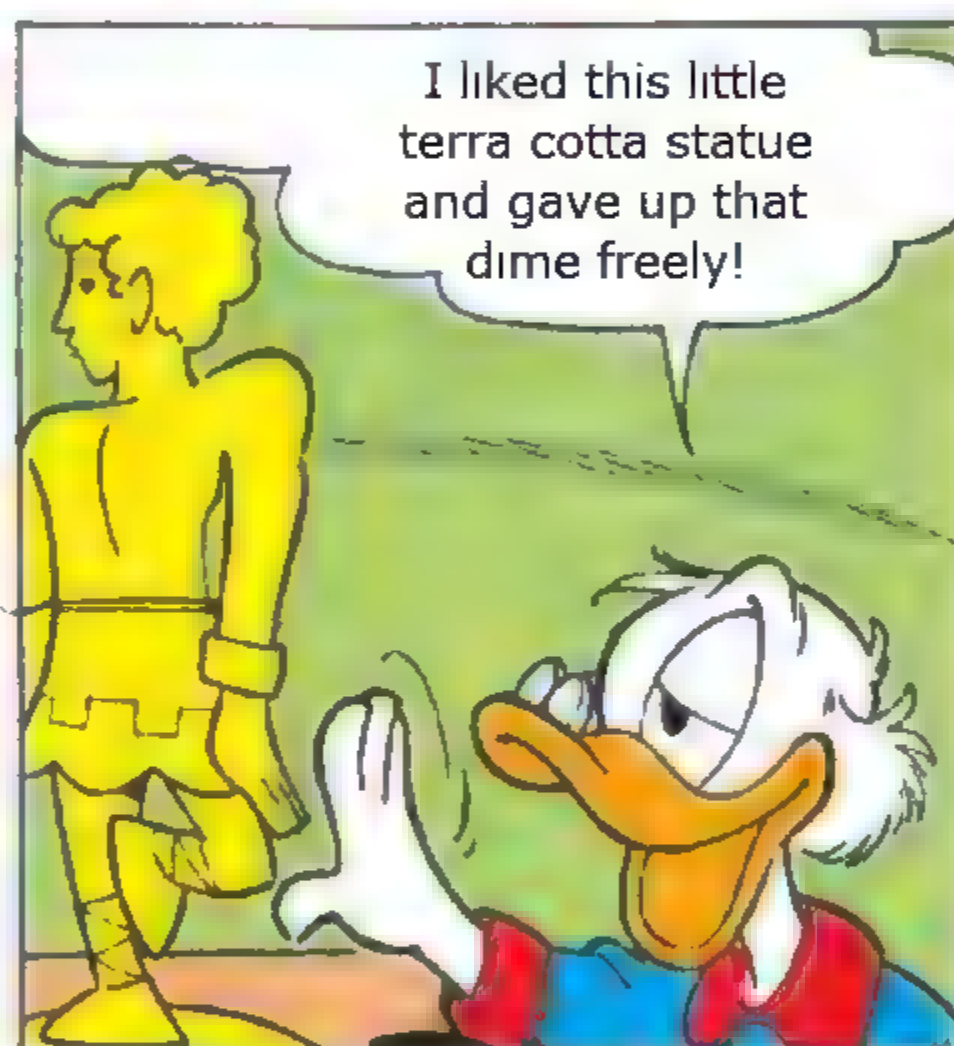

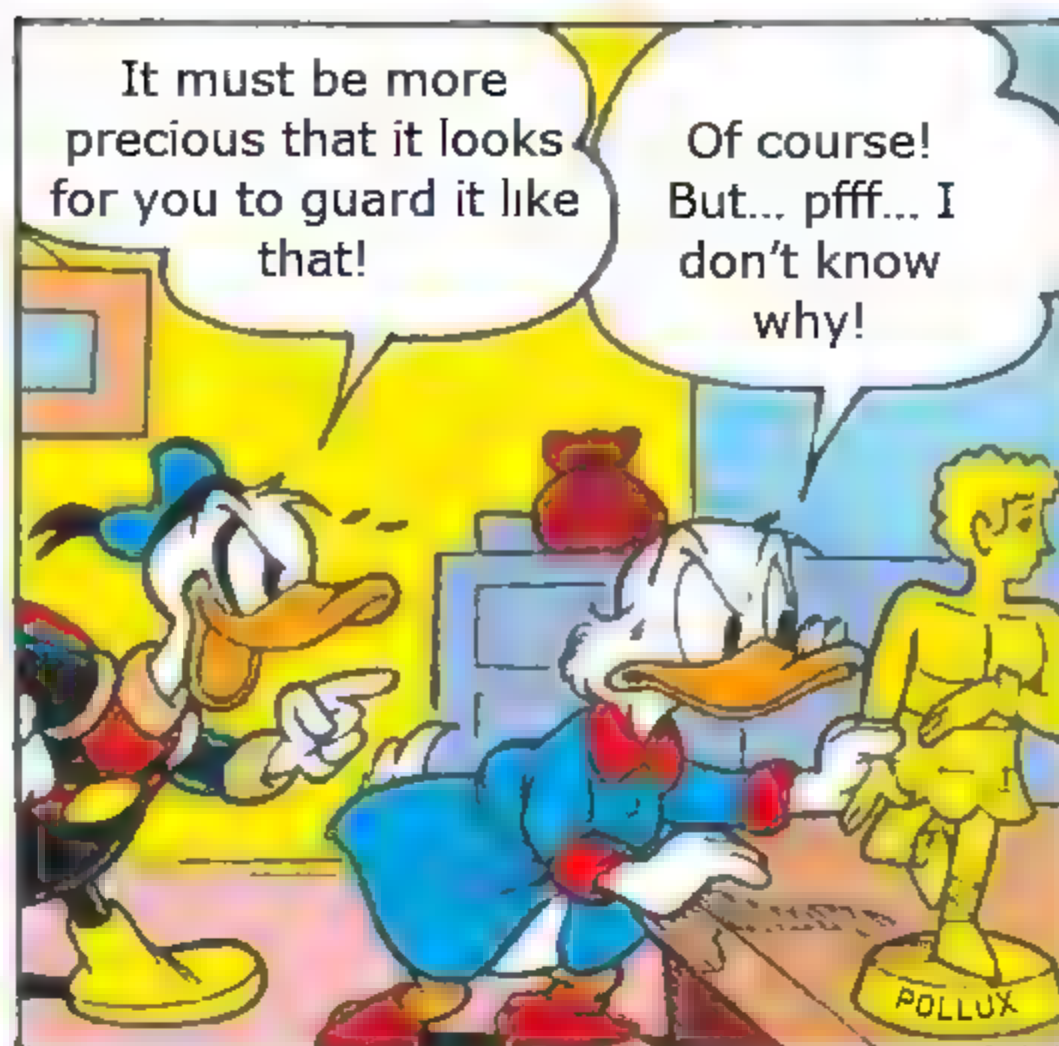

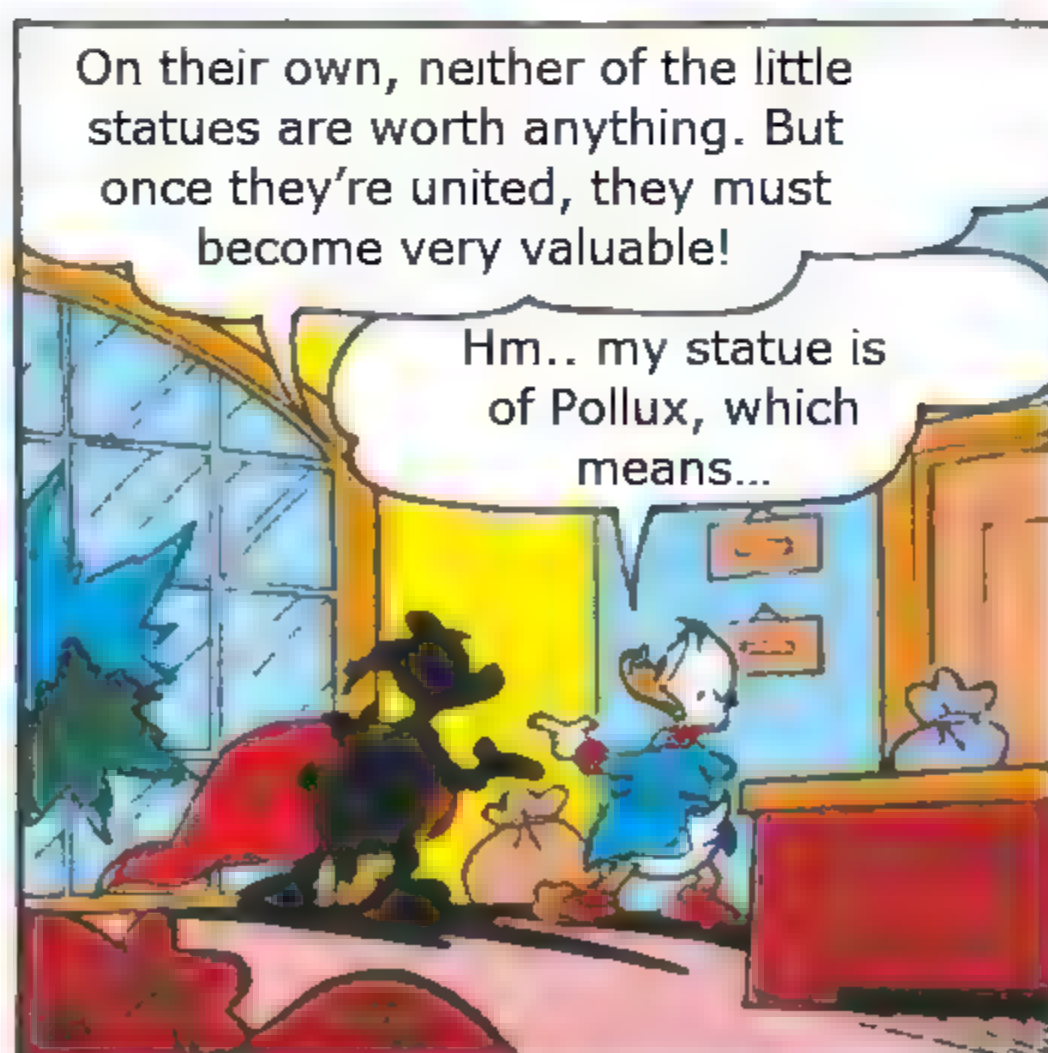

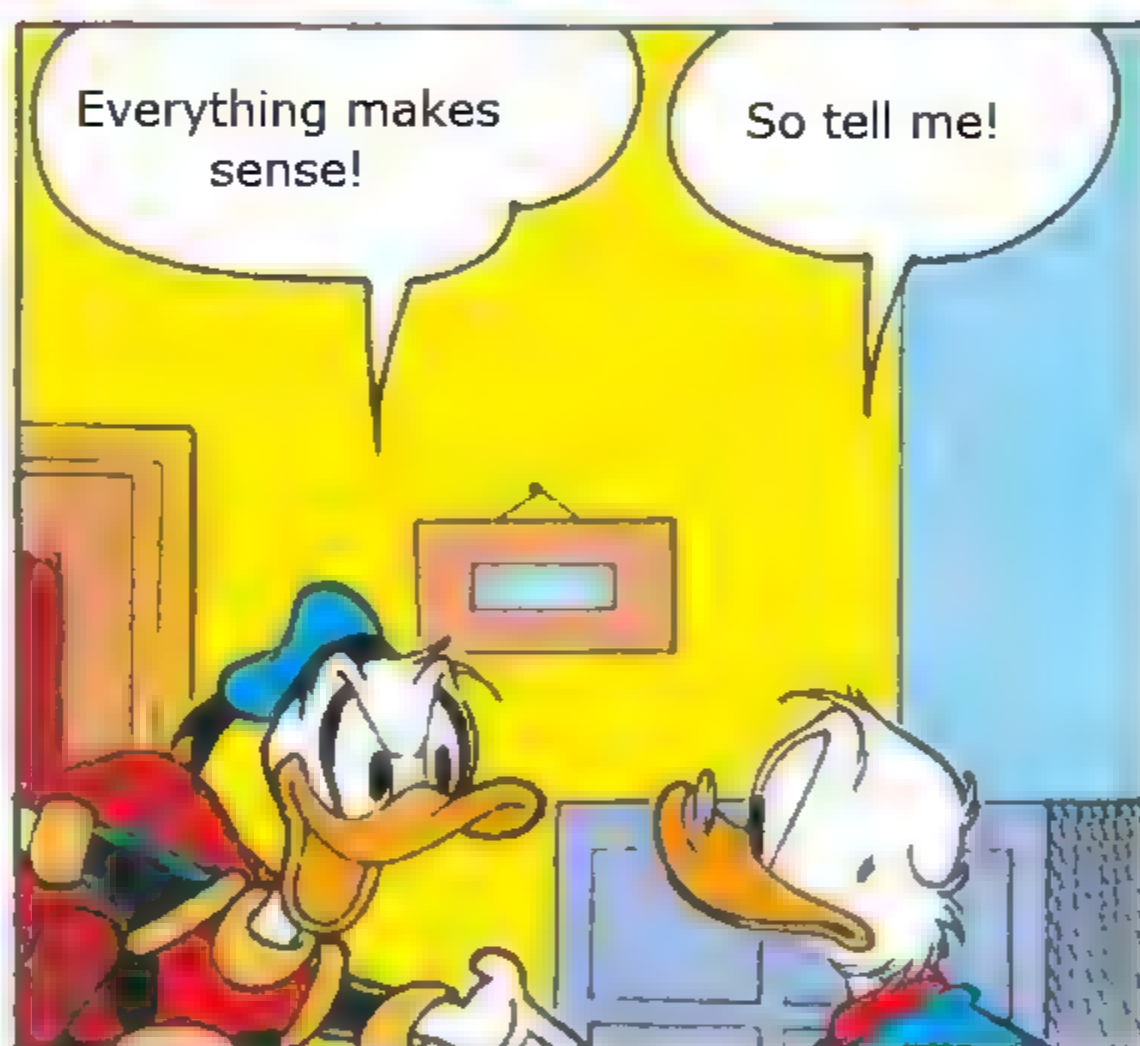

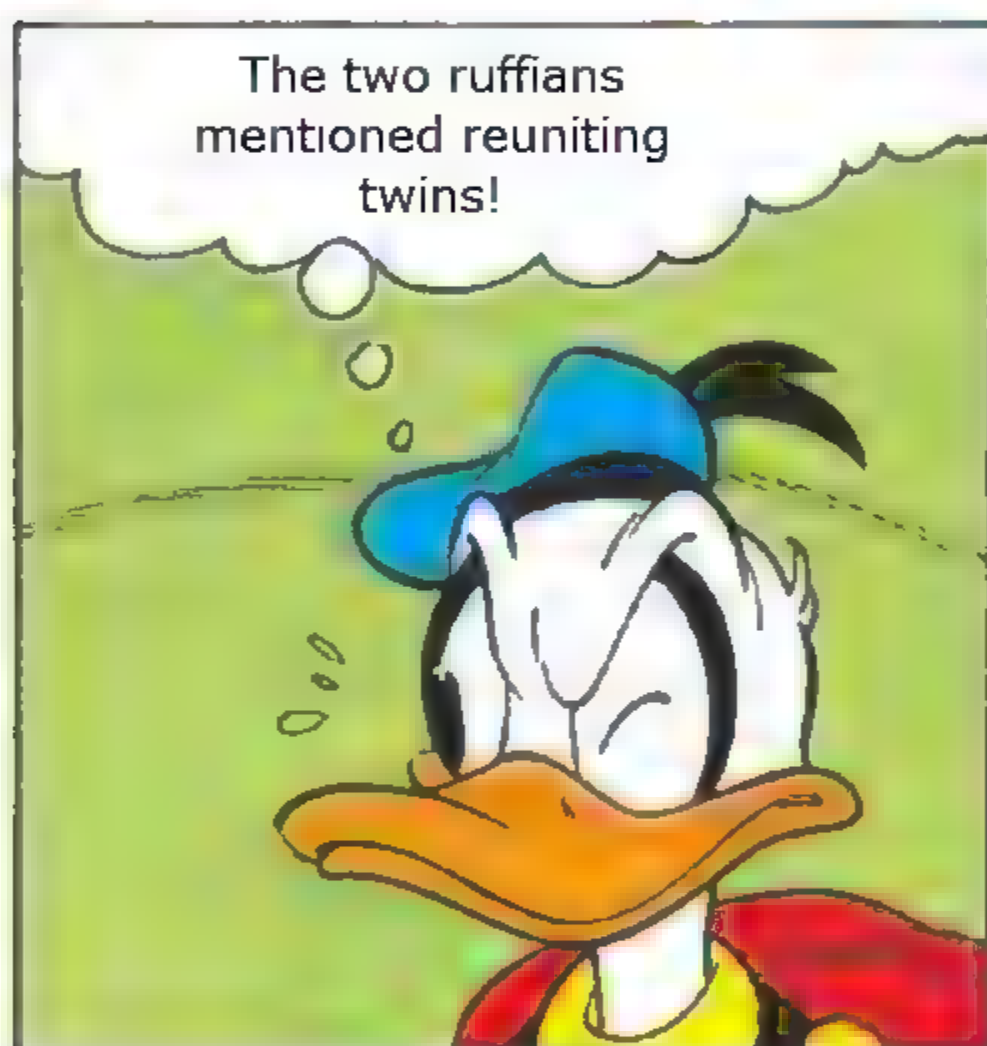

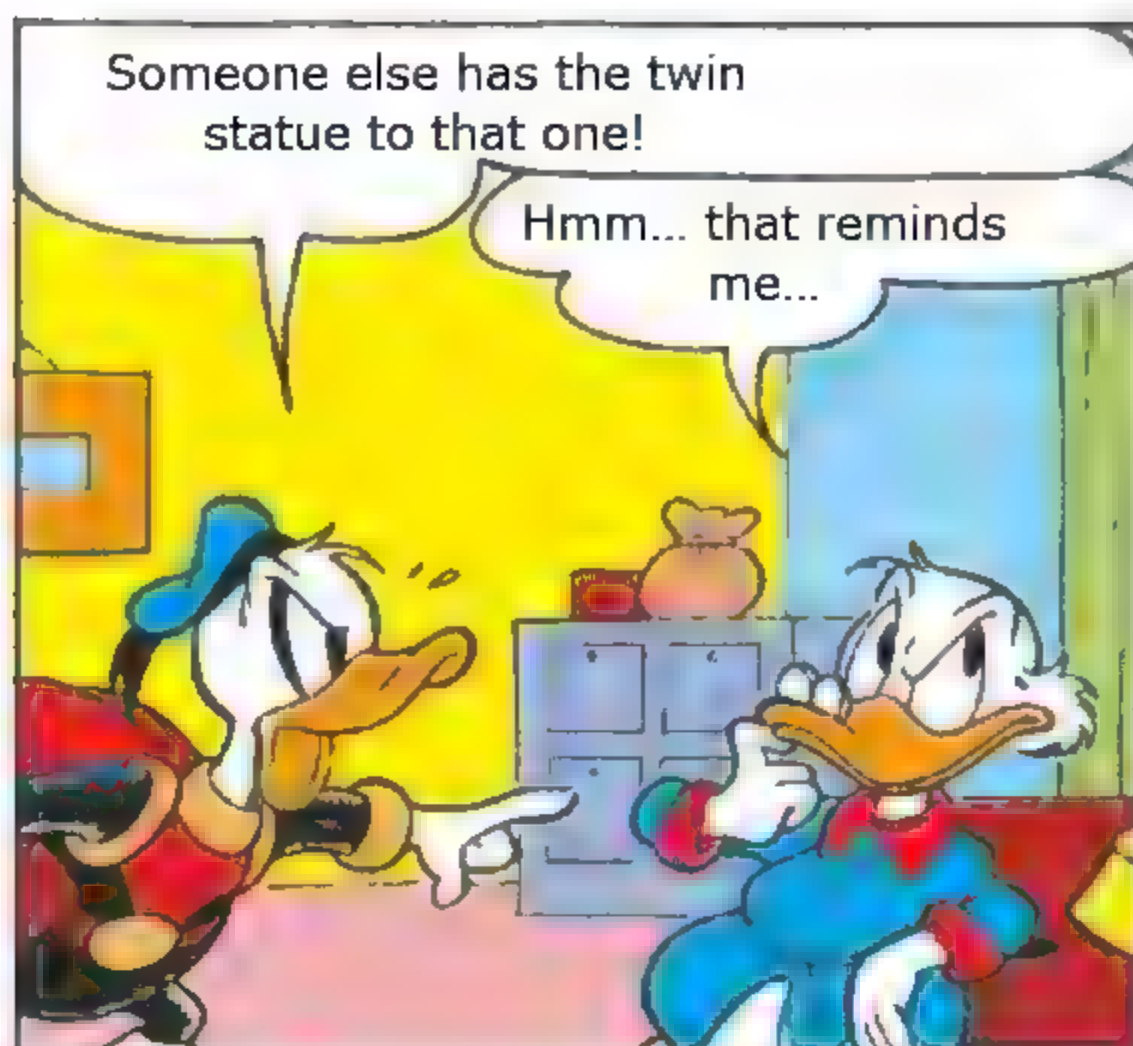

Hey! Who's there?
Stop or I shoot!

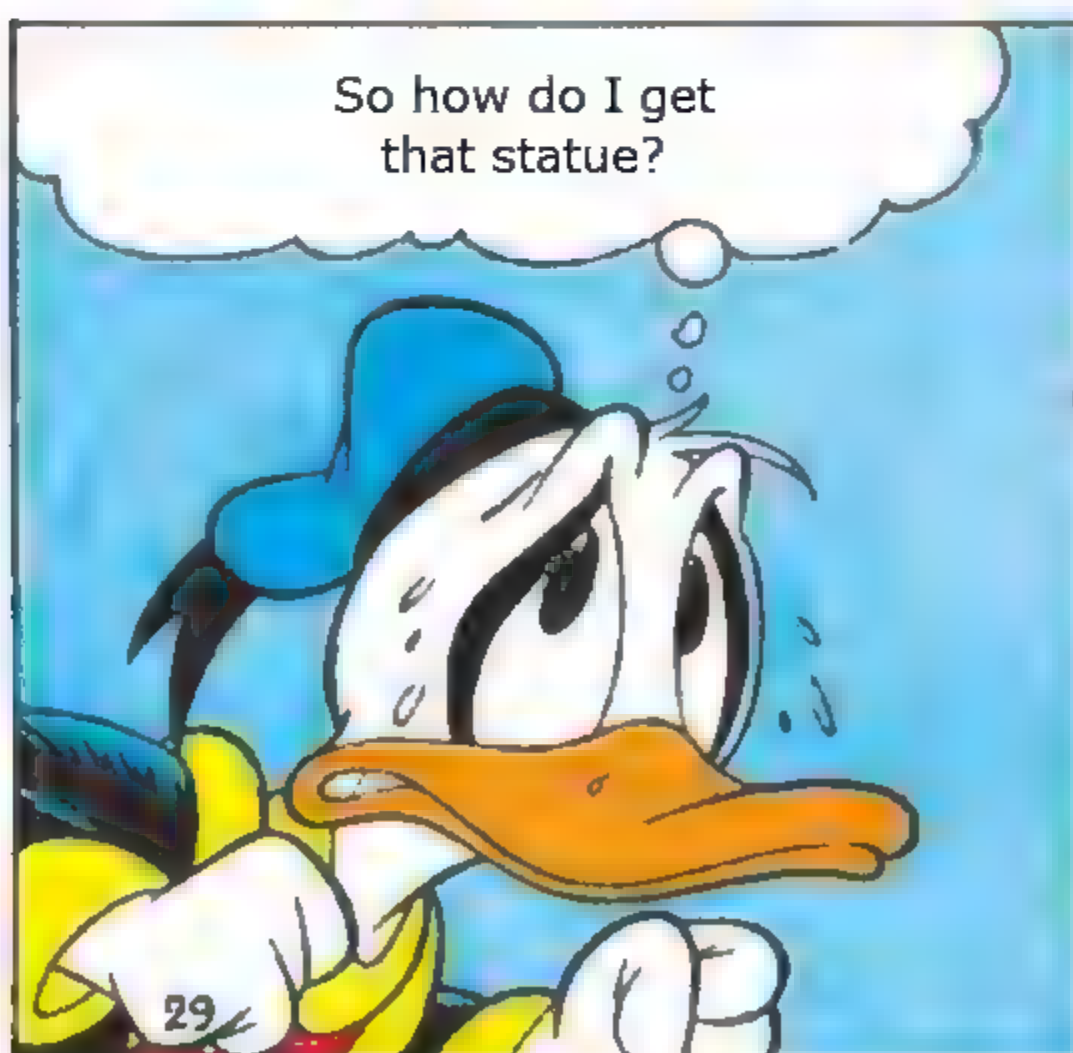

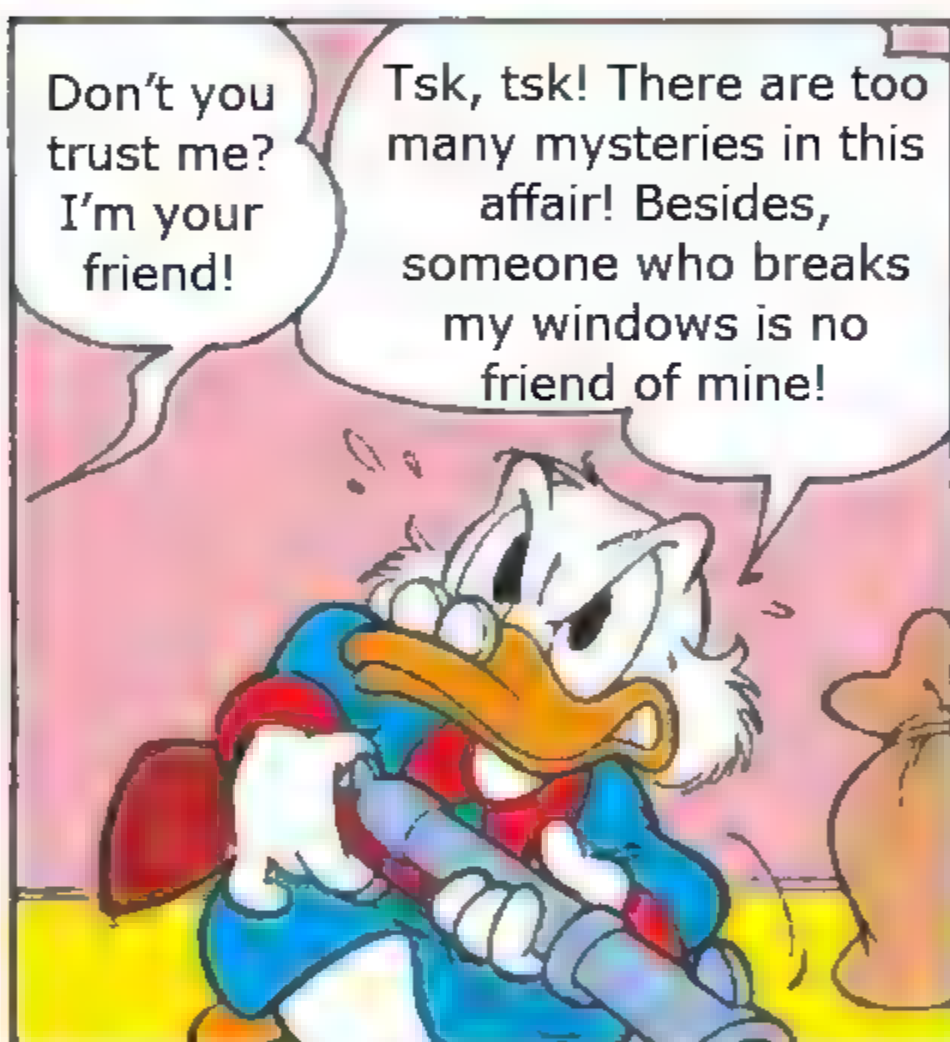

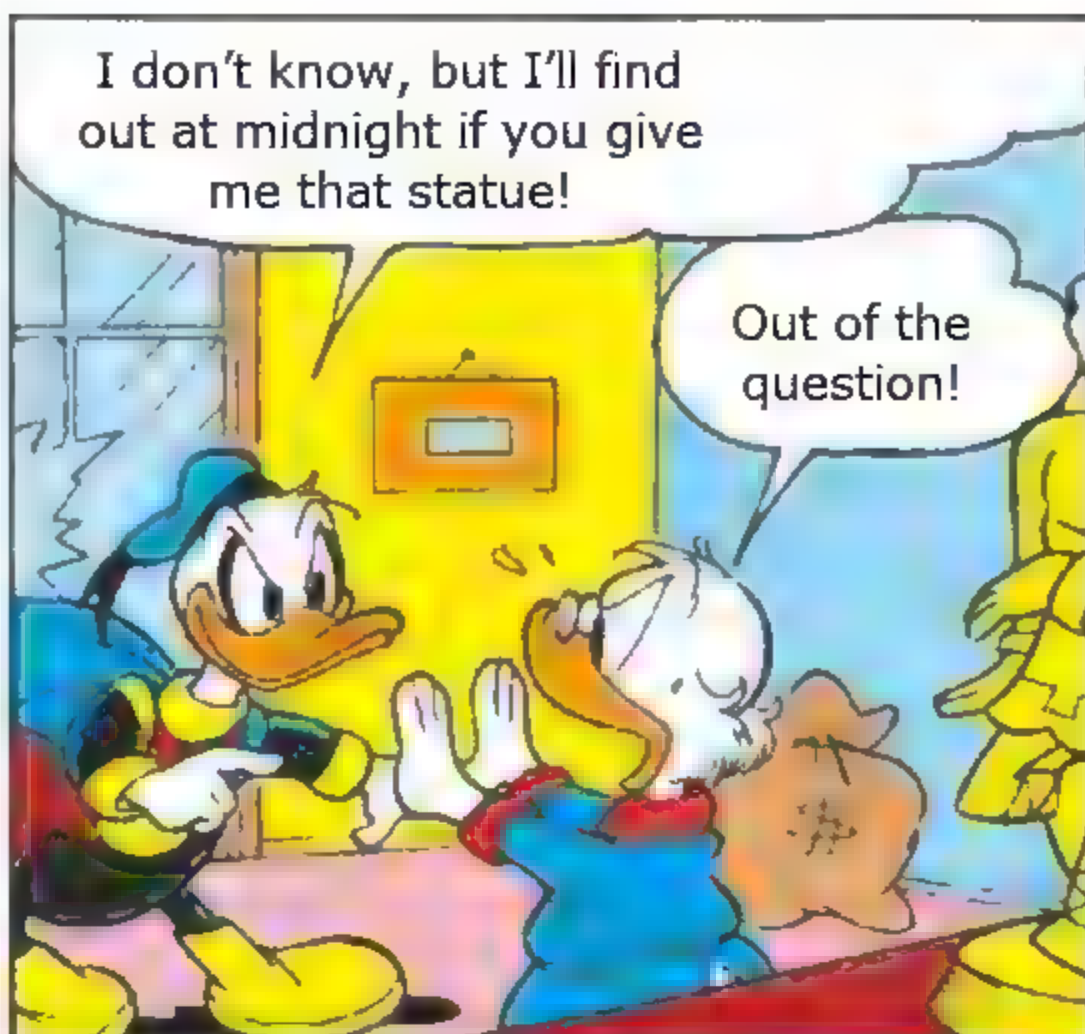

Never fear!

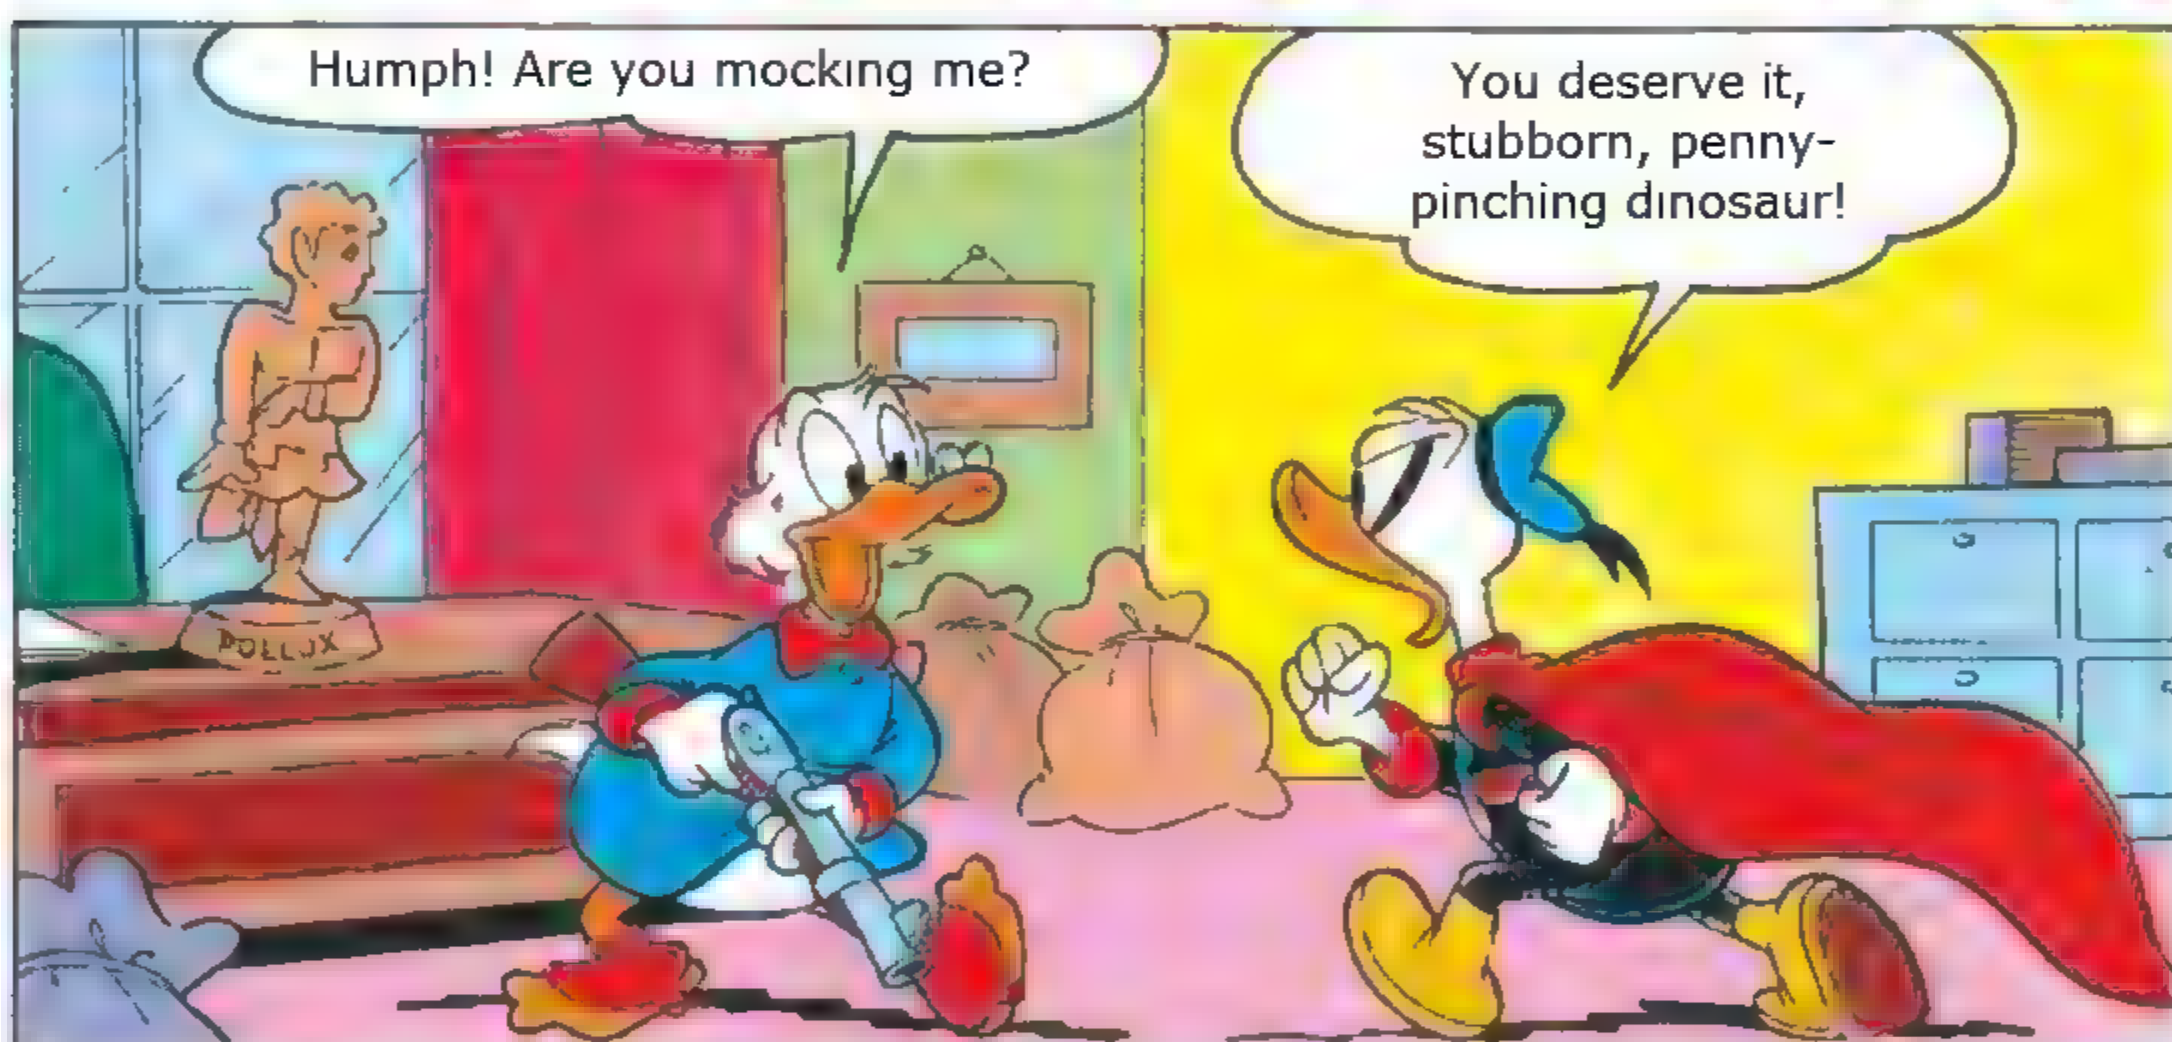

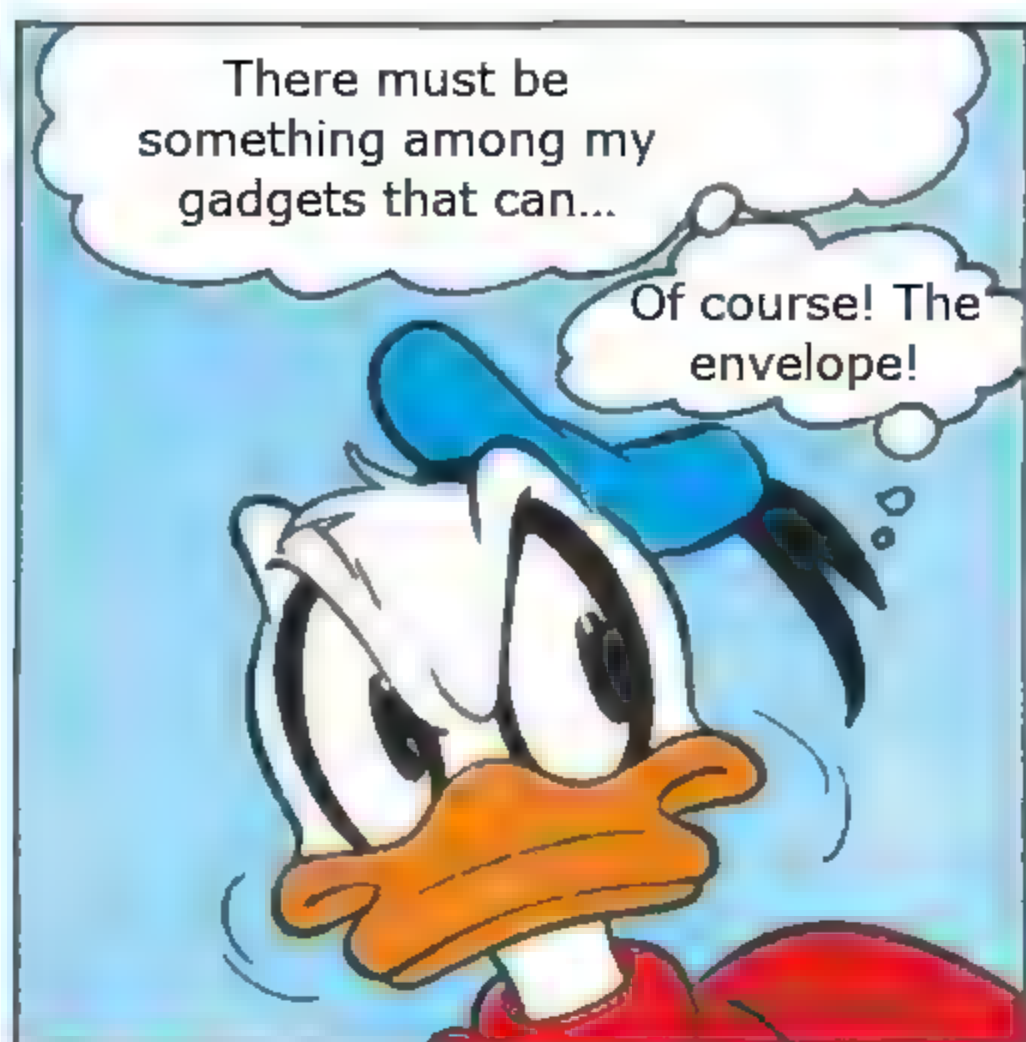

CRASH

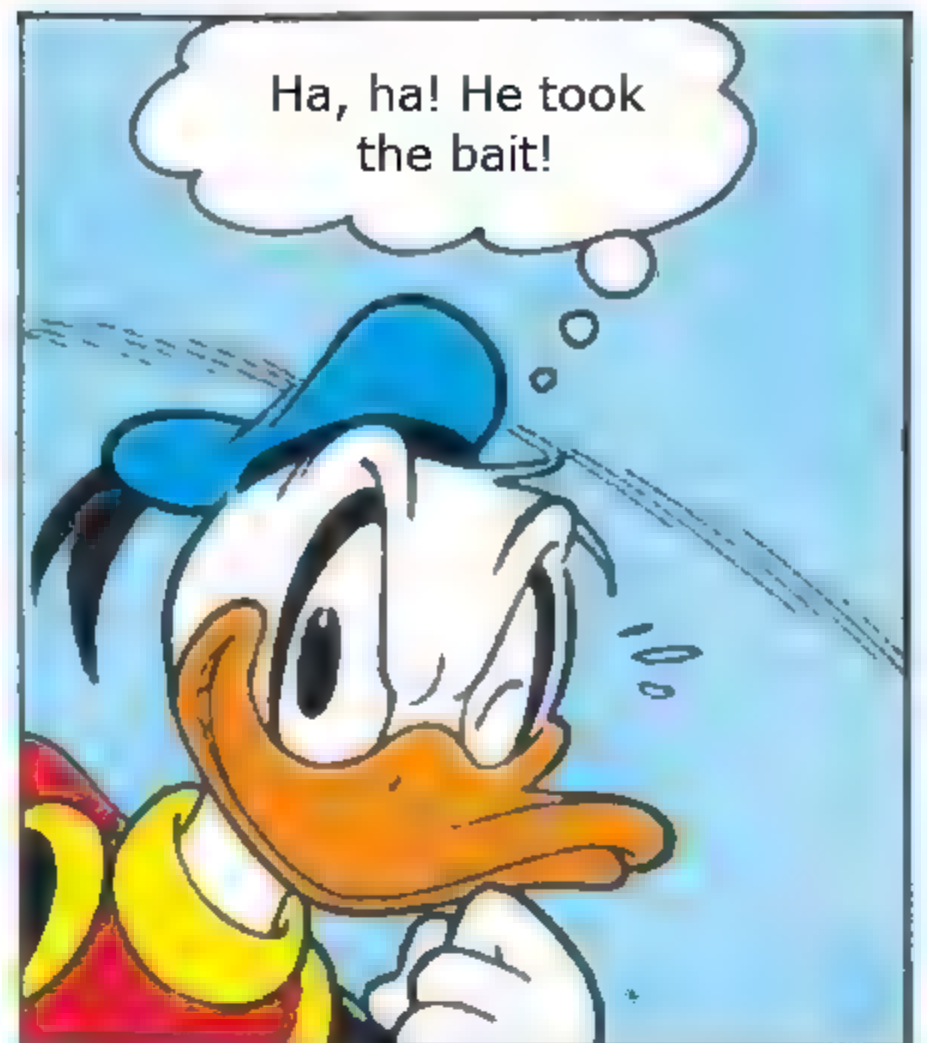

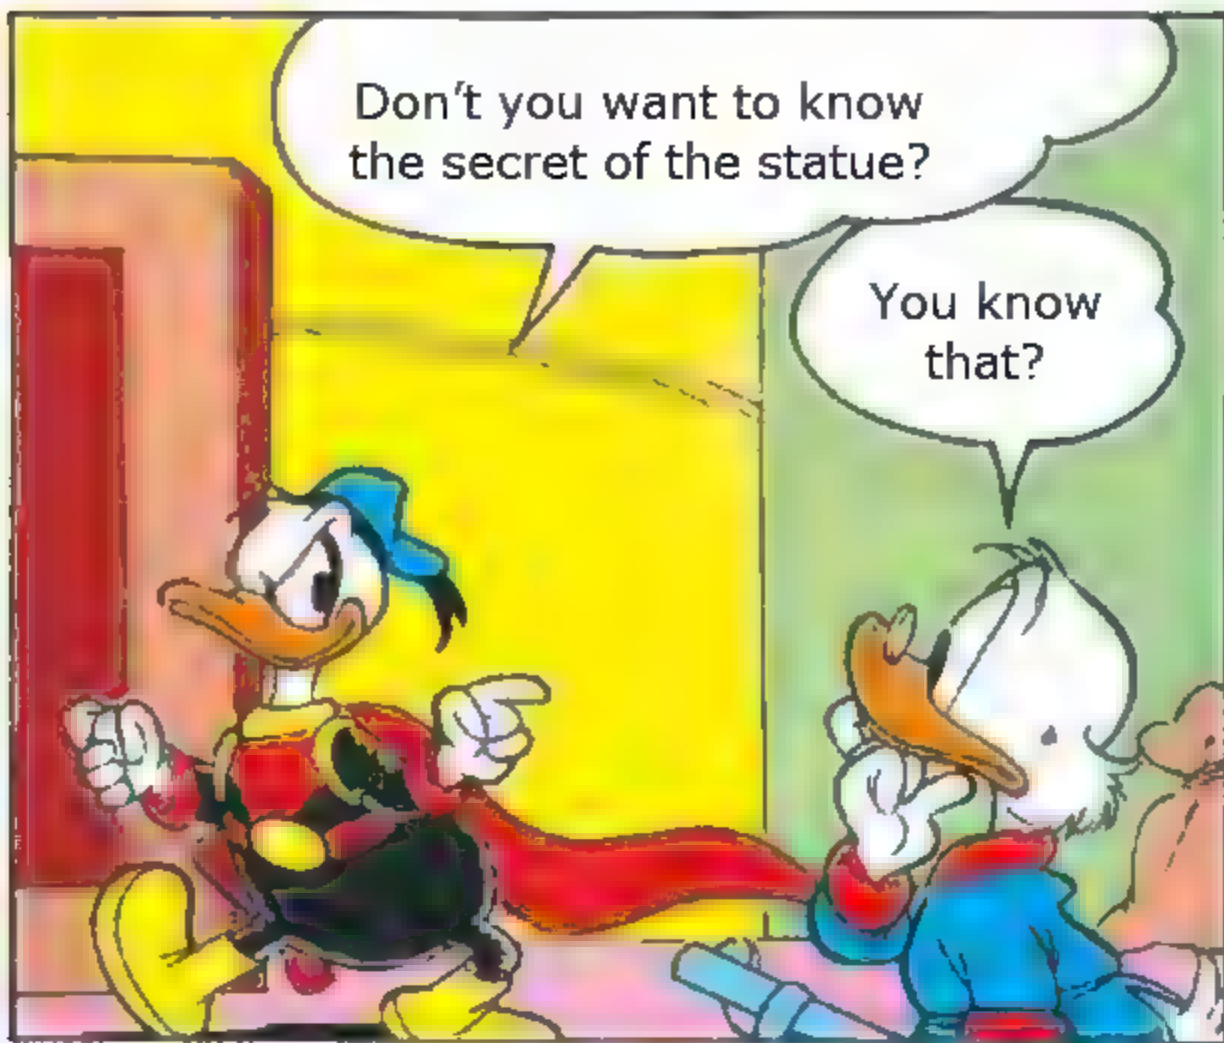

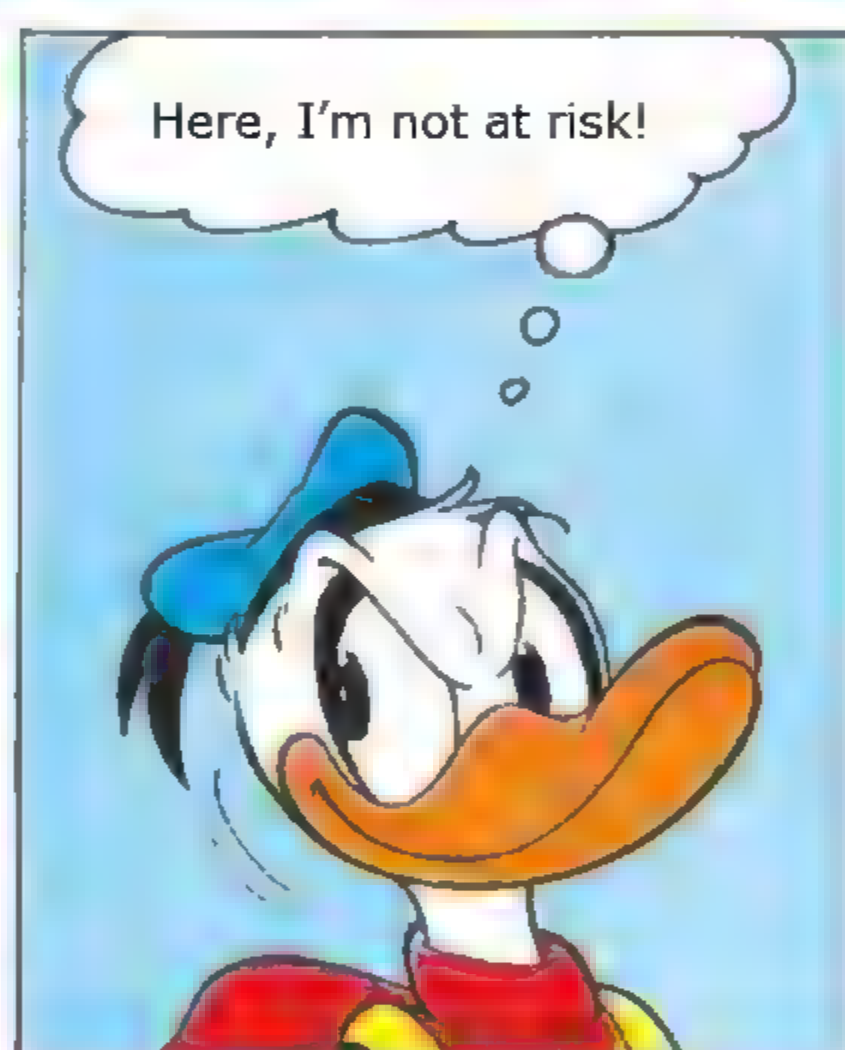

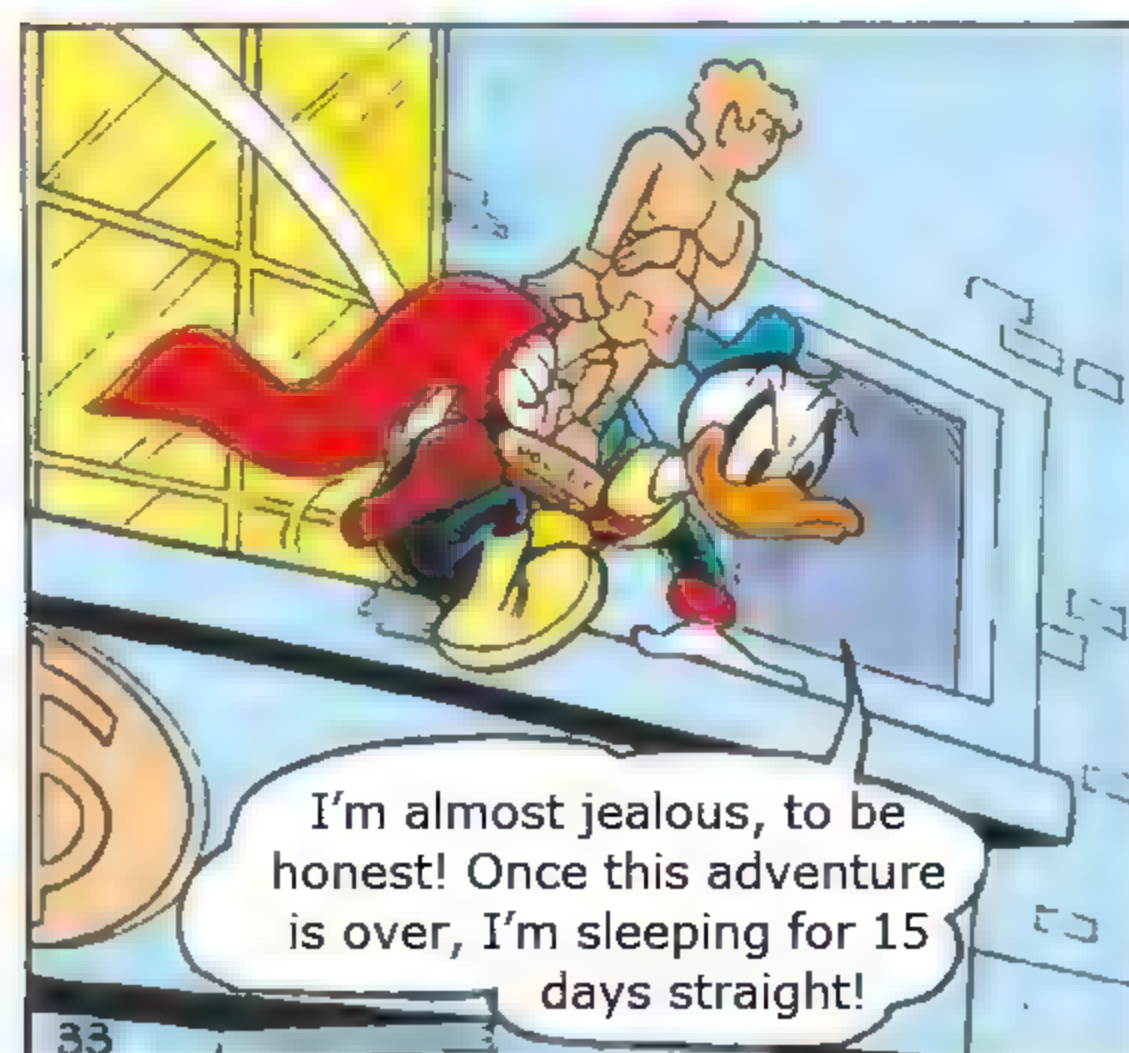

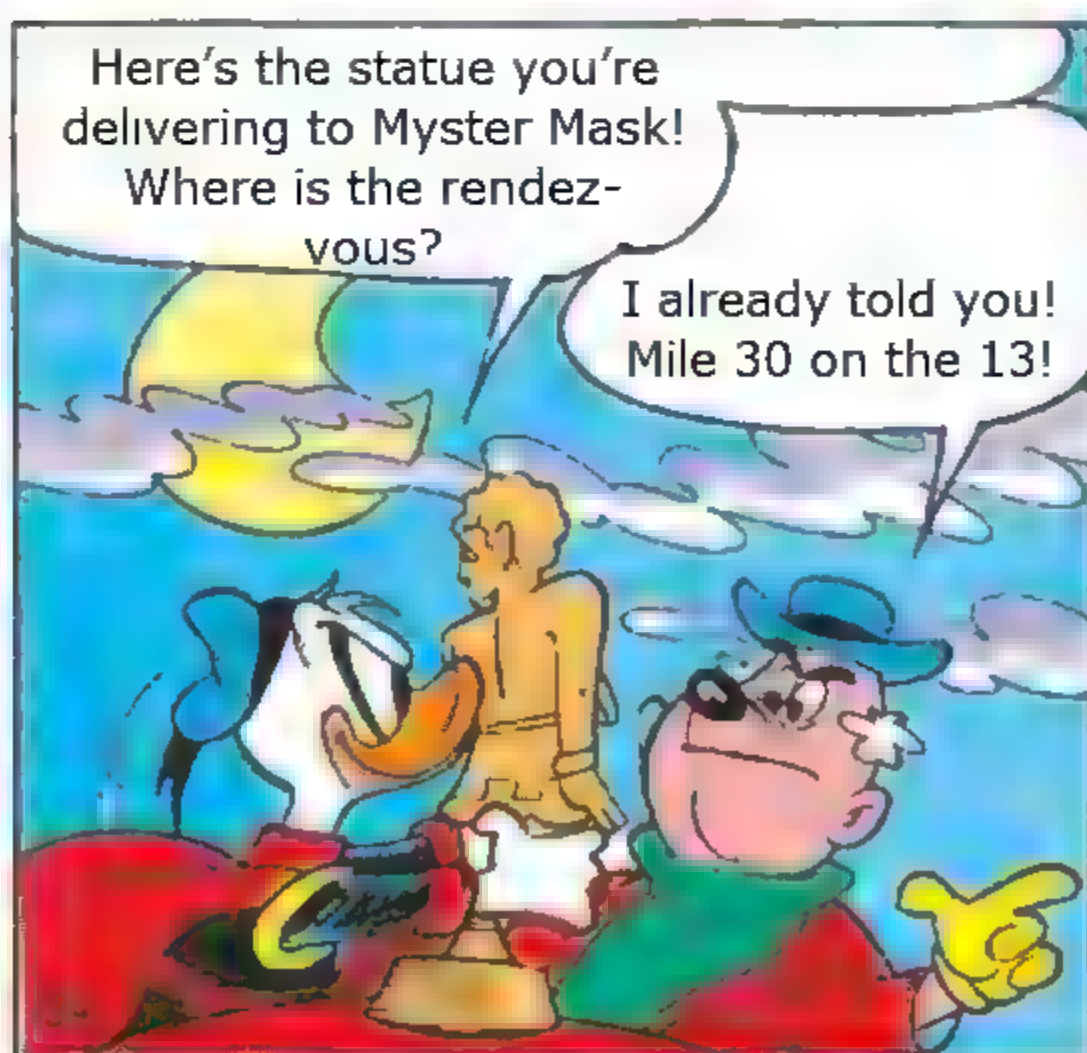

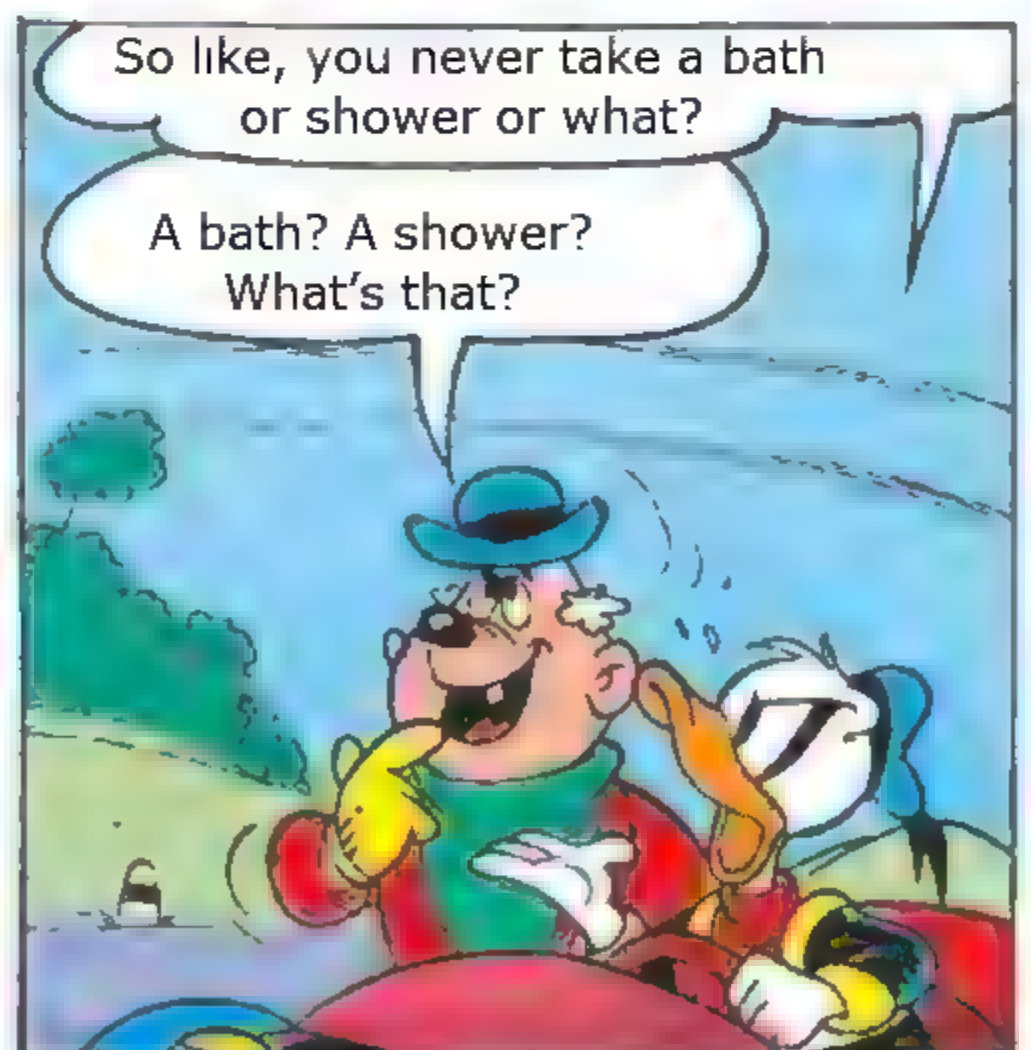

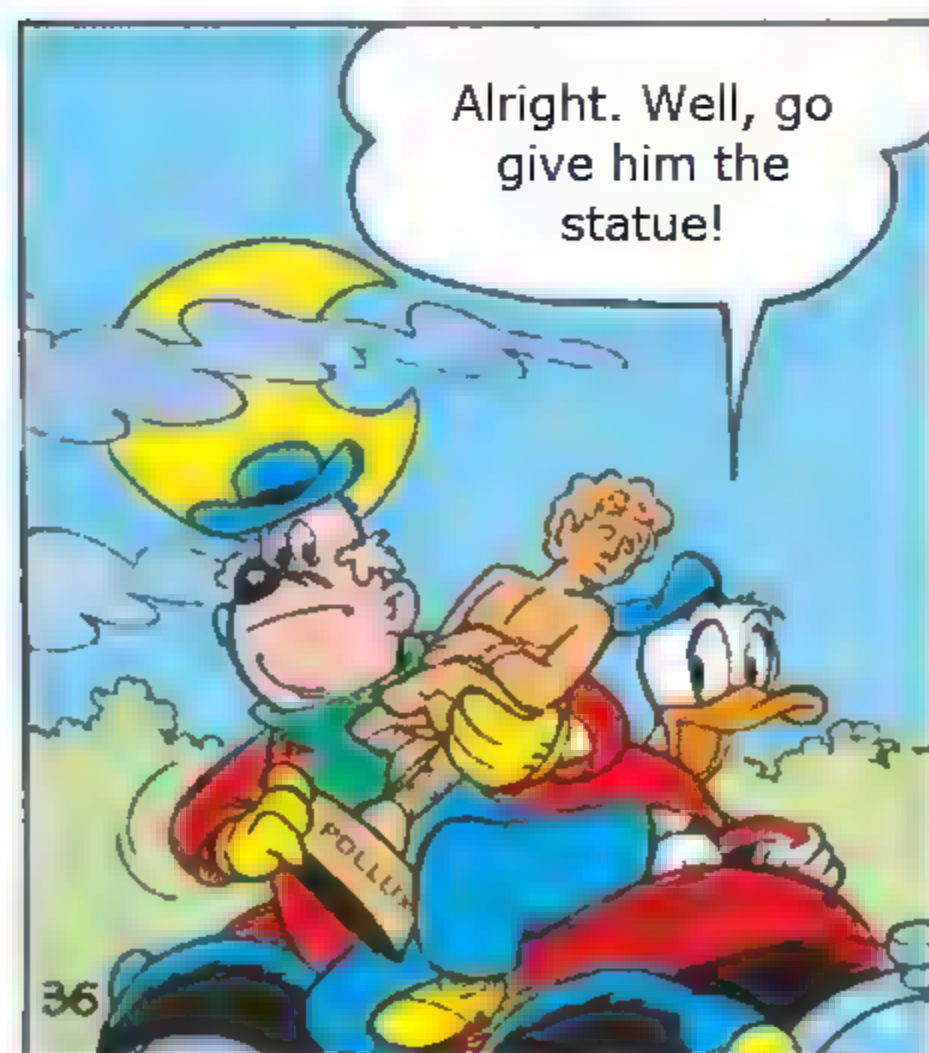

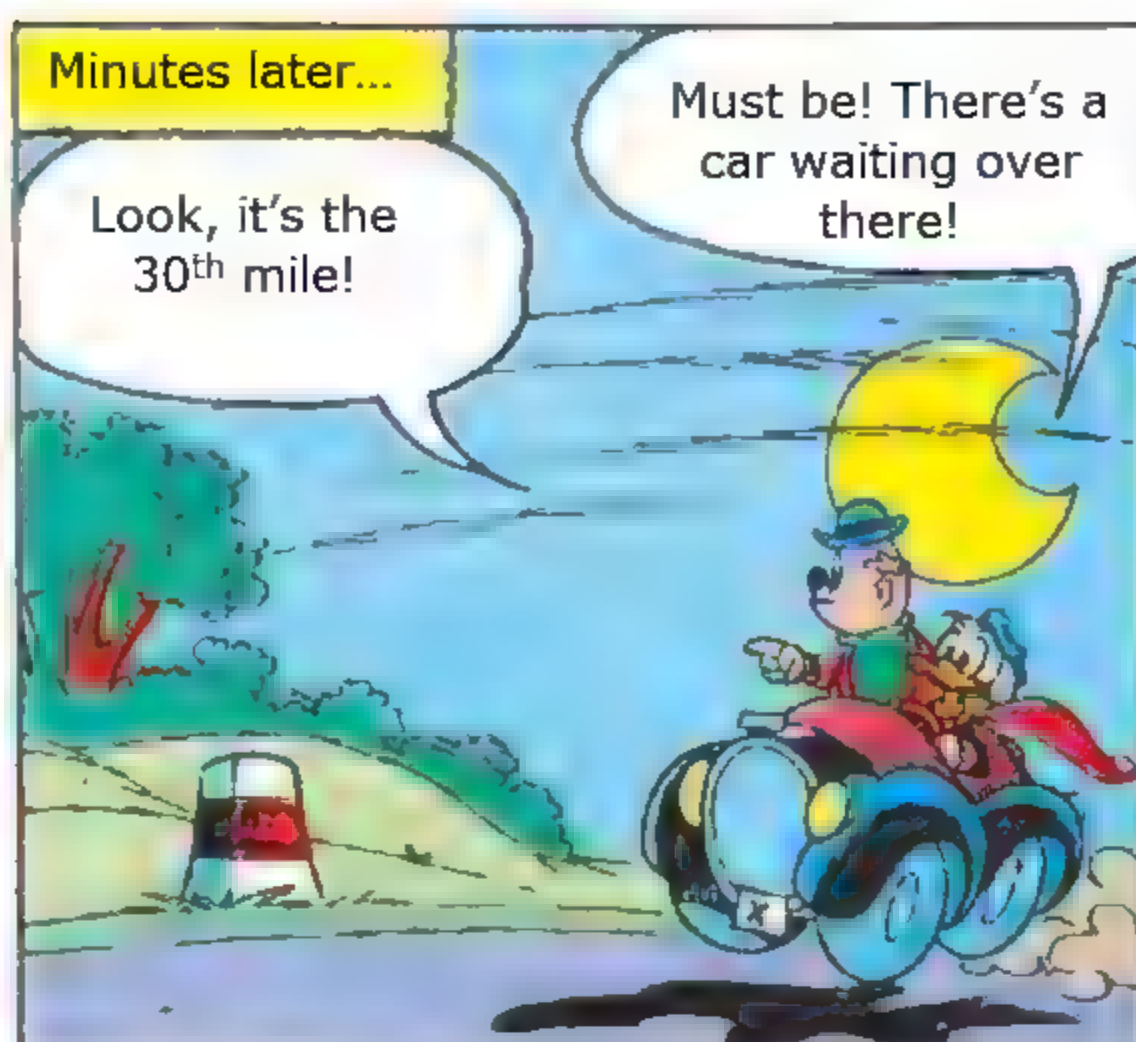

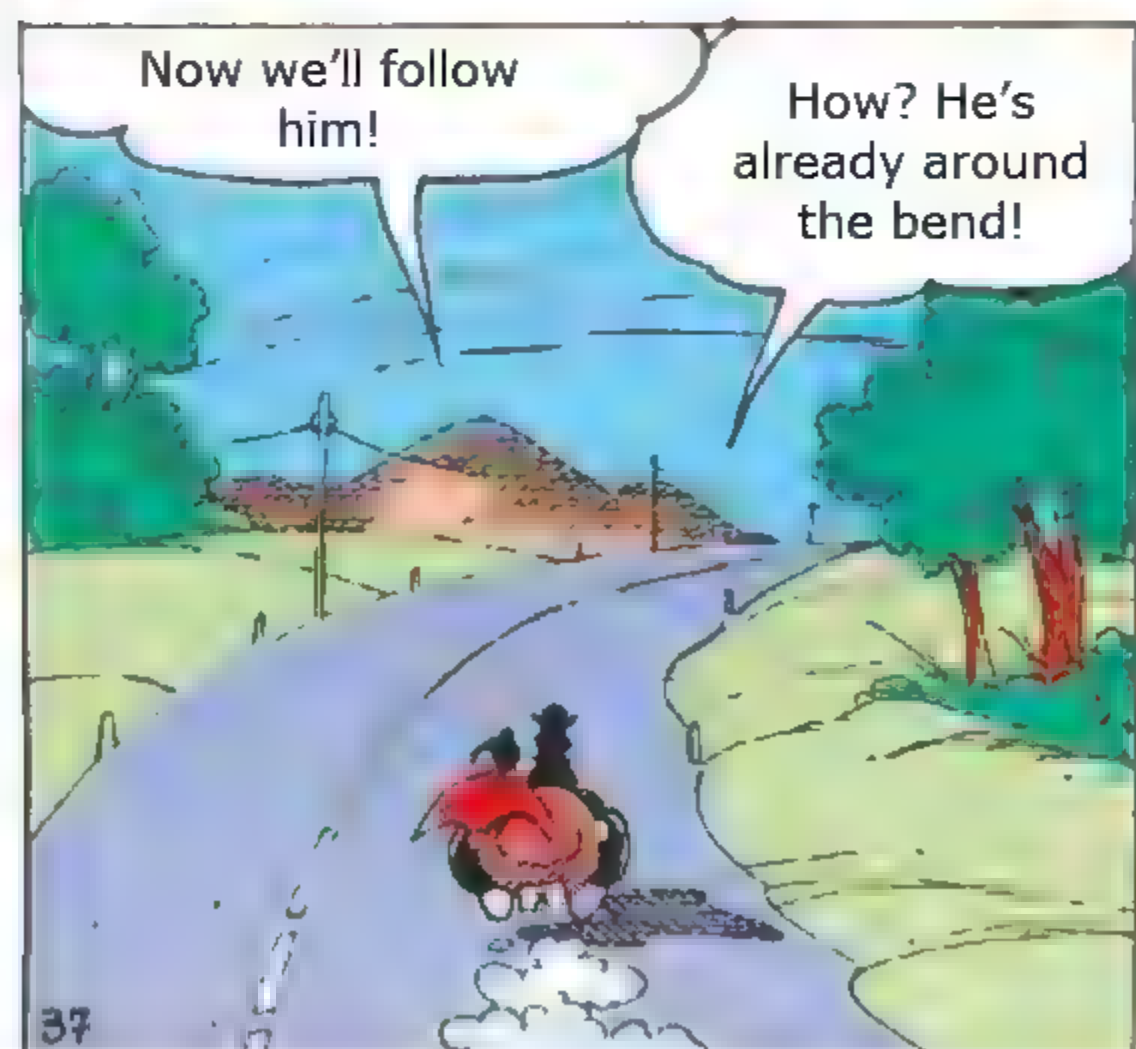

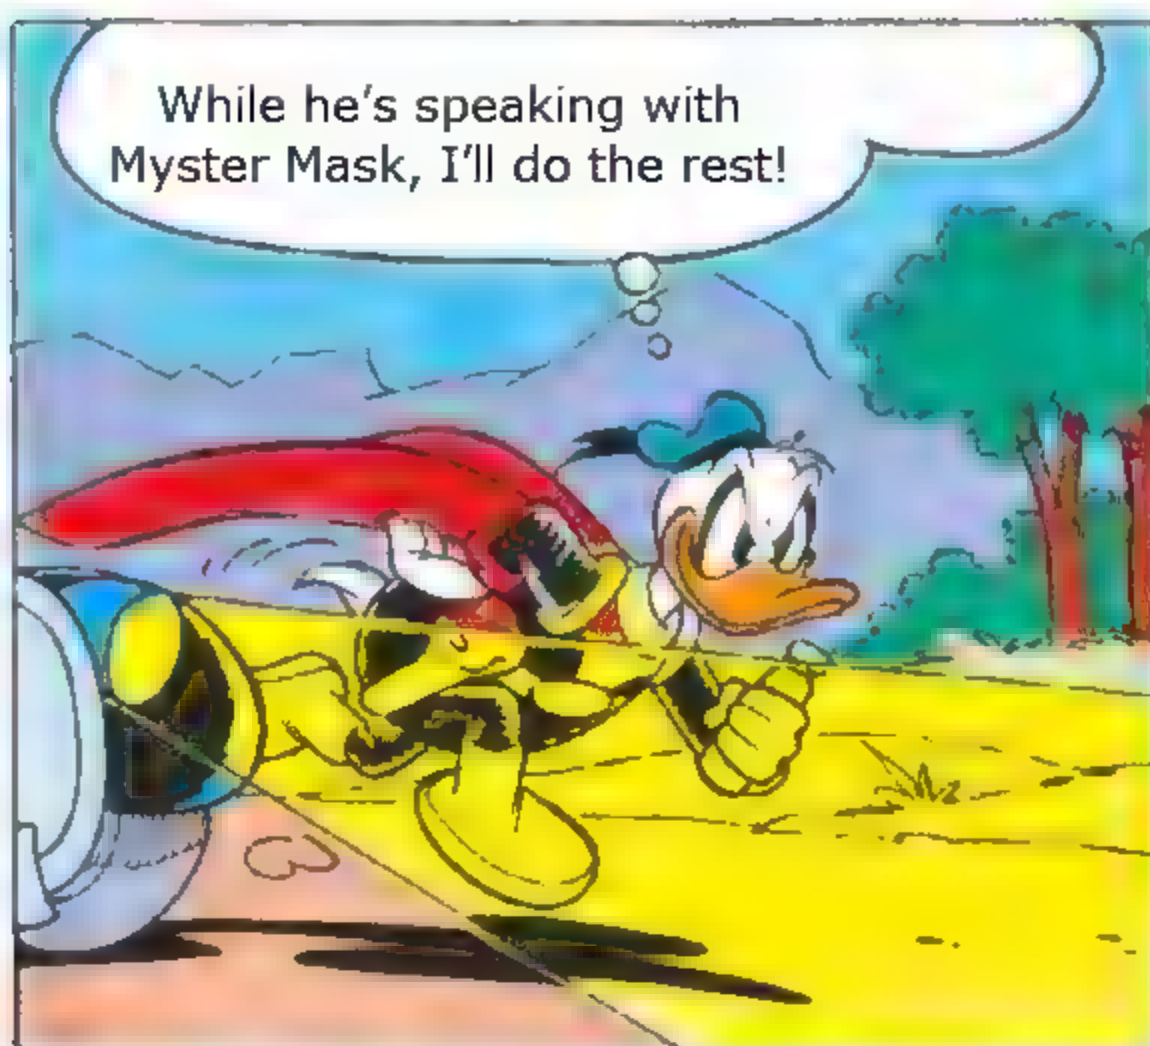

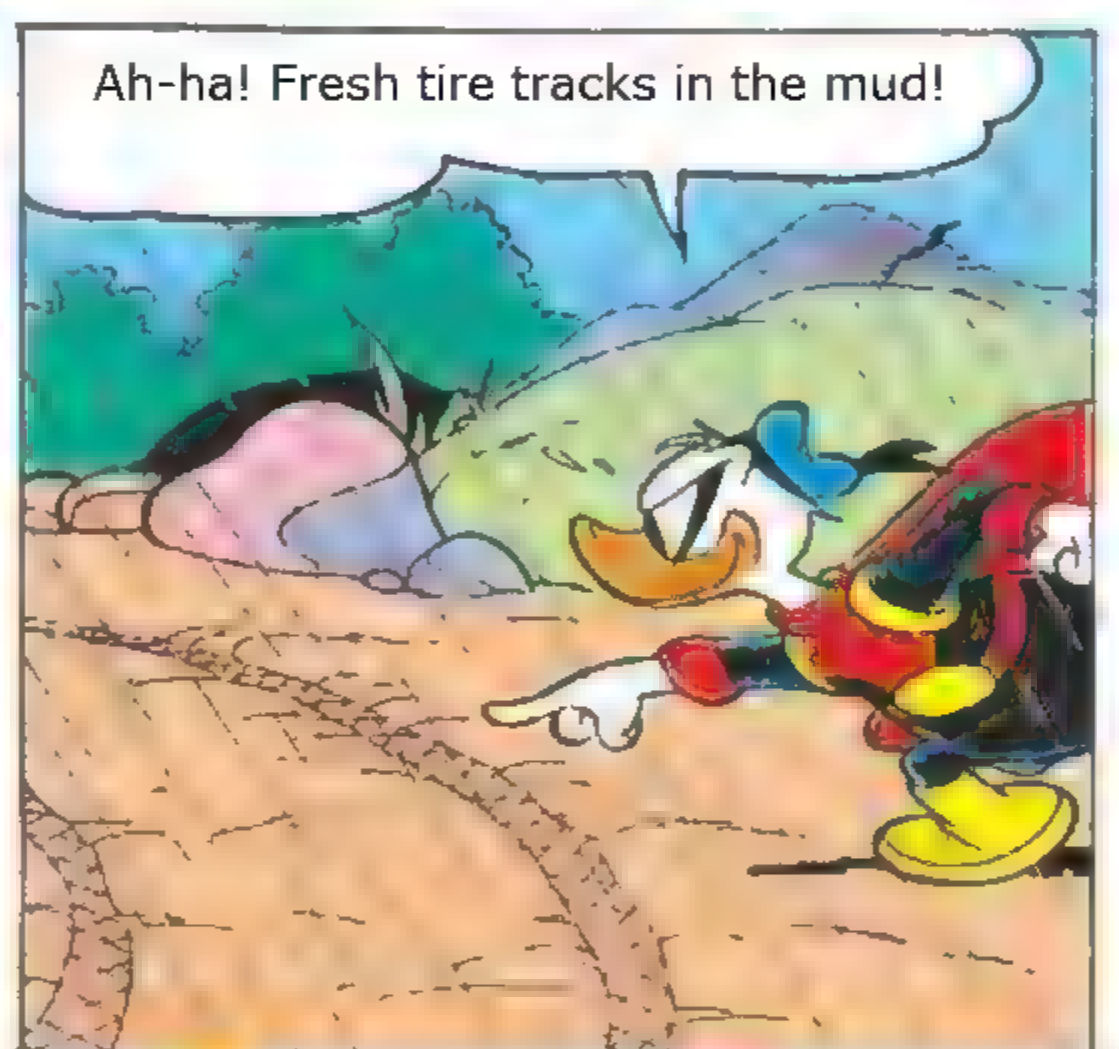

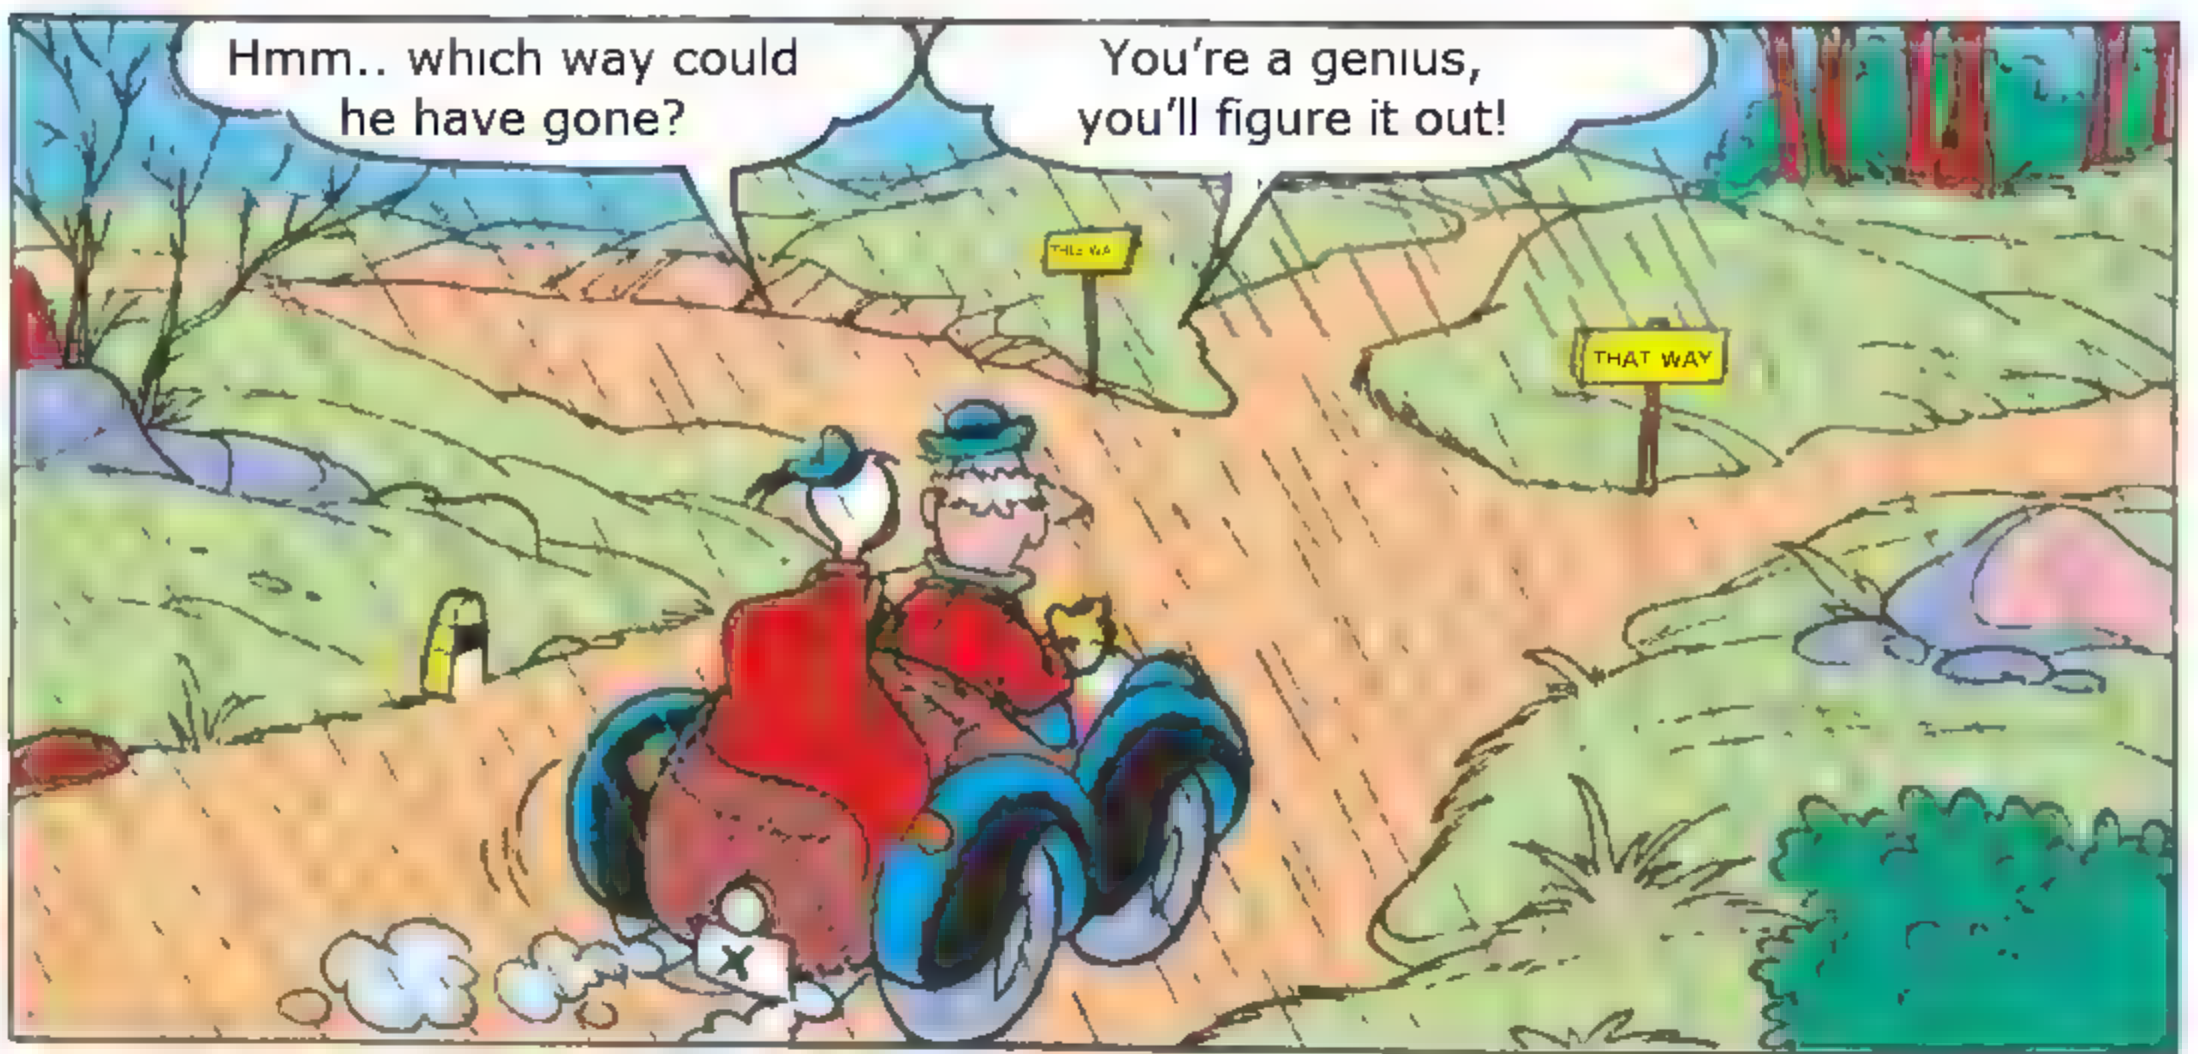

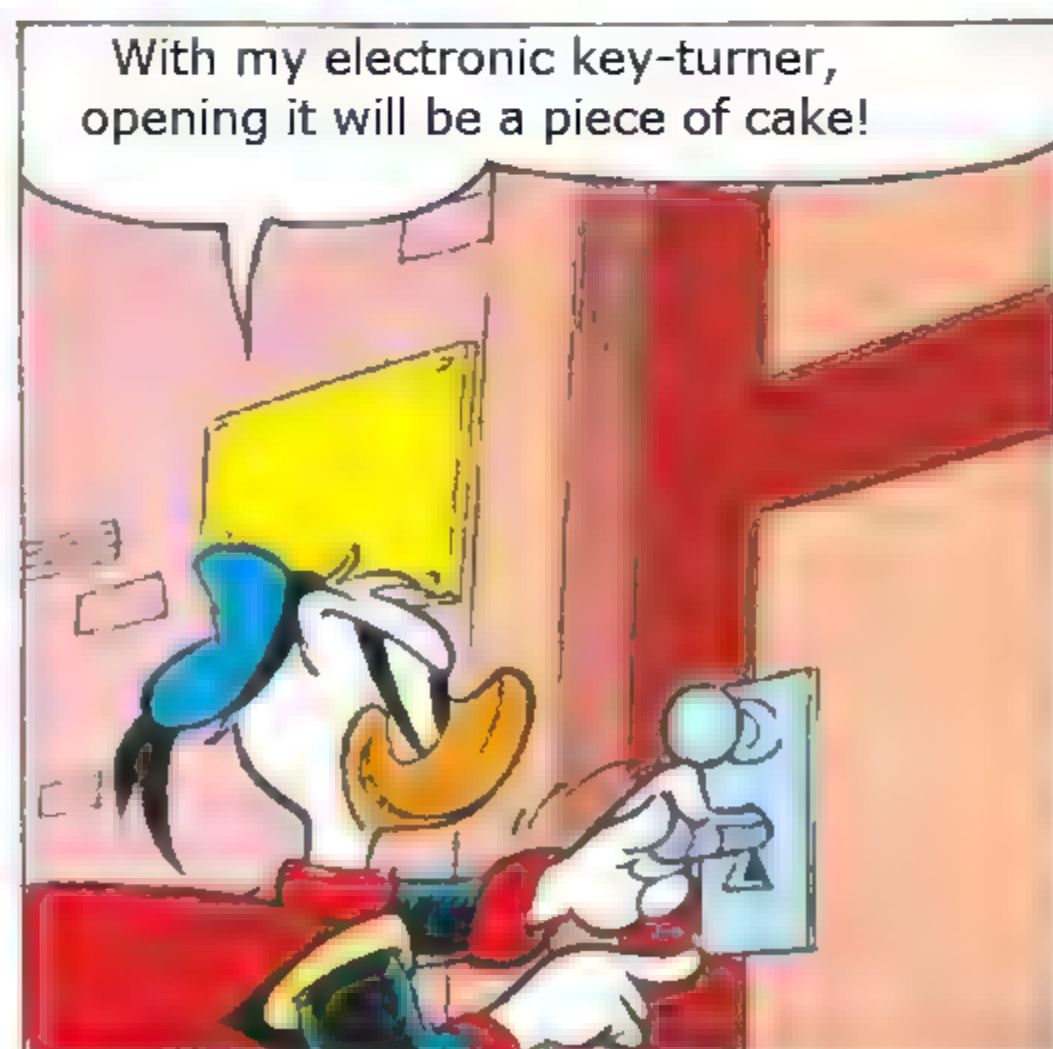

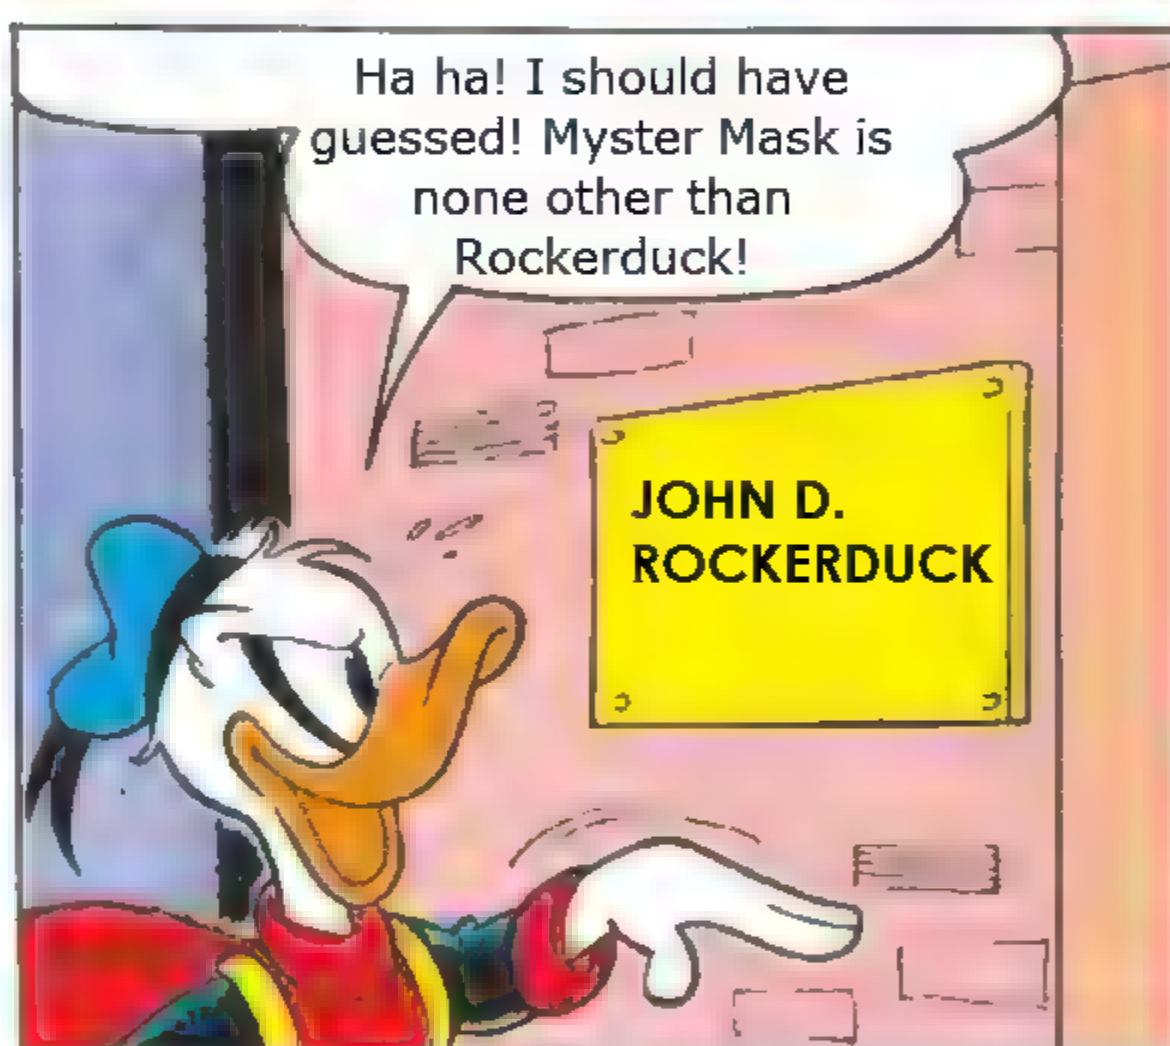

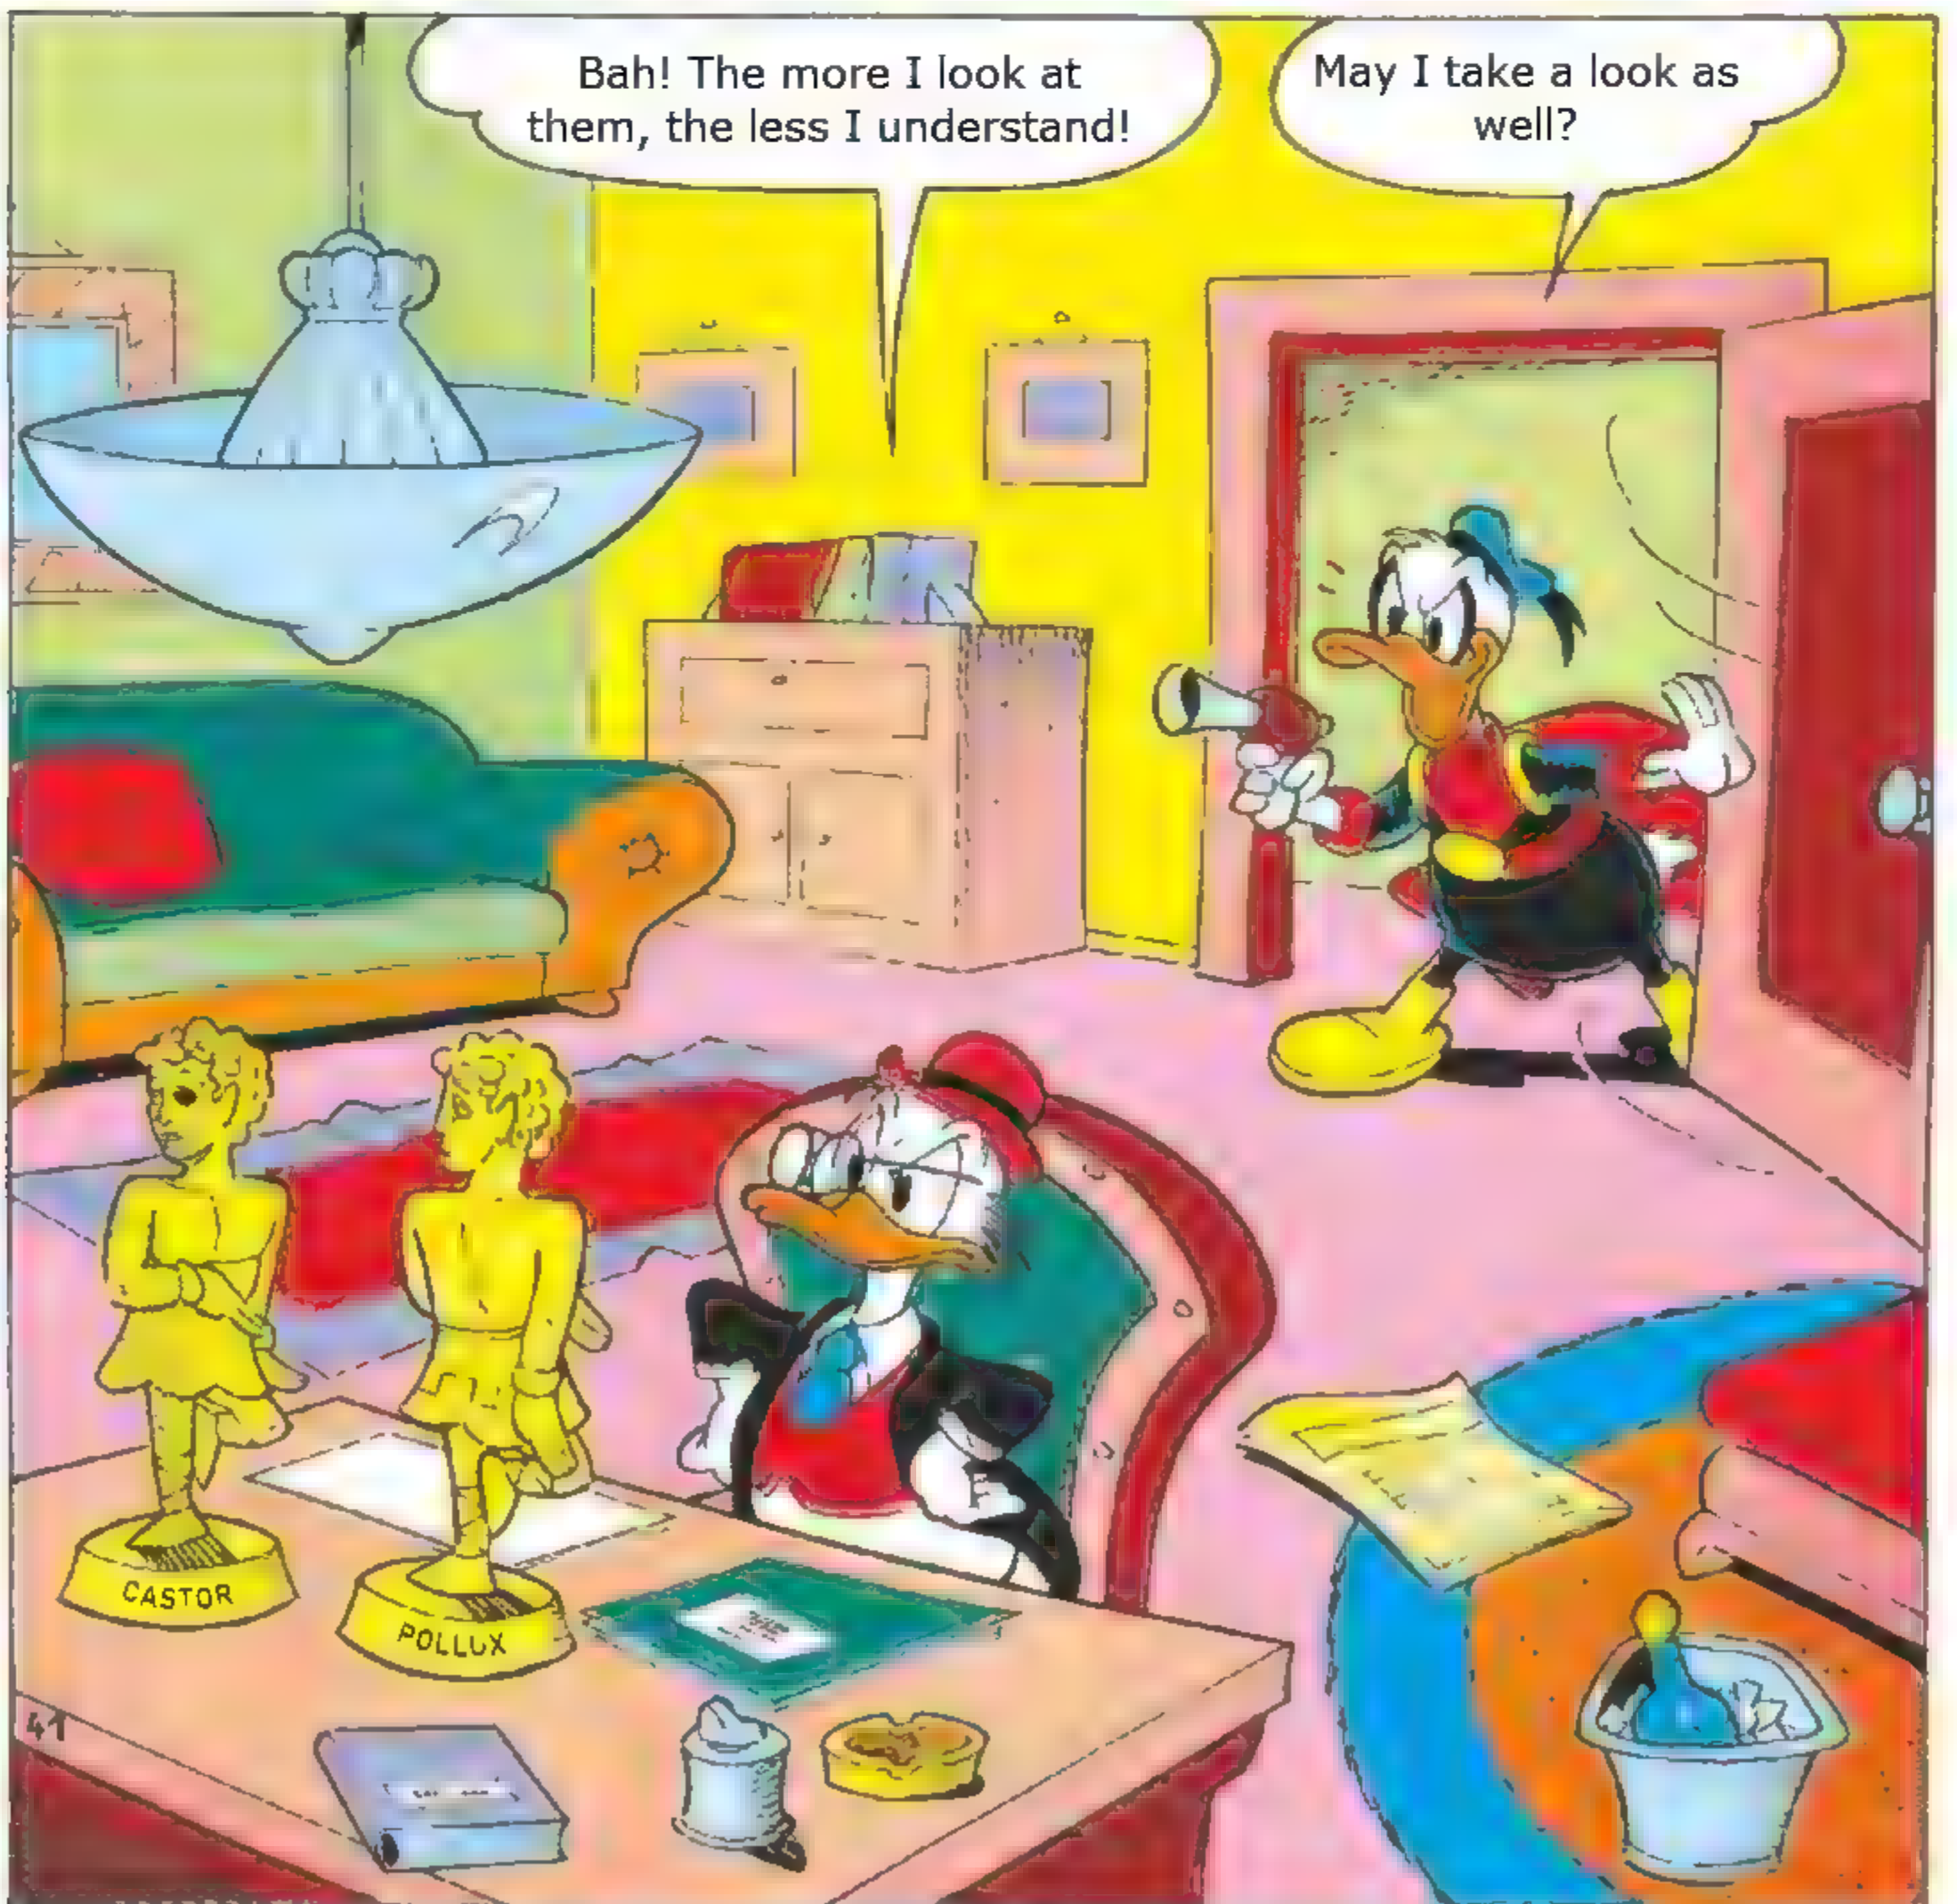

Gulp! The Du-Du-Duck Avenger!

In the feathers!
Do you know
what *this* is?

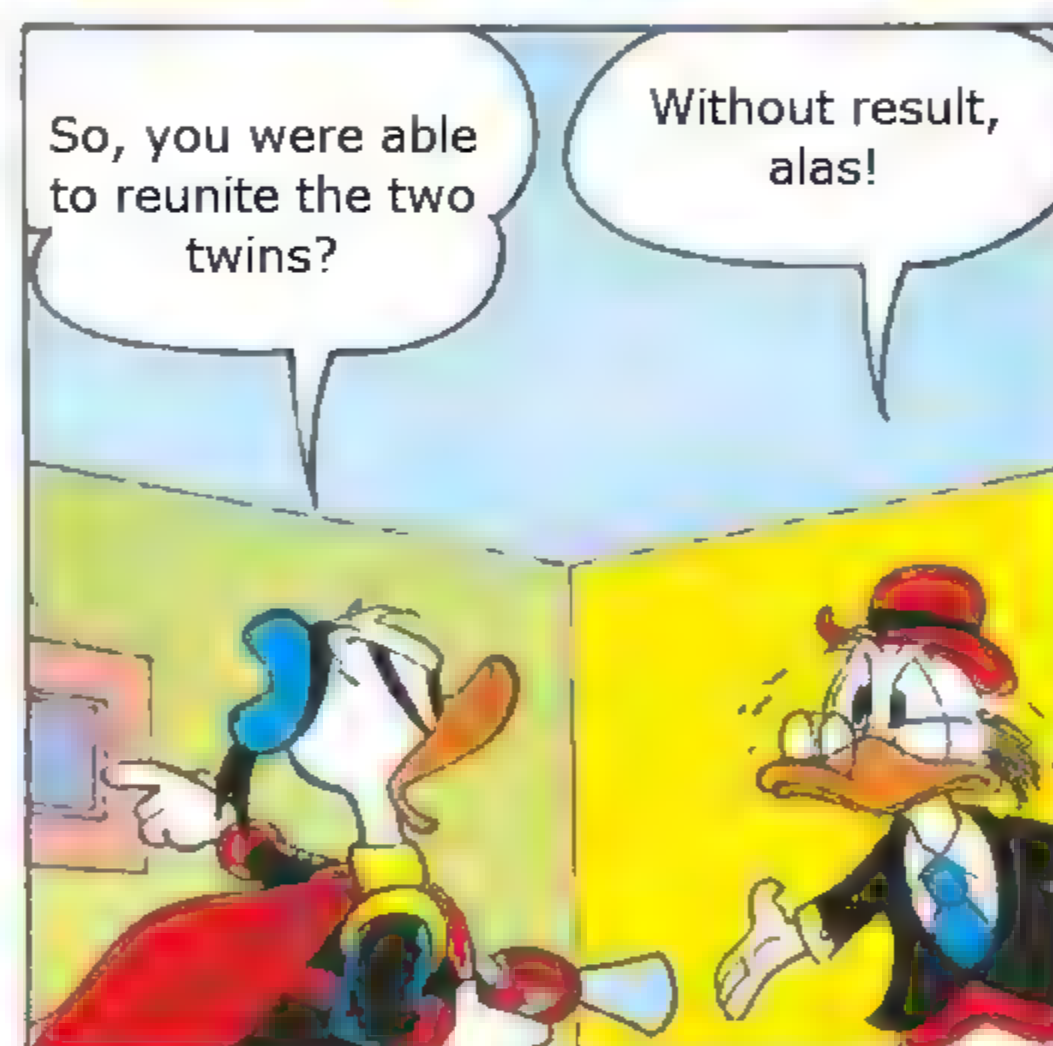

Ah...uh.. a di-disintegrator!
Gulp!

Exactly!

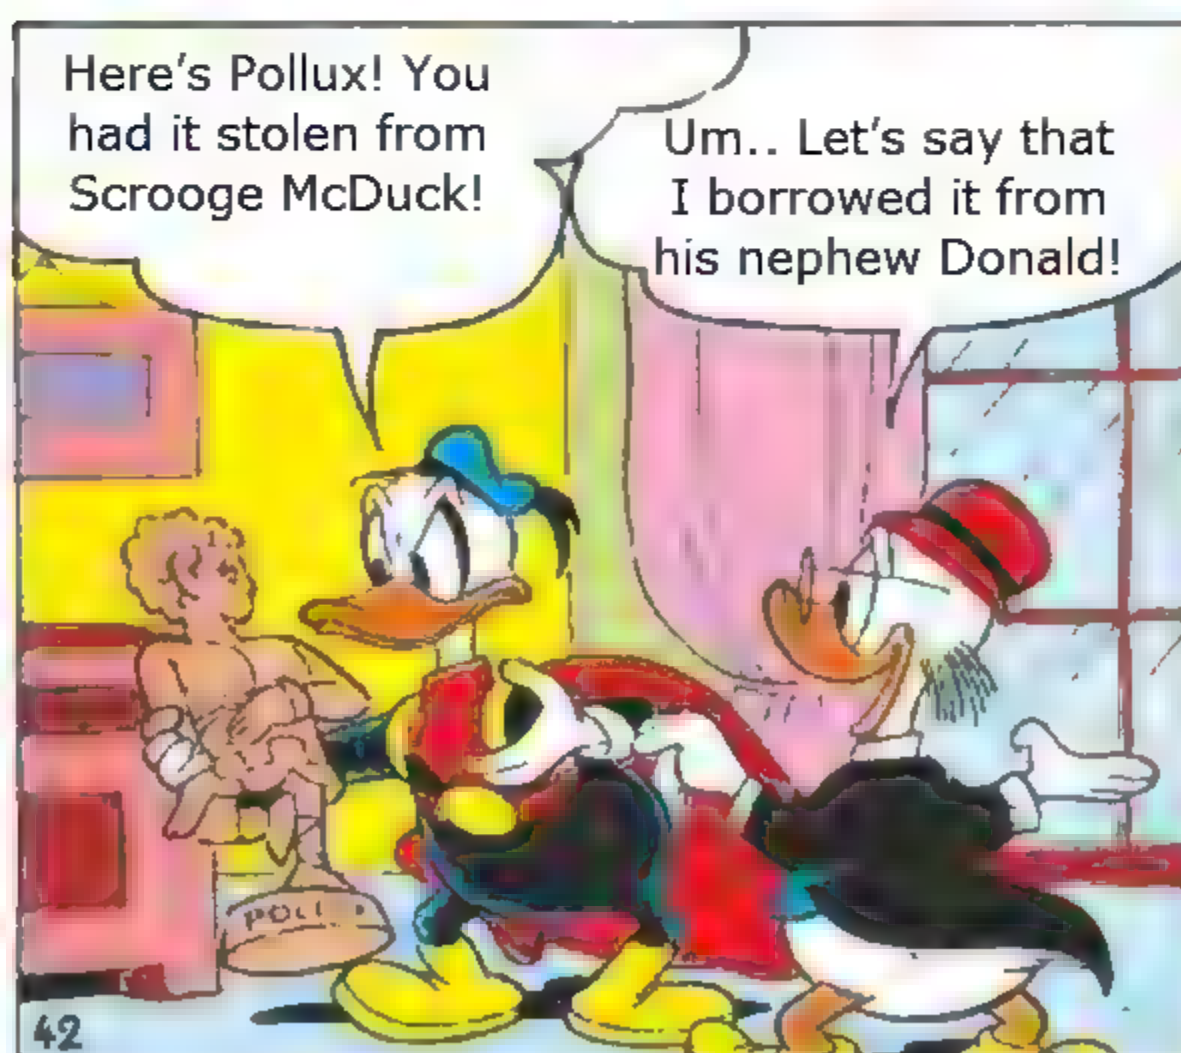

If you don't want to
be pulverized, I
expect you to
cooperate!

Alright! Alright!

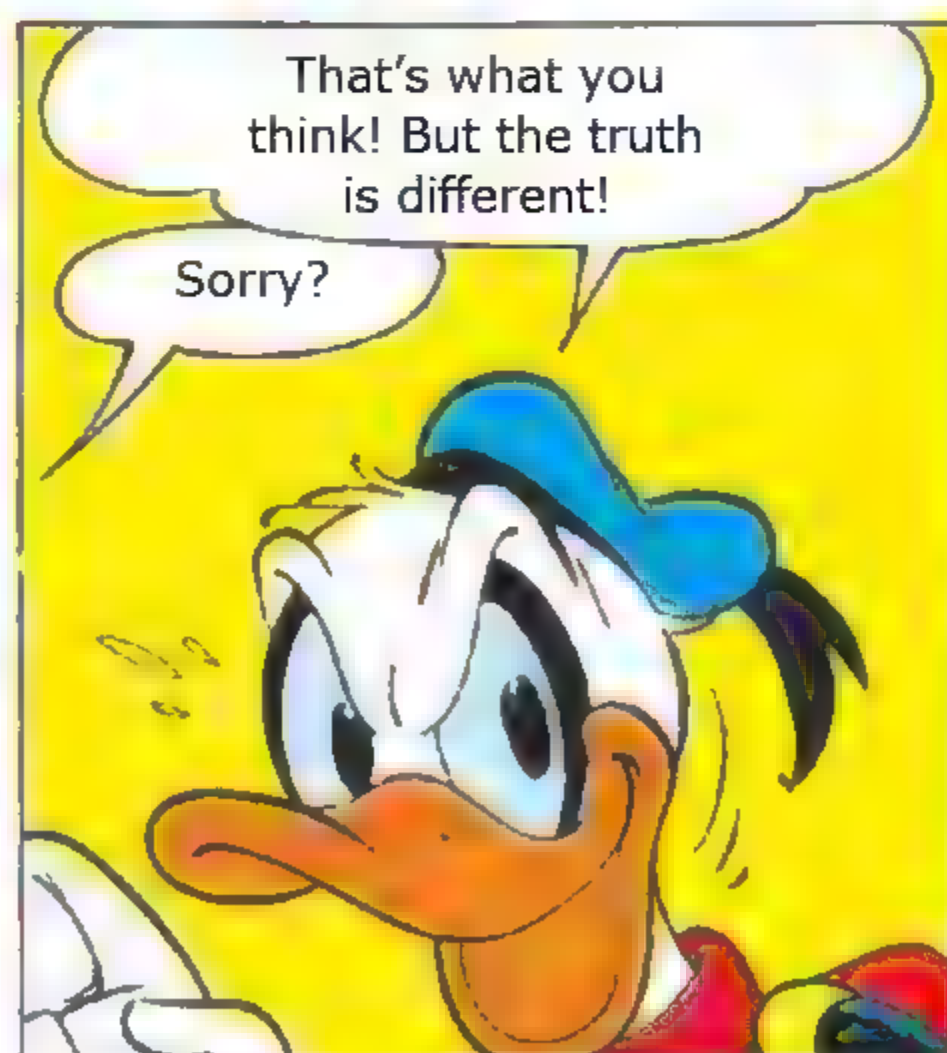

So, you were able
to reunite the two
twins?

Without result,
alas!

Here's Pollux! You
had it stolen from
Scrooge McDuck!

Um.. Let's say that
I borrowed it from
his nephew Donald!

That's what you
think! But the truth
is different!

Sorry?
